1 **I. INTRODUCTION**

2 On March 16, 2020, PG&E Corporation (“**PG&E Corp.**” or “**HoldCo**”) and Pacific Gas and
3 Electric Company (the “**Utility**” and together with PG&E Corp., “**PG&E**” or the “**Debtors**”), and
4 certain funds and accounts managed or advised by Abrams Capital Management, LP and certain funds
5 and accounts managed or advised by Knighthead Capital Management, LLP (the “**Shareholder**
6 **Proponents**” and, together with the Debtors, the “**Plan Proponents**”) filed the *Debtors’ and*
7 *Shareholder Proponents’ Joint Chapter 11 Plan of Reorganization Dated March 16, 2020* [Docket No.
8 6320] (as it may be amended, modified or supplemented, and together with any exhibits or schedules
9 thereto, the “**Plan**”). This disclosure statement (as it may be amended, modified or supplemented, and
10 together with any exhibits or schedules hereto, the “**Disclosure Statement**”) is being provided to you in
11 connection with the solicitation of votes to accept or reject the Plan. A copy of the Plan is annexed to
12 this Disclosure Statement as **Exhibit A**. Unless otherwise defined herein, capitalized terms used in this
13 Disclosure Statement have the meanings ascribed to such terms in the Plan.

14 The Plan is supported by the following parties:

- 15 1. The Debtors;
- 16 2. The Ad Hoc Committee of Senior Unsecured Noteholders of Pacific Gas and Electric
17 Company, consisting of major holders of the Utility’s outstanding prepetition funded
18 debt claims (the “**Ad Hoc Noteholders Committee**”);
- 19 3. The Ad Hoc Group of Subrogation Claim Holders, consisting of major holders of claims
20 arising from insurance payments made to victims in connection with the wildfires
21 (the “**Ad Hoc Subrogation Group**”);
- 22 4. Several Public Entities in the areas in which the wildfires occurred (the “**Public**
23 **Entities**”); and
- 24 5. Certain major shareholders of PG&E Corp.

25 **THESE PARTIES BELIEVE THAT CONFIRMATION AND IMPLEMENTATION OF**
26 **THE PLAN IS THE FASTEST WAY FOR FIRE VICTIMS AND OTHER CLAIMANTS TO**
27 **RECEIVE PAYMENTS ON THEIR CLAIMS, AND THAT IF THE PLAN IS NOT APPROVED**
28 **THOSE PAYMENTS WILL BE SIGNIFICANTLY DELAYED AND FIRE VICTIMS AND**
OTHER CLAIMANTS MAY RECEIVE SIGNIFICANTLY LESS THAN WHAT THEY
WOULD RECEIVE UNDER THE PLAN.

It is important to note that (as described in more detail below) under the Plan, aggregate
consideration of \$13.5 billion will be transferred to a trust to satisfy Fire Victim Claims (the “**Fire**
Victim Trust”) as follows:

1. \$5.4 billion in Cash on the Effective Date of the Plan;
2. An additional \$1.35 billion in Cash, consisting of (i) \$650 million to be paid in
Cash on or before January 15, 2021 pursuant to a Tax Benefits Payment Agreement,
and (ii) \$700 million to be paid in Cash on or before January 15, 2022 pursuant to
a Tax Benefits Payment Agreement;

3. \$6.75 billion in common stock of Reorganized PG&E Corp. (using equity valued using a multiple equal to 14.9 multiplied by the Normalized Estimated Net Income as of a date to be agreed upon among the parties to the Tort Claimants RSA (as defined below)), representing not less than 20.9% of the outstanding common stock of Reorganized PG&E Corp. as of the Effective Date;

THE \$6.75 BILLION VALUE OF THE COMMON STOCK OF REORGANIZED PG&E CORP. IS BASED ON A FORMULA SET FORTH IN THE TORT CLAIMANTS RSA AND INCORPORATED IN THE PLAN. THE \$6.75 BILLION VALUE DOES NOT NECESSARILY REFLECT THE ACTUAL VALUE OF THE STOCK TO BE HELD BY THE FIRE VICTIM TRUST ON THE EFFECTIVE DATE AND THEREAFTER. THE ACTUAL VALUE OF THE STOCK ON THE EFFECTIVE DATE AND THEREAFTER COULD BE GREATER OR LESS THAN \$6.75 BILLION BASED ON THE FUTURE TRADING VALUE OF THE COMMON STOCK OF REORGANIZED PG&E CORP.;

4. The assignment to the Fire Victim Trust of certain claims that the Fire Victim Trust may pursue for the benefit of holders of Fire Victim Claims; and
5. The assignment of rights under the 2015 Insurance Policies to resolve any Claims related to Fires in those policy years, other than the rights of the Debtors to be reimbursed under the 2015 Insurance Policies for claims submitted to and paid by the Debtors prior to the Petition Date.

Pursuant to the Plan, all Allowed Fire Victim Claims will be paid from the assets described above that will be transferred to the Fire Victim Trust. All Fire Victim Claims will be resolved and satisfied by the Fire Victim Trust pursuant to claims resolution procedures to be adopted by the Fire Victim Trust. **Although common stock of Reorganized PG&E Corp. is to be transferred to the Fire Victim Trust pursuant to the Plan, NOTHING IN THE PLAN OR THE FIRE VICTIM TRUST AGREEMENT REQUIRES A FIRE VICTIM TO RECEIVE PAYMENT IN STOCK.**

The aggregate consideration of \$13.5 billion described above to be contributed to the Fire Victim Trust (plus the assigned claims) was determined by a settlement among the Debtors, the Shareholder Proponents, the Official Committee of Tort Claimants (the “**Tort Claimants Committee**”) that has a fiduciary duty to represent the interests of all holders of Fire Victim Claims, other than the interests of Governmental Units in the Chapter 11 Cases, and the law firms (the “**Consenting Fire Claimant Professional Group**”) that represent Fire Victims holding over 70% of the in excess of 70,000 fire claims that have been filed. The sole source of recovery for holders of Fire Victim Claims is the Fire Victim Trust. Holders of Fire Victim Claims will not be able to otherwise pursue their claims against the Debtors, Reorganized PG&E, or their respective assets or properties.

IF YOU ARE A FIRE VICTIM, PLEASE SEE THE ENCLOSED “FIRE VICTIM CLAIM PLAN TREATMENT SUMMARY” FOR ADDITIONAL INFORMATION.

It is also important to note that the Plan Proponents believe that the Plan will enable the Debtors to support California’s clean energy goals and ensure that PG&E has access to sufficient resources to aggressively invest in capital improvements and wildfire mitigation and to provide safe and reliable service to its customers and communities.

Finally, the Plan Proponents believe that upon implementation of the Plan, PG&E will be able to participate in the recently authorized Go-Forward Wildfire Fund, which is designed to support the creditworthiness of California electrical corporations and provide a mechanism to attract capital for investment in safe, clean, and reliable power for California at a reasonable cost to ratepayers.

THE DEBTORS, THE AD HOC NOTEHOLDERS COMMITTEE, THE AD HOC SUBROGATION GROUP, THE PUBLIC ENTITIES, AND THE SHAREHOLDER PROPONENTS RECOMMEND THAT HOLDERS OF CLAIMS AND INTERESTS ENTITLED TO VOTE, VOTE TO ACCEPT THE PLAN AND RETURN THEIR BALLOTS BY THE VOTING DEADLINE (AS DEFINED BELOW) FOLLOWING THE METHODS SET FORTH BELOW.

A. Notice to Creditors

The purpose of this Disclosure Statement is to set forth information that (i) summarizes the treatment of Claims and Interests under the Plan, including the treatment of Claims held by Fire Victims, (ii) advises holders of Claims and Interests of their rights under the Plan, (iii) assists parties entitled to vote on the Plan in making informed decisions as to whether they should vote to accept or reject the Plan, and (iv) assists the Bankruptcy Court in determining whether the Plan complies with the provisions of chapter 11 of the Bankruptcy Code and should be confirmed. The Bankruptcy Court previously set certain dates and deadlines with respect to approval of the Disclosure Statement and confirmation of the Plan by Order, dated February 11, 2020 [Docket No. 5732] (the “**Scheduling Order**”).

IT IS THE OPINION OF THE PLAN PROPONENTS, THE AD HOC SUBROGATION GROUP, AND THE PUBLIC ENTITIES THAT CONFIRMATION AND IMPLEMENTATION OF THE PLAN IS IN THE BEST INTERESTS OF THE DEBTORS’ ESTATES, CREDITORS (INCLUDING ALL FIRE VICTIMS), AND SHAREHOLDERS.

THEREFORE, THE DEBTORS, THE AD HOC NOTEHOLDERS COMMITTEE, THE AD HOC SUBROGATION GROUP, THE PUBLIC ENTITIES, AND THE SHAREHOLDER PROPONENTS RECOMMEND THAT ALL CLAIMANTS AND SHAREHOLDERS, WHO ARE ENTITLED TO VOTE, VOTE TO ACCEPT THE PLAN.

BALLOTS FOR VOTING TO ACCEPT OR REJECT THE PLAN MUST BE RECEIVED BY MAY 15, 2020 AT 4:00 P.M. (PREVAILING PACIFIC TIME) (THE “VOTING DEADLINE”). THE RECORD DATE FOR DETERMINING WHICH HOLDERS OF CLAIMS AND INTERESTS MAY VOTE ON THE PLAN IS MARCH 3, 2020 (THE “RECORD DATE”).

THE HEARING TO CONSIDER CONFIRMATION OF THE PLAN (THE “CONFIRMATION HEARING”) WILL BE HELD BEFORE THE HONORABLE DENNIS MONTALI, UNITED STATES BANKRUPTCY JUDGE, IN THE UNITED STATES BANKRUPTCY COURT FOR THE NORTHERN DISTRICT OF CALIFORNIA, COURTROOM 17, 16TH FLOOR, 450 GOLDEN GATE AVENUE, SAN FRANCISCO, CA 94102 ON MAY 27, 2020 AT 10:00 A.M. (PREVAILING PACIFIC TIME), OR AS SOON THEREAFTER AS COUNSEL MAY BE HEARD.

THE BANKRUPTCY COURT HAS DIRECTED THAT ANY OBJECTIONS TO CONFIRMATION OF THE PLAN BE SERVED AND FILED ON OR BEFORE MAY 15, 2020 AT 4:00 P.M. (PREVAILING PACIFIC TIME) (THE “CONFIRMATION OBJECTION”).

DEADLINE”). PURSUANT TO THE SCHEDULING ORDER, PRINCIPAL COUNSEL REPRESENTING A PARTY, OR ANY PRO SE PARTY, OBJECTING TO CONFIRMATION OF THE PLAN MUST APPEAR IN PERSON AT A PRE-CONFIRMATION SCHEDULING CONFERENCE ON MAY 19, 2020 AT 10:00 A.M. (PREVAILING PACIFIC TIME) TO DISCUSS SCHEDULING ANY EVIDENTIARY MATTERS TO BE DEALT WITH IN CONNECTION WITH THE CONFIRMATION HEARING AND SCHEDULING FOR BRIEFING OF CONTESTED LEGAL ISSUES. FAILURE TO APPEAR MAY RESULT IN THE OBJECTION BEING STRICKEN.

PLEASE READ THIS DISCLOSURE STATEMENT, INCLUDING THE PLAN, IN ITS ENTIRETY. THE DISCLOSURE STATEMENT SUMMARIZES THE TERMS OF THE PLAN, BUT THE PLAN ITSELF QUALIFIES ALL SUCH SUMMARIES. ACCORDINGLY, IF THERE ARE ANY INCONSISTENCIES BETWEEN THE PLAN AND THIS DISCLOSURE STATEMENT, THE TERMS OF THE PLAN WILL CONTROL.

The draft Fire Victim Trust Agreement and the draft Fire Victim Claims Resolution Procedures describing the establishment and administration of the Fire Victim Trust have been filed with the Bankruptcy Court, as has the substantially final form of Subrogation Wildfire Trust Agreement describing the establishment and administration of the Subrogation Wildfire Trust. Certain documents necessary to the effectuation of the Plan will be filed with the Bankruptcy Court no later than 14 days before the Confirmation Objection Deadline. These documents are referred to collectively as the Plan Supplement and will include, but not be limited to: (i) the Schedule of Rejected Contracts; (ii) the New Organizational Documents; (iii) to the extent known, information required to be disclosed in accordance with section 1129(a)(5) of the Bankruptcy Code as to the officers and directors of the Reorganized Debtors on the Effective Date of the Plan; (iv) the Exit Financing Term Sheets; (v) the Schedule of Assigned Rights and Causes of Action; (vi) the Tax Benefits Payment Agreement; (vii) the Fire Victim Trust Agreement; and (viii) the Fire Victim Claims Resolution Procedures. Such documents will be consistent with the terms of the Plan, *provided*, that, through the Effective Date, the Plan Proponents will have the right to amend documents contained in, and exhibits to, the Plan Supplement in accordance with the terms of the Plan.

- Form 8-Ks filed with the SEC during the pendency of these Chapter 11 Cases.

II. OVERVIEW OF THE CHAPTER 11 CASES

A. Commencement of Chapter 11 Cases

On January 29, 2019, the Debtors commenced the Chapter 11 Cases. The Debtors continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

The principal objectives of the Chapter 11 Cases are:

- First, to establish a process for PG&E to fully address and resolve its liabilities resulting from the 2017 and 2018 Northern California wildfires and to provide compensation to those entitled to compensation from the Debtors fairly and expeditiously – more quickly and more equitably than those liabilities could be addressed and resolved in the state court system;
- Second, to restore PG&E's financial stability and assure that PG&E has access to the capital and resources necessary to sustain and support its ongoing operations and to enable PG&E to continue investing in its systems infrastructure and critical safety and wildfire prevention initiatives, including investing in PG&E's Community Wildfire Safety Program (a program to further reduce wildfire risks and help keep the customers and communities PG&E serves safe through enhanced real-time monitoring and intelligence, safety measures, and electrical system equipment);
- Third, to work collaboratively and constructively with State regulators and policy makers to (i) address safety, operational and structural reforms; (ii) determine the most effective way for PG&E to provide safe and reliable electric and natural gas service to its customers and communities for the long term; and (iii) address the significant increase in wildfire risk in an environment that continues to be challenged by climate change and its ongoing and future impact on California, including on PG&E and its operations; and
- Fourth, to enable PG&E to continue its extensive restoration and rebuilding efforts to assist the communities affected by the 2017 and 2018 Northern California wildfires.

For further information regarding the commencement of the Chapter 11 Cases, please refer to the Form 10-K for the fiscal year ended December 31, 2018, filed with the SEC on February 28, 2019 and the *Amended Declaration of Jason P. Wells in Support of First Day Motions and Related Relief* [Docket No. 263].

B. Certain Significant Events During the Chapter 11 Cases

The following sections briefly summarize certain significant events occurring during the Chapter 11 Cases.

1. Estimation of Aggregate Wildfire Liabilities

On July 18, 2019, the Debtors filed a motion in the Bankruptcy Court to establish procedures for the estimation of PG&E's aggregate liability for claims arising out of the 2015 Butte Fire and the 2017 and 2018 Northern California wildfires for Plan confirmation purposes [Docket No. 3091] (the "**Estimation Motion**").

On August 21, 2019, the Bankruptcy Court issued a recommendation to the United States District Court for the Northern District of California (the "**District Court**") requesting the District Court withdraw its reference in part so that the District Court – and not the Bankruptcy Court – would decide key questions relating to the estimation process. On August 22, 2019, the District Court accepted the Bankruptcy Court's recommendation and assigned the matter to United States District Judge James Donato.

These estimation proceedings are currently pending as Case No. 19-cv-05257-JD in the District Court (the "**Estimation Proceedings**") but, as further discussed below, have been stayed in light of the settlement approved in connection with the Tort Claimants RSA (as defined below).

2. Bankruptcy Court Lifts Automatic Stay to Allow Tubbs Cases to Proceed in State Court

The Tort Claimants Committee and the Ad Hoc Subrogation Group, on July 2 and 3, 2019, respectively, filed motions (the "**Tubbs Lift Stay Motions**") seeking relief from the automatic stay to allow certain elderly or infirm individuals (collectively, with certain indispensable parties, the "**Tubbs Preference Claimants**") to pursue state court litigation relating to the 2017 Tubbs fire (the "**Tubbs Cases**"). The Bankruptcy Court considered the Tubbs Lift Stay Motions at the hearing on August 14, 2019. On August 21, 2019, the Bankruptcy Court entered an order granting the Tubbs Lift Stay Motions, allowing the Tubbs Cases to proceed to trial in Superior Court for the State of California (the "**Superior Court**").

In light of the Tort Claimants RSA, the Superior Court entered an order vacating the existing trial dates for the Tubbs Cases and setting a hearing for March 2, 2020, to show cause regarding dismissal of the Tubbs Cases. Upon entry into and pursuant to the Tort Claimants RSA, the Debtors promptly entered into settlement discussions with the Tubbs Preference Claimants to resolve the Tubbs Cases. On January 6, 2020, the Debtors filed a motion (the "**Tubbs Settlement Motion**") seeking approval of settlement agreements settling and liquidating the claims of the Tubbs Preference Claimants for payment by the Fire Victim Trust, as provided in the Tort Claimants RSA. On January 30, 2020, the Bankruptcy Court entered an order [Docket No. 5571] granting the relief requested in the Tubbs Settlement Motion.

3. Debtors Settle Plan Treatment of Public Entities Wildfire Claims and Enter Into Public Entities Plan Support Agreements

On June 18, 2019, the Debtors and the Public Entities¹ entered into those certain *Plan Support Agreements as to Plan Treatment of Public Entities' Wildfire Claims* (the "**Public Entities Plan**").

¹ The "**Public Entities**" include the City of Clearlake, the City of Napa, the City of Santa Rosa, the County of Lake, the Lake County Sanitation District, the County of Mendocino, Napa County, the

Support Agreements”). Pursuant to the Public Entities Plan Support Agreements, the Public Entities agreed to support and vote in favor of a chapter 11 plan proposed by the Debtors that provides that, among other things, the Public Entities Wildfire Claims will be satisfied with \$1 billion in Cash, to be distributed from a trust account in accordance with the “Public Entities Settlement Distribution Protocol,” and the Reorganized Debtors will establish a \$10 million segregated defense fund for the benefit of the Public Entities.

The Public Entities Plan Support Agreements provide that each may be terminated by the applicable Public Entity under certain circumstances, including (i) if the Federal Emergency Management Agency (“**FEMA**”) or the California Governor’s Office of Emergency Services (“**Cal OES**”) fails to agree that no reimbursement is required from the Public Entities on account of assistance rendered by either agency in connection with the Fires, and (ii) by any individual Public Entity, if a material amount of Public Entities Third Party Claims is filed against such Public Entity and such Public Entity and such Public Entities Third Party Claims are not released pursuant to the Plan.

4. Debtors Settle Subrogation Wildfire Claims and Enter Into Subrogation Claims RSA

On September 24, 2019, the Debtors filed a motion seeking Bankruptcy Court approval of that certain Restructuring Support Agreement, dated as of September 22, 2019 and related settlement agreement (together, as amended and restated, and as may be further amended, restated and supplemented, the “**Subrogation Claims RSA**”) with the Consenting Creditors (as defined in the Subrogation Claims RSA). Pursuant to the Subrogation Claims RSA, holders of approximately 96% of all Subrogation Wildfire Claims (in dollar amount) agreed, among other things, to support and vote in favor of the Plan, in consideration of, among other things, an Allowed Subrogation Wildfire Claim of \$11 billion that will be paid in full in Cash under the Plan, and the payment of up to \$55 million in reasonable, documented and contractual fees of certain of the Ad Hoc Subrogation Group’s professionals. On December 19, 2019, the Bankruptcy Court entered an order [Docket No. 5173] authorizing the Debtors to enter into, and approving the terms of, the Subrogation Claims RSA and the settlement embodied therein.

5. Bankruptcy Court Appoints a Mediator

On October 28, 2019, the Bankruptcy Court appointed retired Bankruptcy Judge Randall Newsome as mediator in the Chapter 11 Cases to identify and mediate issues to progress the cases towards timely confirmation of a chapter 11 plan. Beginning on October 31, 2019, Judge Newsome facilitated confidential settlement discussions among a number of key parties to the Chapter 11 Cases, including the Debtors, the Tort Claimants Committee, certain plaintiffs’ attorneys for individuals holding Fire Victim Claims, the Official Committee of Unsecured Creditors (the “**Creditors Committee**”), the Ad Hoc Noteholders Committee, certain agencies of the United States of America and the State of California asserting fire-related Claims, as well as the Shareholder Proponents.

County of Nevada, the County of Sonoma, the Sonoma County Agricultural Preservation and Open Space District, the Sonoma County Community Development Commission, the Sonoma County Water Agency, the Sonoma Valley County Sanitation District and the County of Yuba (collectively, the “**North Bay Public Entities**”); the Town of Paradise; the County of Butte; the Paradise Recreation & Park District; the County of Yuba; and the Calaveras County Water District.

1 **6. Debtors Settle Plan Treatment of Fire Victim Claims and Enter Into Tort**
 2 **Claimants RSA**

3 On December 6, 2019, the Debtors, the Tort Claimants Committee, the Consenting Fire Claimant
 4 Professional Group, and the Shareholder Proponents, entered into that certain Restructuring Support
 5 Agreement, dated December 6, 2019 (as amended on December 16, 2019 and may be further amended,
 6 restated and supplemented, the “**Tort Claimants RSA**”) that, among other things, resolved the treatment
 7 of all Fire Victim Claims under the Plan. The agencies of the United States of America and the State of
 8 California asserting fire-related Claims are not signatories to the Tort Claimants RSA. On December
 9 19, 2019, the Bankruptcy Court entered an order [Docket No. 5174] authorizing the Debtors’ and TCC’s
 10 entry into, and approving the terms of, the Tort Claimants RSA and the settlements embodied therein.

11 The Tort Claimants RSA provides, among other things, that (i) pursuant to the Plan, the Debtors
 12 will fund a Fire Victim Trust, to be established for the benefit of all holders of Fire Victim Claims, with
 13 cash and stock valued at \$13.5 billion, and contribute certain assigned rights and causes of action to the
 14 Fire Victim Trust; (ii) the parties agree to a stay of the Estimation Proceedings; (iii) the Debtors would
 15 promptly negotiate a settlement of the claims of the Tubbs Preference Claimants; and (iv) the Tort
 16 Claimants Committee and Consenting Fire Claimant Professional Group will support the Plan.

17 **7. Debtors Settle with Ad Hoc Noteholders Committee and Enter Into Noteholder**
 18 **RSA**

19 On January 22, 2020, the Debtors, the Shareholder Proponents, and the Ad Hoc Noteholders
 20 Committee entered into that certain Restructuring Support Agreement, dated January 22, 2020 (as may
 21 be amended, restated and supplemented, the “**Noteholder RSA**”). The Noteholder RSA provides,
 22 among other things, that the Ad Hoc Noteholders Committee will (i) withdraw their alternative plan;
 23 (ii) suspend their motion to reconsider the order approving the Subrogation Claims RSA and Tort
 24 Claimants RSA; (iii) withdraw all discovery issued in connection with and support the relief requested
 25 in the Debtors’ Exit Financing Motion (as defined below); (iv) have their debt secured on the Effective
 26 Date; and (v) support the Plan. On February 5, 2020, the Bankruptcy Court entered an order [Docket
 27 No. 5637] authorizing the Debtors to enter into, and approving the terms of, the Noteholder RSA and
 28 the settlements embodied therein. On February 5, 2020, the Ad Hoc Noteholders Committee withdrew
 the TCC/Noteholder Plan [Docket No. 5644].

1 **8. Briefing on Plan Confirmation Issues**

2 On October 31, 2019, the Bankruptcy Court entered an order [Docket No. 4540] (the “**Pre-**
 3 **Confirmation Scheduling Order**”) establishing briefing and hearing schedules for the following issues
 4 related to plan confirmation: (i) whether the doctrine of inverse condemnation applies to a privately-
 5 owned utility, (ii) what is the appropriate postpetition interest rate for unsecured claims in a solvent
 6 debtor case, (iii) whether holders of the Utility Senior Notes are entitled to Allowed Claims for make-
 7 whole premiums or similar amounts, and (iv) whether the Subrogation Claimants are impaired under the
 8 Plan.

9 **Inverse Condemnation:** On November 27, 2019, following briefing and oral argument
 10 on the issue, the Bankruptcy Court issued a memorandum decision determining that the doctrine of
 11 inverse condemnation applies to the Utility. Following the decision, the Bankruptcy Court certified the
 12 issue for appeal to the Ninth Circuit. On January 16 and 17, 2020, the Debtors concurrently filed a

petition for direct appeal with the United States Court of Appeals for the Ninth Circuit (the “**Ninth Circuit**”) and a motion to stay the proceedings pending confirmation of the Plan (and the settlements encompassed therein) by the Bankruptcy Court. On January 31, 2020, the Ninth Circuit issued an order granting the Debtors’ motion to stay the proceedings.

Postpetition Interest: On December 30, 2019, following briefing and oral argument on the issue, the Bankruptcy Court issued a memorandum decision [Docket No. 5226] (the “**Memorandum Decision**”) determining that the appropriate rate of postpetition interest on unsecured claims in a solvent debtor case is the federal judgment interest rate as of the Petition Date calculated pursuant to 28 U.S.C. § 1961(a). On February 6, 2020, the Bankruptcy Court entered the *Interlocutory Order Regarding Postpetition Interest* [Docket No. 5669] (the “**PPI Order**”) consistent with the Memorandum Decision. On February 20, 2020, the Ad Hoc Committee of Holders of Trade Claims (the “**Trade Committee**”) filed a motion seeking a determination that the Memorandum Decision and PPI Order are final orders that may be appealed without leave, or, to the extent the Memorandum Decision and PPI Order are not final orders, leave to appeal the Memorandum Decision and PPI Order to be heard in the District Court. On March 4 and 5, 2020, Mizuho Bank, Ltd., in its capacity as HoldCo Term Loan Administrative Agent, the Creditors Committee, Citibank, NA, BOKF, NA, and the Ad Hoc Noteholders Committee also filed notices of appeal and cross-motions for leave to appeal the Memorandum Decision and PPI Order, similarly requesting its appeal be heard in the District Court (collectively, the “**PPI Appeals**”).

Consistent with the PPI Order and Memorandum Decision, the Plan provides for payment of postpetition interest on General Unsecured Claims at the applicable Federal Judgment Rate—2.59%. The Trade Committee asserts that postpetition interest on General Unsecured Claims should be paid consistent with state law, and that under Cal. Civ. Code § 3289, this requires payment of postpetition interest on contract-based claims, such as trade claims, at the rate set forth in the applicable contract, or in the absence of a contract rate, at the statutory rate of 10%. If the PPI Order and Memorandum Decision are overturned by a final non-appealable decision, the amount of postpetition interest the Debtors or Reorganized Debtors are required to pay with respect to General Unsecured Claims could significantly increase. The Debtors contend that the PPI Order and Memorandum Decision are not final orders and are opposing the PPI Appeals, including the motions for leave to pursue the PPI Appeals.

Make-Whole Claims: The parties have fully briefed the question of whether holders of Utility Senior Notes are entitled to Allowed Claims for make-whole premiums or similar amounts in accordance with the Pre-Confirmation Scheduling Order. Pursuant to the terms of the Noteholder RSA, the parties have agreed to adjourn the matter without a further hearing date.

Subrogation Claims Impairment: On November 27, 2019, the Debtors and the Ad Hoc Subrogation Group filed a joint opening brief arguing the Subrogation Wildfire Claims, as settled under the Subrogation Claimants RSA, are impaired for plan purposes. The Ad Hoc Noteholders Committee filed a reservation of rights on the issue and, on January 10, 2020, the Creditors Committee filed a responsive brief. In view of the Noteholder RSA, the parties have agreed to remove the issue from the Bankruptcy Court’s calendar without prejudice.

9. Exit Financing Motion

On October 23, 2019, the Debtors filed the *Debtors’ Motion for Entry of Orders (I) Approving Terms of, and Debtors’ Entry into and Performance Under, Exit Financing Commitment Letters and (II) Authorizing Incurrence, Payment and Allowance of Related Fees and/or Premiums, Indemnities,*

Costs and Expenses as Administrative Expense Claims [Docket No. 4446] (as amended at Docket Nos. 5267 and 6013, and as may be further amended, modified or supplemented, the “**Exit Financing Motion**”), seeking approval of certain exit financing commitment letters providing for up to \$12 billion in equity commitments (as further amended, modified and supplemented, the “**Equity Backstop Commitment Letters**”) and up to \$34.35 billion in debt commitments (as further amended, modified and supplemented, the “**Debt Backstop Commitment Letters**,” and together with the Equity Backstop Commitment Letters, the “**Exit Financing Commitment Letters**”). On January 22, 2020, the Governor filed an objection to the Exit Financing Motion [Docket No. 5445] (the “**Governor’s Objection**”), which focused primarily on the Governor’s proposal to alter the Debtors’ corporate governance structure. On January 22, 2020, the Debtors reached a settlement with the Ad Hoc Noteholders Committee regarding the treatment of the Utility’s pre-petition funded debt under the Plan. The Bankruptcy Court approved the settlement on February 5, 2020. In light of the settlement with the Ad Hoc Noteholders Committee, the Debtors further amended the Exit Financing Commitment Letters to, among other things, reduce the aggregate Utility debt commitments and revise the provisions of the letters affected thereby. On March 3, 2020, the Debtors filed an amended Exit Financing Motion to reflect the updated Exit Financing Commitment Letters. Following a hearing on March 16, 2020, the Bankruptcy Court granted the relief requested in the Exit Financing Motion [Docket Nos. 6321 and 6323].

10. Tentative Settlements in Principle with Federal Agencies and Cal State Agencies

Certain federal agencies (collectively, the “**Federal Agencies**”), including FEMA, and certain agencies of the State of California (collectively, the “**State Agencies**”), including Cal OES and the California Department of Forestry and Fire Protection (“**CAL FIRE**”), have asserted Fire Claims in the Chapter 11 Cases against the Debtors in excess of \$7.7 billion, for the majority of which the Debtors do not believe they have liability. On December 2, 2019, the Tort Claimants Committee filed an objection [Docket No. 4943] (as supplemented at Docket No. 5319 and as joined by the Debtors at Docket No. 5639, the “**FEMA Claims Objection**”) to all Claims asserted by FEMA, which total approximately \$3.9 billion (the “**FEMA Claims**”), and on December 12, 2019, the Tort Claimants Committee filed an objection [Docket No. 5096] (as joined by the Debtors at Docket No. 5734, the “**Cal OES Claims Objection**” and, together with the FEMA Claims Objection, the “**Government Claims Objections**”), to all Claims asserted by Cal OES, which total approximately \$2.7 billion (the “**Cal OES Claims**”). The Cal OES Claims Objection also contested approximately \$2.4 billion of the Cal OES Claims as being duplicative of the FEMA Claims. At a hearing on February 26, 2020, the Bankruptcy Court heard oral argument to consider the Government Claims Objections and took the matters under advisement. As of the date hereof, the Bankruptcy Court has not ruled on the Government Claims Objections.

In connection with the Government Claims Objections and other contested matters, on February 18, 2020, the Bankruptcy Court issued an order [Docket No. 5810] for, among other things, mediation of classification issues related to the FEMA Claims and Cal OES Claims. Pursuant to the Plan, and as described in more detail below, the FEMA Claims, Cal OES Claims, and other Fire-related government agency Claims are classified as Fire Victim Claims to be channeled to and, if Allowed, paid from the Fire Victim Trust. FEMA, Cal OES, and certain other federal and state government agencies, however, contend that their Claims should be classified and treated as General Unsecured Claims under the Plan and, as such, expressed their intent to file formal motions challenging the Debtors’ proposed classification of such Claims. In lieu of formal motion practice, the Plan Proponents and the government

1 agencies stipulated to a briefing and hearing schedule on this classification issue, with a hearing before
2 the Bankruptcy Court that was scheduled for April 1, 2020.

3 Tentative agreements in principle have been reached with the Federal Agencies and the State
4 Agencies with respect to (a) the FEMA Claims and certain other claims asserted by Federal agencies
5 that constitute Fire Claims (the “**Federal Agency Fire Claims**”), and (b) the State Agencies’ Fire
6 Claims that are channeled to the Fire Victim Trust (the “**State Agency Fire Claims**”). Pending the
7 finalization and approval of the settlements by the Bankruptcy Court, the briefing schedule on the
8 classification issues related to the Federal Agency Fire Claims and State Agency Fire Claims has been
9 suspended indefinitely.

10 Pursuant to the terms of the tentative settlements:

- 11 • the FEMA Claims will be reduced and Allowed at \$1 billion, channeled to the Fire Victim
12 Trust, and fully subordinated to all other Fire Victim Claims;
- 13 • the Federal Agency Fire Claims shall be Allowed in the aggregate amount of \$117
14 million and payable solely from the proceeds of the Assigned Rights and Causes of
15 Action, after the payment of professional fees and costs incurred in connection with the
16 pursuit of such Assigned Rights and Causes of Action;
- 17 • the Cal OES Claims will be withdrawn with prejudice;
- 18 • CAL FIRE’s Fire Claims (*i.e.*, only those claims that are channeled to the Fire Victim
19 Trust under the Plan) will be settled and Allowed at \$115.3 million, payable over a period
20 of years by the Fire Victim Trust solely and exclusively from any cash interest earned on
21 the cash holdings of the Fire Victim Trust after the Effective Date;
- 22 • the other State Agency Fire Claims (*i.e.*, only those claims that are channeled to the Fire
23 Victim Trust under the Plan) will be settled and Allowed at \$89 million, payable by the
24 Fire Victim Trust over a period of years, payable solely from proceeds of the
25 monetization of New HoldCo Common Stock in excess of \$6.75 billion and certain
26 available interest on the cash holdings of the Fire Victim Trust; and
- 27 • the holders of the above Claims that are being settled shall have no right of recovery from
28 the Debtors or Reorganized Debtors on account of the Fire Claims that are the subject of
tentative settlements.

29 C. Related Pending Proceedings

30 1. **Securities Class Action**

31 Prior to the Petition Date, the Public Employees Retirement Association of New Mexico
32 (“**PERA**”) filed a securities class action lawsuit in the U.S. District Court for the Northern District of
33 California, Case No. 18-03509 (the “**Securities Litigation**”) against the Debtors, a number of the
34 Debtors’ current and former directors and officers, and investment-bank underwriters of certain of the
35 Debtors’ notes offerings.

1 In the Securities Litigation, PERA asserts securities claims relating to, among other things,
2 allegedly misleading statements the defendants made regarding their wildfire safety practices. The
3 claims are being asserted on behalf of investors who acquired the Debtors' notes and equity securities
4 during the class period of April 29, 2015 through November 15, 2018.

5 The Securities Litigation has been and remains stayed with respect to the Debtors. PERA
6 continues to pursue the Securities Litigation against the non-Debtor defendants. The non-Debtor
7 defendants have filed motions to dismiss PERA's complaint in the District Court.

8 On October 21, 2019, PERA filed proofs of claim in the Bankruptcy Court asserting a claim on
9 behalf of itself. On December 9, 2019, PERA filed a motion to treat its proof of claim as a class proof
10 of claim on behalf of the equity and debt securities holders covered by the Securities Litigation under
11 Bankruptcy Rule 7023. On February 3, 2020, the Court issued a ruling indicating that it had tentatively
12 determined either to allow the proof of claim filed by PERA to be treated as a class proof of claim
13 (subject to Plaintiffs meeting the requirements of Rule 23 of the Federal Rule of Civil Procedure) or,
14 instead, to allow certain additional noticing and an extension of the Bar Date in the Chapter 11 Cases
15 for potential class members. The Court directed the parties to file supplemental briefs addressing why
16 an extension of the Bar Date for these class members was not preferable. On February 18, 2020, the
17 Court issued an order [Docket No. 5810], among other things, directing the parties to participate in
18 mediation regarding the allowance of the class proof of claim or an extension of the Bar Date. The
19 parties were ultimately unable to come to a resolution and, following a hearing on the issue, on February
20 27, 2020, the Court issued an Order denying the motion by PERA to have its proof of claim treated as a
21 class proof of claim, ordering notice be provided to claimants that purchased the Debtors' publicly traded
22 debt and equity securities from April 29, 2015 through November 15, 2018 and who may have claims
23 under securities laws against the Debtors for rescission or damages and extending the Bar Date for those
24 claimants to file claims to the Further Extended Bar Date of April 16, 2020.

25 Any such Claims that are filed in advance of the Further Extended Bar Date, if Allowed, will
26 (i) if such Claims are for rescission or damages with respect to notes, be subordinated under section
27 510(b) of the Bankruptcy Code relative to Claims that are senior or of equal priority, and need to be
28 funded and paid in full under the Plan, or (ii) if such Claims are for rescission or damages with respect
to equity, be afforded the same priority as that afforded to holders of the Debtors' common stock.

2. Butte County District Attorney Investigation and Potential Claims

21 As disclosed in the 2019 Form 10-K, the Butte County District Attorney's Office and the
22 California Attorney General's Office opened a criminal investigation of the 2018 Camp fire. The
23 Debtors have produced documents and continue to produce documents and respond to other requests for
24 information and witness testimony in connection with the criminal investigation of the 2018 Camp fire,
25 including, but not limited to, documents related to the operation and maintenance of equipment owned
26 or operated by the Debtors. The Debtors have also cooperated with the Butte County District Attorney's
27 Office and the California Attorney General's Office in the collection of physical evidence from
28 equipment owned or operated by the Debtors. The Debtors currently are unable to predict the outcome
of the criminal investigation into the 2018 Camp fire.

Potential criminal charges that could be filed against the Debtors and current or former
employees with respect to the 2018 Camp fire include recklessly causing a fire, manslaughter and related
environmental charges. The Debtors could be subject to material fines, penalties, or restitution orders

1 if it is determined that the Debtors failed to comply with applicable laws and regulations in connection
 2 with the 2018 Camp fire, as well as non-monetary remedies such as oversight requirements. If the
 3 Debtors were found criminally liable, the Debtors could also be liable for claims of restitution on behalf
 4 of certain Fire Victims under the California Penal Code. The Debtors believe that any claims for such
 5 restitution would constitute Fire Victim Claims and under the Plan would be satisfied solely out of the
 6 Fire Victim Trust. The criminal investigation is not subject to the automatic stay under the Bankruptcy
 7 Code.

8 The filing of criminal charges against the Debtors, the creation of any potential material
 9 indemnification obligation on the Debtors or any determination that any such claim for restitution is not
 10 satisfied solely out of the Fire Victim Trust may have a material impact on the ability of the Debtors to
 11 have the Plan confirmed by June 30, 2020.

12 **3. Adversary Proceeding Related to Public Safety Power Shutoffs (“PSPS”)**

13 On December 19, 2019, an individual plaintiff commenced a putative class action Adversary
 14 Proceeding No. 19-03061 (the “**PSPS Adversary Proceeding**”) against the Debtors in the Bankruptcy
 15 Court seeking to certify a class alleging damages in the amount of \$2.5 billion and seeking injunctive
 16 relief related to certain planned power outages instituted by the Debtors in October and November of
 17 2019. The Debtors do not believe there is any merit to the claims asserted in the PSPS Adversary
 18 Proceeding or that it is capable of being sustained as a class action. On January 21, 2020 the Debtors
 19 filed a motion to dismiss the PSPS Adversary Proceeding and alternatively to strike class
 20 allegations. The motion was fully briefed by the parties and heard by the Bankruptcy Court on March
 21 10, 2020.

22 **III. POSTPETITION LEGISLATIVE AND REGULATORY MATTERS**

23 **A. Wildfire Legislation²**

24 On July 12, 2019, Governor Newsom signed into law Assembly Bill 1054 (“**AB 1054**” or the
 25 “**Wildfire Legislation**”), which, among other things, establishes a statewide fund that participating
 26 utilities may access to pay for liabilities arising in connection with future wildfires occurring after July
 27 12, 2019 (the “**Go-Forward Wildfire Fund**”). The Wildfire Legislation also provides details regarding
 28 the conditions to and costs of participating in the Go-Forward Wildfire Fund and sets the criteria by
 which participating utilities can access the fund.

Each of California’s large investor-owned electric utility companies that are not currently subject
 to chapter 11, Southern California Edison (“**SCE**”) and San Diego Gas & Electric Company
 (“**SDG&E**”), has elected to participate in the Go-Forward Wildfire Fund. AB 1054 provides that the
 Go-Forward Wildfire Fund is established upon SCE and SDG&E funding their initial contributions.

The Utility has provided notice to the California Public Utility Commission (the “**CPUC**”) of its
 intent to participate in the Go-Forward Wildfire Fund, and on August 26, 2019, the Bankruptcy Court
 issued an order [Docket No. 3689] authorizing the Debtors to participate in the Go-Forward Wildfire
 Fund. Under AB 1054, however, to participate in the Go-Forward Wildfire Fund, the Utility must satisfy
 several additional conditions. Upon emergence from chapter 11, the Utility must pay the initial and

² This summary is qualified in its entirety by the actual text of AB 1054.

annual contributions required for participation in the Go-Forward Wildfire Fund. Additionally, the Utility must satisfy the following conditions by June 30, 2020:

(A) The [Utility's Chapter 11 Case] has been resolved pursuant to a plan or similar document not subject to a stay.

(B) The [B]ankruptcy [C]ourt or a court of competent jurisdiction, in the [Chapter 11 Cases], has determined that the resolution of the [Chapter 11 Case] provides funding or establishes reserves for, provides for assumption of, or otherwise provides for satisfying any prepetition wildfire claims asserted against the [Utility] in the [Chapter 11 Cases] in the amounts agreed upon in any pre-insolvency proceeding settlement agreements or any post-insolvency settlement agreements, authorized by the court through an estimation process or otherwise allowed by the court.

(C) The [CPUC] has approved the reorganization plan and other documents resolving the [Utility's Chapter 11 Cases], including the [Utility's] resulting governance structure, as being acceptable in light of the [Utility's] safety history, criminal probation, recent financial condition, and other factors deemed relevant by the [CPUC].

(D) The [CPUC] has determined that the [Utility's] reorganization plan and other documents resolving the [Chapter 11 Cases] are (i) consistent with the state's climate goals as required pursuant to the California Renewables Portfolio Standard Program and related procurement requirements of the state and (ii) neutral, on average, to the ratepayers of the [Utility].

(E) The [CPUC] has determined that the reorganization plan and other documents resolving the [Chapter 11 Cases] recognize the contributions of ratepayers, if any, and compensate them accordingly through mechanisms approved by the [CPUC], which may include sharing of value appreciation.

Cal. Pub. Util. Code §3291(b)(1)(A)-(E).

If the Utility satisfies the requirements to participate in the Go-Forward Wildfire Fund, the Utility's required contributions to the Go-Forward Wildfire Fund will be substantial. The Go-Forward Wildfire Fund is expected to be funded with approximately (i) \$10.5 billion of proceeds of bonds supported by a 15-year extension of the Department of Water Resources charge to ratepayers, (ii) \$7.5 billion in initial contributions from California's three investor-owned electric utility companies and (iii) \$300 million in annual contributions paid by California's three investor-owned electric utility companies. The contributions from the investor-owned electric utility companies will be effectively borne by their respective shareholders, as they will not be permitted to recover these costs from ratepayers. The costs of the initial and annual contributions are allocated among the three investor-owned electric utility companies pursuant to a "Wildfire Fund allocation metric" set forth in AB 1054 based on land area in the applicable utility's service territory classified as high fire threat districts and adjusted to account for risk mitigation efforts. The Utility's initial Go-Forward Wildfire Fund allocation metric will be 64.2% (representing an initial contribution of approximately \$4.8 billion and annual contributions of approximately \$193 million). In addition, all initial and annual contributions will be excluded from the measurement of the Utility's authorized capital structure.

Participation in the Go-Forward Wildfire Fund is expected to have a material impact on the Reorganized Debtors' financial condition, results of operations, liquidity and cash flows. The Utility is currently evaluating the accounting and tax treatment of the required initial and annual contributions. The timing and amount of any potential charges associated with shareholder contributions would also depend on various factors, including the timing of resolution of the Chapter 11 Cases. Furthermore, there can be no assurance that the expected benefits of participating in the Go-Forward Wildfire Fund ultimately outweigh its substantial costs.

In addition to establishing the Go-Forward Wildfire Fund, AB 1054 also provides that the first \$5.0 billion in the aggregate spent by SCE, SDG&E and the Utility on fire risk mitigation capital expenditures included in their approved wildfire mitigation plans will be excluded from their respective equity rate bases. The \$5.0 billion of capital expenditures will be allocated among the investor-owned utilities in accordance with their Go-Forward Wildfire Fund allocation metrics (described above) and may be securitized through a customer charge.

While the Plan Proponents believe the Plan complies with all of the requirements of AB 1054 and will be approved by the CPUC, certain state and federal government agencies disagree. Such state and federal government agencies, however, have no approval rights over the CPUC's determination of such compliance.

B. Governor's Letter Regarding Compliance with the Wildfire Legislation

On December 13, 2019, Governor Gavin Newsom sent a letter to the Utility's management stating, among other things, that the Governor believed that the draft *Debtors' and Shareholder Proponents' Joint Chapter 11 Plan of Reorganization* shared on December 6, 2019 with the Governor's Office (the "**December 6 Plan**") did not comply with AB 1054. The Governor's letter set forth a number of governance and management requirements that the Governor believed were necessary to comply with AB 1054. The Governor's letter further stated that the capital structure set forth in the December 6 Plan would contribute to a reorganized company that, in the Governor's view, would not be positioned to provide safe, reliable, and affordable electric service. The Debtors have taken the views of the Governor's Office into account in formulating the Plan, which the Debtors believe complies with AB 1054. The Debtors and the Governor's Office remain in continuous discussions.

C. CPUC Approvals

Given the Utility's status as a public utility regulated by the CPUC, there are a number of issues in pending or anticipated regulatory proceedings that will need to be addressed by the CPUC prior to or in connection with confirmation or effectiveness of the Plan. These regulatory matters are summarized below:

Plan OII. Under applicable state and federal law, certain provisions of the Plan, including any ratemaking implications of the Plan, must be reviewed and approved by the CPUC in the ordinary course of its regulatory duties. In addition, as discussed above, the California legislature has passed, and the Governor has signed into law, AB 1054. As a result, there are certain regulatory approvals that the Utility must or may desire to obtain prior to or as part of and in connection with confirmation or effectiveness of the Plan with respect to participation in the Go-Forward Wildfire Fund, including satisfaction of the conditions set forth in AB 1054 as determined, where applicable, by the CPUC. To facilitate this review, on October 4, 2019, the CPUC commenced Investigation (I.) 19-09-016, Order Instituting Investigation on the Plan (the "**Plan OII**") to consider the ratemaking and other

implications that will result from the confirmation of a plan of reorganization and other regulatory approvals necessary to resolve the Chapter 11 Cases. This proceeding, among other things, affords parties the opportunity to be heard and comment on any CPUC regulatory approvals required pursuant to Public Utilities Code Section 3292 in order for PG&E to become eligible to participate in the wildfire fund established pursuant to AB 1054 and other state law, any other regulatory approvals required by AB 1054, and any other matters that may need to be decided by the CPUC in connection with a plan. The CPUC expects to render its decision sufficiently in advance of the June 30, 2020 statutory deadline contained in AB 1054 to allow the Bankruptcy Court to address and approve any modifications made to the Plan pursuant to CPUC orders.

On January 31, 2020, the Utility served prepared testimony in the Plan OII outlining key elements of the Plan, including, but not limited to: (i) key aspects of the Utility's governance structure; (ii) implementing a plan to regionalize PG&E's operations; (iii) appointing an independent safety advisor; (iv) strengthening the roles of the Chief Risk Officer and the Chief Safety Officer; (v) utilizing an Independent Safety Oversight Committee with non-PG&E Corporation and non-Utility employees to provide independent review of PG&E's operations; (vi) paying value in excess of \$25.5 billion to wildfire victims through the settlements reached; and (vii) emerging from chapter 11 with a financing structure that seeks to protect customer rates and position PG&E for long term success.

On February 11, 2020, the Administrative Law Judge issued a ruling setting a schedule for, among other things, testimony and evidentiary hearings for the Plan OII (the "**Schedule**"). On February 18, 2020, the assigned Commissioner issued a ruling setting forth certain proposals ("**Proposals**") as potential conditions on CPUC approval under AB 1054 and proposing a modified schedule that provided for supplemental testimony and briefing on the Proposals. Evidentiary hearings and live testimony began on February 25, 2020 and concluded on March 4, 2020 pursuant to the Schedule. On February 26, 2020, the Administrative Law Judge amended the Schedule to provide for combined post-hearing briefing and comments on the Proposals on March 13, 2020 and replies on March 26, 2020, and noted that, if necessary, an evidentiary hearing on the Proposals would occur on March 18, 2020.

Other Relevant Pending Enforcement Proceedings. There are a number of pending enforcement proceedings that relate to prepetition conduct by the Debtors and could result in monetary fines, penalties or other remedies. The Debtors' financial condition, results of operations, liquidity, and cash flows could be materially affected by the outcomes of these proceedings. Accordingly, satisfactory resolution of these proceedings is a condition precedent to the effectiveness of the Plan, unless waived. These pending proceedings include:

- (i) **Wildfire OII.** Investigation (I.) 19-06-015, Order Instituting Investigation on the Commission's Own Motion into the Maintenance, Operations and Practices of Pacific Gas and Electric Company (U39E) with Respect to its Electric Facilities; and Order to Show Cause Why the Commission Should not Impose Penalties and/or Other Remedies for the Role PG&E's Electrical Facilities had in Igniting Fires in its Service Territory in 2017. On December 17, 2019, the Utility, the CPUC's Safety and Enforcement Division ("**SED**"), the Coalition of California Utility Employees ("**CUE**"), and the CPUC's Office of Safety Advocates filed a motion seeking approval of a settlement agreement that would, if approved by the CPUC, resolve the proceeding. Pursuant to the settlement, the Utility would not seek rate recovery of \$1.625 billion in wildfire related expenditures and would

spend \$50 million in shareholder funds on system enhancement initiatives. On February 27, 2020, the Administrative Law Judge served a Presiding Officer's Decision, which would approve the proposed settlement, subject to the settling parties' acceptance of certain modifications to the settlement. The modified settlement, if accepted by the settling parties, increases the financial obligations imposed by the proposed settlement agreement. The modified settlement would require the Utility to (i) not seek rate recovery of \$1.823 billion in wildfire-related expenditures, (ii) spend \$114 million in shareholder funds on system enhancement initiatives, (iii) pay a cash fine of \$200 million to the general fund of the State of California out of funds that would not otherwise be available to satisfy the claims of wildfire claimants, and (iv) agree that any future tax savings associated with shareholder payments under the settlement would be "returned to the benefit of ratepayers." The parties to the settlement may accept the modified settlement or request other relief on or before March 18, 2020. Parties have until March 30, 2020 to appeal the Presiding Officer's Decision. The CPUC believes that the payment of any fines or penalties, including the proposed cash fine contained in the modified settlement, should not diminish funds available to satisfy Fire Victim Claims from the Fire Victim Trust and has requested that the Plan be modified accordingly. The Plan Proponents disagree and believe that payment of any such fines and penalties are to be made from the assets of the Fire Victim Trust.

- (ii) **Locate and Mark OIL.** Investigation (I.) 18-12-007, Order Instituting Investigation and Order to Show Cause on the Commission's Own Motion into the Operations and Practices of Pacific Gas and Electric Company with Respect to Locate and Mark Practices and Related Matters. On October 3, 2019, the Utility, SED and CUE filed a motion for approval of a settlement agreement that would, if approved by the CPUC, resolve the proceeding. On January 17, 2020, the Administrative Law Judge served a Presiding Officer's Decision, which would approve the proposed settlement, subject to the settling parties' acceptance of certain modifications to the settlement. On February 6, 2020, the settling parties filed a pleading suggesting certain modifications to the terms set forth in the Presiding Officer's Decision, but also stating their willingness to accept the terms as set forth in the Presiding Officer's Decision in the event their suggestions are not accepted. On February 14, 2020, the Administrative Law Judge denied the settling parties' request to modify the terms of the Presiding Officer's Decision, and granted the settling parties' acceptance of the terms of the Presiding Officer's Decision as proposed. On February 20, 2020, the Presiding Officer's Decision became the decision of the CPUC.

D. Other Federal Regulatory Matters

Section 203 of the Federal Power Act ("FPA") has been interpreted to require, among other things, that entities involved in wholesale sales or transmission of electricity in interstate commerce obtain the authorization of the Federal Energy Regulatory Commission ("FERC") prior to engaging in

transactions that transfer control of FERC-jurisdictional facilities. Such changes in control can occur either directly, via a sale of the facilities themselves, or indirectly via a change in the corporate control of a utility like PG&E, or a utility holding company like PG&E Corp. Section 203 provides that FERC will approve transactions that are consistent with the public interest, and that FERC may grant approval of a transaction on conditions FERC finds necessary or appropriate.

Because the Plan calls for the Fire Victim Trust to acquire at least 20.9% of the equity of Reorganized PG&E Corp., FERC may consider the Plan to result in an indirect change in control over the FERC-jurisdictional facilities of the Utility. As a result, the Debtors may be required to seek and obtain authorization from FERC under Section 203 of the FPA before engaging in the transactions called-for by the Plan. On March 2, 2020, the Debtors submitted an application (the “**FERC Application**”) seeking such authorization and requested FERC action on its application in advance of the June 30, 2020 statutory deadline provided for in AB 1054. The deadline to comment on the FERC Application is March 23, 2020.

IV. BACKGROUND AND OVERVIEW OF THE PLAN³

This section summarizes certain key provisions of the Plan. This section is intentionally not a recitation of the entirety of the Plan, a copy of which is annexed hereto as **Exhibit A**. For additional information regarding the Plan not discussed in this section, please refer to the following select Plan provisions:

Topic	Plan Provision

Miscellaneous Provisions	<u>Article XII</u>

A. Plan Background

Over the past several months, the Debtors and their advisors have worked diligently with their key economic stakeholders, regulators, and other parties in interest on the terms of a comprehensive, global restructuring that will fairly and equitably address all Fire Victim Claims and other prepetition

³ **This overview is qualified in its entirety by reference to the Plan.** The treatment of Claims and Interests under the Plan is not intended to, and will not, waive, compromise, or limit any of the Debtors’ or creditors’ rights, claims, or causes of action if the Plan is not confirmed. You should read the Plan, attached hereto as **Exhibit A** in its entirety before voting to accept or reject the Plan.

claims and equity interests, maximize value for all parties in interest, and ensure that the Utility will be positioned to deliver safe and reliable service to its customers.

A central component of the Plan is approximately \$47.1 billion of capital to be provided through any combination of (i) new credit facilities, including exit revolving loan facilities, senior term loan facilities and/or bridge loan facilities; (ii) new debt securities issued by the Utility (the “**New Utility Notes**”); (iii) new debt securities issued by HoldCo (the “**New Holdco Notes**” and, together with the New Utility Notes, the “**New Debt Securities**”); (iv) issuance of new PG&E Corp. common stock (“**New HoldCo Common Stock**”) pursuant to one or more public or private equity offerings and/or the Rights Offering (if implemented); (v) the reinstatement of certain of the Utility’s prepetition debt in accordance with the existing terms of such prepetition debt; and (vi) the exchange of certain of the Utility’s prepetition debt for new debt (the capital sources described in the foregoing (i) through (vi), collectively, the “**Plan Financing Sources**”). The capital resulting from the Plan Financing Sources will allow the Debtors to consummate the Plan, and will position them as a stronger utility for years to come.

B. Classification and Treatment of Claims and Interests⁴

The following table provides a summary of the classification and treatment of Claims and Interests under the Plan and is qualified in its entirety by reference to the Plan.

Claims and Interests	Summary of Treatment
Impaired Claims Entitled to Vote

Pursuant to the Channeling Injunction, each holder of a Subrogation Wildfire Claim shall have its Claim permanently channeled to the Subrogation Wildfire Trust, and such Claim shall be asserted exclusively against the Subrogation Wildfire Trust in accordance with its terms, with no recourse to the Debtors, the Reorganized Debtors, or their respective assets and properties. ⁵ The Utility Senior Notes Trustee asserts that the Utility Impaired Senior Note Documents, the Utility Short-term Senior Note Documents and the Bankruptcy Code require the Utility to pay directly in full, the Utility Senior Notes Trustee's outstanding fees, costs, expenses, and indemnities, including attorneys' fees and financial advisors' fees. The Plan Proponents disagree with such assertions. In the event that such fees, costs, expenses and indemnities are satisfied from the applicable Charging Lien and not from a direct payment by the Utility, distributions to holders of the Utility Impaired Senior Note Claims and the Utility Short-term Senior Note Claims will be subject to reduction and dilution.

C. Treatment and Satisfaction of Fire Claims

As described more fully in Articles IV and VI of the Plan and as provided in the settlements embodied in the Tort Claimants RSA, Subrogation Claims RSA, and Public Entities Plan Support Agreements, to the extent you hold a Fire Claim, such Claim shall be satisfied as follows:

1. **Fire Victim Claims.**

All Fire Victim Claims that have been or could be asserted against the Debtors will be “channeled” to the Fire Victim Trust, a trust created under the Plan for the purpose of evaluating and paying all Fire Victim Claims. The effect of “channeling” the Fire Victim Claims to the Fire Victim Trust is that all Fire Victim Claims can only be pursued through and paid from the Fire Victim Trust and the Debtors and Reorganized Debtors will not have any liability for Fire Victim Claims. All determinations of Fire Victim Claims, including their eligibility to receive payment from the Fire Victim Trust and in what amount, shall be determined solely under the Fire Victim Claims Resolution Procedures and all such determinations shall be final with no recourse to any court.

A Fire Victim Claim is any Claim against the Debtors arising from the Fires listed on Exhibit A attached to the Plan. Fire Victim Claims do not include claims arising from (i) the Ghost Ship Fire (December 2, 2016), (ii) the Kincade Fire (started on October 23, 2019), or (iii) any fire that occurred after January 29, 2019.

The Fire Victim Trust will be overseen by a trustee (“**Fire Victim Trustee**”), and the Fire Victim Trustee and a claims administrator (“**Claims Administrator**”) will oversee the administration, resolution and allocation of claims. There will also be an oversight committee formed to consult with the Fire Victim Trustee and to exercise consent rights over certain of the Fire Victim Trust’s actions (the “**Fire Victim Trust Oversight Committee**”). The rights and responsibilities of the Fire Victim Trustee, the Claims Administrator, and the Fire Victim Trust Oversight Committee are set forth in the Fire Victim Trust Agreement. The Fire Victim Trust Agreement will be included in the Plan Supplement to be filed with the Bankruptcy Court by May 1, 2020.

The following information has been provided by the Tort Claimants Committee.

The Fire Victim Trustee, the Claims Administrator, and their staff will establish a distribution process that provides fair and expeditious compensation to Fire Victim Claimants.

Nearly 83,000 Fire Victim Claims have been filed in the Chapter 11 Cases. Over 95% of the proof of claim forms submitted by those Fire Victims specified the amount of the claim was “unknown”.

As a result, it is not currently possible to predict what any specific claimant will be paid or a percentage recovery on such Claim any specific claimant should expect out of the approximately \$13.5 billion in total consideration that will be transferred to the Fire Victim Trust under the Plan.

An intensive analysis is underway to determine which of these fire victim Claims are eligible for compensation. For example, over 4,000 claims identified loss addresses well outside the perimeter of any of the relevant fire zones.

In the upcoming months, the Fire Victim Trustee will develop budgets related to various categories of fire damages. That budgeting process may reveal that a small percentage of claimants may seek amounts large enough to impact the recovery of all remaining claimants in a capped fund. As a result, special consideration may be given to the treatment of those claims in the discretion of the Trustee and the Claims Administrator to ensure that all other claimants receive fair and expeditious compensation.

The Fire Victim Trustee and Claims Administrator will evaluate and determine the amount payable for each valid Fire Victim Claim through a variety of methods, including consideration of publicly available information, expert analysis, and material submitted by claimants. Stipulated judgments, settlements or similarly liquidated claims shall be paid as expeditiously as the budgeting process permits. Preliminary distributions may be made to enable claimants timely access to a portion of their payment, which will then be supplemented as additional claims are resolved.

Based on the preliminary budgeting and analysis performed to date, general estimates are being developed concerning potential recovery ranges for real and personal property losses based on the following sources of information:

- insurance claim file data reflecting payments made to claimants following the 2017 North Bay Fires and the 2018 Camp Fire;
- an analysis of publicly available data representing the cost of property values in the affected areas prior to the fires;
- published reconstruction and/or rebuilding costs in the affected counties; and
- detailed claims information concerning the 2015 Butte Fire.

Real property losses will be calculated, after setting off available insurance policy limits, using the diminished value of the property or calculated probable cost of rebuilding based upon publicly available data, contractor estimates, and documentary proof submitted by individual claimants.

These estimates may be adjusted depending on a variety of factors, including but not limited to:

- the total number of claims that the Fire Victim Trustee and his staff determines are valid;
- caps on damages in accordance with California law;
- the Trustee's analysis and adjustment of the reasonable and fair value of the claims; and
- the total amount of insurance paid and/or to be paid to each claimant.

Business and commercial losses are expected to be paid based upon data related to business income, business inventory and similar losses as specified in the Claims Resolution Procedures. Distributions for business losses will take into consideration amounts received or potentially recoverable from applicable insurance policies.

Distribution estimates for emotional distress, pain and suffering, bodily injury, nuisance, zone of danger evacuations, other non-economic damage claims, and wrongful death cannot be predicted

without an analysis of each individual claim and an understanding of the impact the fire had on that claimant in light of awards and payments made in prior similar cases.

If the Fire Victim Trustee issues a determination approving a Fire Victim Claim award as provided in the Fire Victim Claim Resolution Procedures, and that award is accepted by the claimant, the Fire Victim Trust will pay the approved Fire Victim Claim per the terms of the Plan and related documents. The Fire Victim Trustee may deny invalid, ineligible and fraudulent Fire Victim Claims. If a claimant does not agree with the Fire Victim Trustee's determination, the Fire Victim Trust and the Fire Victims Claims Resolution Procedures enable a claimant to appeal that decision to a panel of neutrals experienced in resolution of wildfire claims and related matters pursuant to the Fire Victim Trust Agreement.

The Fire Victim Trust will be funded with cash and stock of reorganized PG&E Corp. with an aggregate value of approximately \$13.5 billion. The Fire Victim Trust will hold and sell the stock, and nothing in the Plan or the Fire Victim Trust Agreement requires stock to be distributed to individual Fire Victims. The Fire Victim Trust will also be assigned certain rights and causes of action that the Fire Victim Trust will have the authority to pursue for the benefit of holders of Fire Victim Claims. More specifically, the following will be contributed to the Fire Victim Trust on the Effective Date of the Plan:

- (i) \$6.75 billion in cash, of which \$5.4 billion will be paid on the Plan Effective Date, \$650 million is expected to be paid by January 15, 2021, and \$700 million is expected to be paid by January 15, 2022;
- (ii) \$6.75 billion in common stock of Reorganized PG&E Corp. (using an equity value equal to 14.9 multiplied by the Normalized Estimated Net Income as of a date to be agreed upon among the parties to the Tort Claimants RSA), representing not less than 20.9% of the outstanding common stock of Reorganized PG&E Corp. as of the Effective Date;
- (iii) the assignment by the Debtors and Reorganized Debtors of the Assigned Rights and Causes of Action; and
- (iv) the assignment of rights under the 2015 Insurance Policies to resolve any claims related to Fires in those policy years, other than the rights of the Debtors to be reimbursed under the 2015 Insurance Policies for claims submitted to and paid by the Debtors prior to the Petition Date.

While the cash and stock contributed to the Fire Victim Trust have an aggregate nominal value of approximately \$13.5 billion, the market value of the New HoldCo Common Stock on the Effective Date could be greater or less than \$6.75 billion based on the trading value of New HoldCo Common Stock on such date or any subsequent date. In addition, the value of the Assigned Rights and Causes of Action that will be contributed to the Fire Victim Trust is currently unknown, but the Plan Proponents believe it is not material in the context of the aggregate consideration to be transferred to the Fire Victim Trust.

The aggregate amount of Fire Victim Claims that will ultimately be eligible for payment from the Fire Victim Trust is currently unknown. To the extent the Fire Victim Trust cannot pay all approved Fire Victim Claims in full, they will be paid in an equal percentage (that is, *pro rata*).

To the extent any Allowed Fire Victim Claim is covered by insurance, the insurance coverage amounts may be credited to the Fire Victim Trust in accordance with the Fire Victim Trust Agreement. Holders of Subrogation Wildfire Claims and their respective predecessors in interest (if any) are negotiating the scope of production of non-privileged information to the Fire Victim Trust relating to Fire Victim insurance claims at no cost to the Fire Victim Trust. In addition, to the extent a holder of an Allowed Fire Claim received or will receive a distribution from the Wildfire Assistance Program, such Fire Victim Claim will be reduced by the full amount of the distribution by the Wildfire Assistance Program as provided under the Plan and in accordance with the terms of the Fire Victim Trust Agreement.

Confirmation and implementation of the Plan presents certain benefits and risks to the holders of Fire Victim Claims, and those benefits and risks should be considered when deciding how to vote on the Plan. These risks include the risk factors set forth in item 1A of the Debtors' 2019 Form 10-K, and the risks described below.

Certain Significant Benefits of the Plan.

Timing: The Plan provides for compensation to holders of Fire Victim Claims with greater certainty and in a more expedited manner than may otherwise be available. The State of California's enactment of AB 1054 requires that the Plan be confirmed by June 30, 2020 for the Debtors to participate in the Go-Forward Wildfire Fund. There is no reason to believe that the California legislature will amend such legislation if that deadline is not met. As a result, if this Plan is not confirmed by June 30, 2020, distributions on account of Fire Victim Claims will be delayed and may be reduced. The delay may range from months and perhaps years. In addition to a delay in distributions, failure to meet this legislative deadline could provide significant risks for holders of Fire Victim Claims that may arise as a result of any wildfires during the 2020/2021 fire seasons.

Amount: The Plan provides for \$13.5 billion in nominal value to be distributed to the Fire Victim Trust. In the event that the Plan is not approved, it is not known how much would be set aside or available for Fire Victim Claims

Significant Claims Asserted Against the Fire Victim Trust. A number of governmental entities, including FEMA and Cal OES as described above, have filed claims against the Debtors for large or unliquidated amounts that, if Allowed, would be payable from the Fire Victim Trust (the "**Government Claims**"), including the Federal Agency Fire Claims and the State Agency Fire Claims. The asserted Government Claims are in the approximate total amount of \$7.7 billion. Similarly, certain businesses have filed claims against the Debtors for large or unliquidated amounts that, if Allowed, would be payable from the Fire Victim Trust (the "**Business Claims**"). For example, Adventist Health System/West and Feather River Hospital have filed claims seeking over \$1 billion.

As noted above, the Plan Proponents have reached tentative agreements in principle to settle the Federal Agency Fire Claims and the State Agency Fire Claims that are channeled to the Fire Victim Trust under the Plan, however, to the extent the agreements are not finalized, and the Government Claims and the Business Claims become Allowed Fire Victim Claims, the payments to other holders of Fire Victim Claims could be substantially reduced.

Potential Change in Value of Common Stock of Reorganized PG&E Corp. As set forth above, the Fire Victim Trust will be funded with approximately \$6.75 billion in common stock of Reorganized PG&E Corp. valued in accordance with the terms of the Tort Claimants RSA. The market

value of that common stock may fluctuate due to a variety of factors, including, but not limited to: (i) the risk of additional wildfires, (ii) general market and economic conditions and (iii) actual or anticipated changes in operating results. These factors could cause the market value of common stock in Reorganized PG&E Corp. to increase or decrease, and those changes in price could have a substantial effect (both positively or negatively) on the assets of the Fire Victim Trust. As set forth more fully in Section III.A above, the Plan contemplates the Debtors participating in the Go-Forward Wildfire Fund created pursuant to AB 1054, which may reduce Reorganized PG&E's liabilities for future wildfires occurring after July 12, 2019. While there are no limitations on the Fire Victim Trust selling its stock under the applicable corporate documents, the ability of the Fire Victim Trust to do so may be limited by applicable securities laws or contractual provisions, such as those that may be found in a registration rights agreement. If the Fire Victims Trust is considered an "affiliate" of Reorganized PG&E or the common stock is deemed to be "restricted" within the meaning of applicable securities laws, then sales of common stock by the Fire Victim Trust must be registered for resale under applicable securities or sold in accordance with certain time, volume and manner of sale limitations. Furthermore, the Fire Victim Trust may take steps to mitigate its exposure to fluctuations in the market price of Reorganized PG&E Corp. common stock. However, there is no assurance that the Fire Victim Trust will be able to enter into arrangements that fully protect the value of the common stock consideration it is to receive under the Plan.

Administrative Expense Claims and Non-Fire Claims. It is not possible to fully quantify the aggregate amount of Administrative Expenses payable by the Debtors, such as any claims arising from the Kincade Fire, Public Safety Power Shutoffs, as well as certain General Unsecured Claims and subordinated claims either related to securities fraud claims or otherwise. To the extent these claims are not paid or reserved for on the Effective Date, they could negatively affect the value of the Reorganized PG&E Corp. common stock held by the Fire Victim Trust, which could reduce the amount of Cash ultimately available to distribute to the holders of Fire Victim Claims.

Cash Payments after Effective Date. Under a Tax Benefits Payment Agreement⁷ contemplated by the Plan, the Reorganized Debtors have agreed to pay the Fire Victim Trust \$650 million on or about January 15, 2021 and another \$700 million on or about January 15, 2022, subject to acceleration in certain circumstances. These payments relate to certain tax benefits that the Reorganized Debtors would have otherwise received for net operating losses, deductions arising from the payment of Fire Victim Claims and otherwise. To the extent there is a shortfall, Reorganized PG&E has agreed to provide a letter of credit for any remaining amounts to be paid to the Fire Victim Trust on January 15, 2022. To the extent that the aggregate amount of these payments does not equal \$1.35 billion, Reorganized PG&E has agreed to a stipulated judgment for any difference. In the event there is a change in control of the Reorganized PG&E or the Reorganized Utility obtains financing of the tax benefits, the full \$1.35 billion will be due and payable to the Fire Victim Trust. While there are protections that have been negotiated for Reorganized PG&E's failure to make such payments, there is risk of non-payment either by way of future wildfires or general underlying credit risks.

2. Subrogation Wildfire Claims. On the Effective Date, the Subrogation Wildfire Trust will be established to administer, process, settle, resolve, liquidate, satisfy and pay all Subrogation Wildfire Claims, which Claims will be channeled to the trust. On the Effective Date, the Subrogation Wildfire Trust will be funded with \$11 billion in Cash, to be distributed to holders of Allowed Subrogation Wildfire Claims in accordance with the terms of the Plan, Confirmation Order, Subrogation

⁷ The Tax Benefits Payment Agreement has not yet been finalized.

Wildfire Trust Agreement and Subrogation Wildfire Claim Allocation Agreement.⁸ The Subrogation Trust Beneficiary Distribution Request Form will be attached as Exhibit C to the Subrogation Wildfire Trust Agreement, and sets forth the information holders of Subrogation Wildfire Claims will be asked to submit to the Subrogation Wildfire Trust for review. The Subrogation Claims Review Protocol will be attached as Exhibit D to the Subrogation Wildfire Trust Agreement, and will govern the Subrogation Wildfire Trust's claims review process. Electronic copies of the Subrogation Wildfire Trust Agreement and the exhibits thereto will be made available on the Solicitation Agent's website, <https://restructuring.primeclerk.com/pge/Home-Index>.

A Subrogation Wildfire Trustee and Subrogation Wildfire Trust Advisory Board will be appointed to administer and oversee the Subrogation Wildfire Trust. The Subrogation Wildfire Trust Advisory Board will consist of three (3) initial members selected by certain holders of the Subrogation Wildfire Claims in accordance with the Subrogation Wildfire Trust Agreement and the Subrogation Wildfire Claim Allocation Agreement. The rights and responsibilities of the Subrogation Wildfire Trustee and the Subrogation Wildfire Trust Advisory Board will be set forth in the Subrogation Wildfire Trust Agreement.

Pursuant to Sections 1.55 and 7.3 of the Plan, Subrogation Wildfire Claims shall be Disputed unless held by a claimant that is a party to both the Subrogation Claims RSA and the Subrogation Wildfire Claim Allocation Agreement, and no payment or distribution provided under the Plan shall be made on account of Disputed Subrogation Wildfire Claims unless and until they are Allowed by Final Order of the Bankruptcy Court or resolved in accordance with the Subrogation Wildfire Trust Agreement. Holders of approximately 96% of all Subrogation Wildfire Claims (in dollar amount) have signed both agreements, and may receive Plan distributions pursuant to the terms of the Subrogation Wildfire Trust Agreement and the Subrogation Wildfire Claims Allocation Agreement. Any holder of Subrogation Wildfire Claims that is not already a party, may become a party to the Subrogation Claims RSA by executing a joinder agreement substantially in the form attached to the Subrogation Claims RSA. Any holder of Subrogation Wildfire Claims that would like to review and sign the Subrogation Wildfire Claim Allocation Agreement should contact counsel to the Ad Hoc Subrogation Group for a non-disclosure agreement using the following contact information:

3. Public Entities Wildfire Claims. On the Effective Date, or as soon as reasonably practicable thereafter, but in no event later than thirty (30) days after the Effective Date, a trust account

⁸ On the Effective Date, the Reorganized Debtors will also pay the reasonable, documented, and contractual professional fees of certain professionals of the Ad Hoc Subrogation Committee up to an aggregate amount of \$55 million.

will be funded by the Reorganized Debtors with \$1.0 billion in Cash, to be distributed to the Public Entities in accordance with the Plan and the Public Entities Plan Support Agreements.

The Reorganized Debtors will also establish on the Effective Date the Public Entities Segregated Defense Fund for the benefit of the Public Entities in the amount of \$10 million, which funds will be used by the Reorganized Debtors solely to reimburse the Public Entities for any and all legal fees and costs associated with the defense or resolution of certain third party claims against a Public Entity, all in accordance with the Public Entities Plan Support Agreements. The segregated defense fund will be maintained by the Reorganized Debtors until the later of (i) the expiration of the applicable statute of limitations period for the applicable third party claims and (ii) the conclusion of all litigation, including appeals, involving the applicable third party claims.

The Public Entities Plan Support Agreements provide that each may be terminated by the applicable Public Entity under certain circumstances, including (i) if FEMA or Cal OES fails to agree that no reimbursement is required from the Public Entities on account of assistance rendered by either agency in connection with the Fires, and (ii) by any individual Public Entity, if a material amount of Public Entities Third Party Claims is filed against such Public Entity and such Public Entity and such Public Entities Third Party Claims are not released pursuant to the Plan.

D. Treatment and Satisfaction of All Other Prepetition Claims and Interests

As set forth in the above chart, all prepetition claims against the Debtors (other than Fire Victim Claims, Subrogation Wildfire Claims, the Public Entities Wildfire Claims, Utility Impaired Senior Note Claims, Utility Short Term Senior Note Claims, Utility Funded Debt Claims, and HoldCo Rescission or Damage Claims) are unimpaired under the Plan and, therefore, under section 1126(f) of the Bankruptcy Code, are deemed to accept and thus are not entitled to vote on the Plan.

Notwithstanding any provision of the Plan to the contrary, distributions to holders of Allowed Funded Debt Claims and Allowed Utility Senior Note Claims shall be made to or at the direction of the applicable Funded Debt Trustee, which shall, to the extent directed by the applicable Funded Debt Trustee, act as Disbursing Agent for distributions to the respective Holders of Allowed Funded Debt Claims and Allowed Utility Senior Note Claims under the applicable Funded Debt Documents. The Funded Debt Trustees, as applicable, may transfer such distributions or direct the transfer of such distributions by the Debtors or through the facilities of DTC (whether by means of book-entry exchange, free delivery, or otherwise) and will be entitled to recognize and deal for all purposes under the Plan with holders of Allowed Funded Debt Claims or Allowed Utility Senior Note Claims to the extent consistent with the customary practices of DTC or the customary practices for administrative agents under syndicated credit facilities (as applicable). Distributions in respect of Allowed Funded Debt Claims and Allowed Utility Senior Notes Claims shall be subject in all respects to the right of the applicable Funded Debt Trustee to assert its Charging Lien, if any, against such distributions. All distributions to be made to holders of Allowed Utility Senior Note Claims shall be eligible to be distributed through the facilities of DTC and as provided for under the applicable Funded Debt Documents.

Pursuant to the Plan, all such claims that are to be paid in full in Cash on the Effective Date shall also receive postpetition interest from the Petition Date to the Effective Date. Such postpetition interest shall be at the Federal Judgment Rate in accordance with the memorandum decision of the Bankruptcy Court, dated December 30, 2019 [Docket No. 5226].

Also, as set forth in the above chart, holders of common stock of PG&E Corp. shall retain their shares, subject to dilution from common stock to be issued under the Plan, including such common stock to be issued to the Fire Victim Trust as described above.

E. Equity Financing⁹

In order to finance the transactions contemplated by the Plan, the Debtors expect to raise \$9 billion through one or more issuances of new PG&E Corp. common stock. The equity issuances could include one or more of the following structures: public or private offerings in the equity capital markets (a “**Market Offering**”), a rights offering to holders of PG&E Corp.’s common stock (a “**Rights Offering**”) or drawing under the Equity Backstop Commitment Letters between PG&E Corp. and the investors party thereto (the “**Backstop Parties**”). Although the amounts, terms and conditions of a Market Offering or Rights Offering have not been determined, the Equity Backstop Commitment Letters outline the circumstances under which the Debtors will be permitted to undertake these offerings and, in the case of the Rights Offering, outline certain terms and conditions that must be included as part of the Rights Offering.

- **Market Offering:** PG&E Corp. may undertake a Market Offering if the per share price at which shares of common stock are offered in the Market Offering corresponds to an implied price to earnings ratio of at least 13.5 times (subject to adjustment). The implied price to earnings ratio would be measured based on PG&E Corp.’s estimated net income for 2021 and the expected fully diluted number of shares of PG&E Corp. common stock that will be outstanding as of the Effective Date.
- **Rights Offering:** PG&E Corp. may undertake a Rights Offering to holders of PG&E Corp.’s common stock if the subscription price of the rights issued in the Rights Offering corresponds to an implied price to earnings ratio of 12.0 times (subject to adjustment) based on Normalized Estimated Net Income as provided in the Equity Backstop Commitment Letters. In a Rights Offering, PG&E Corp. would distribute rights to holders of PG&E Corp. common stock ratably based on the number of shares of common stock they hold. The rights would be freely transferable and would include oversubscription privileges, meaning that holders that exercise their rights may request to subscribe for any shares of common stock that were not subscribed for by other holders of rights. The rights would also contain such terms and conditions as are reasonably advisable to avoid an “ownership change” within the meaning of Section 382 of the Internal Revenue Code.
- **Backstop Draw:** To the extent that PG&E Corp. does not raise the necessary equity capital through a Market Offering or Rights Offering, PG&E Corp. expects to draw on the commitments under the Equity Backstop Commitment Letters, which provide for up to \$12 billion of proceeds from the sale of shares to the Backstop Parties. The Backstop Parties would purchase shares under the Equity Backstop Commitment Letters at a price that corresponds to an implied price to earnings ratio of 10.0 times (subject to adjustment) based on Normalized Estimated Net Income as provided in the Equity Backstop Commitment Letters (the “**Backstop Price**”). In order to draw on the commitments

⁹ The following is a summary of the equity financing contemplated by the Plan and is qualified in its entirety by reference to the terms of the applicable operative documents.

under the Equity Backstop Commitment Letters, certain terms and conditions must be satisfied, including that the Bankruptcy Court approve the Equity Backstop Commitment Letters, and the Backstop Parties have the right to terminate the Equity Backstop Commitment Letters under certain circumstances. As of the date of this Disclosure Statement, the Equity Backstop Commitment Letters have not been approved by the Bankruptcy Court. In addition, the amount of the commitments under the Equity Backstop Commitment Letters is subject to adjustment in the event that the Debtors obtain capital from certain alternative capital sources.

It is important to note that any equity issuance on the Effective Date will be dilutive to existing shareholders, with a Market Offering being the least dilutive and a drawing under the Equity Backstop Commitment Letters being the most dilutive. In addition, PG&E Corp. will owe a premium to the Backstop Parties (the “**Equity Commitment Premium**”), generally payable in shares of common stock of Reorganized PG&E Corp., equal to 119 million shares in the aggregate.¹⁰ In the event the market value of those 119 million shares would be less than \$764 million based on trading prices for the 20 business days immediately following the Effective Date, the Backstop Parties will receive additional shares so that they receive at least \$764 million of aggregate value, up to an aggregate cap of approximately 139 million shares. The value of the Equity Commitment Premium on the Effective Date will depend on the market value of PG&E Corp.’s common stock and the total number of shares of common stock issued on the Effective Date pursuant to the Debtors’ Plan. However, assuming that the Debtors implement the capital structure described herein by drawing on the equity backstop commitments and based on the Debtors’ forecasted net income, the value of the Equity Commitment Premium would be approximately \$1.2 billion at the currently estimated Backstop Price. The value of the Equity Commitment Premium could exceed this amount in the event that PG&E Corp. successfully consummates a marketed equity offering or rights offering in lieu of drawing on the equity backstop commitments or if the Debtors implement a more leveraged capital structure. Payment of the Equity Commitment Premium on the Effective Date will also be dilutive to existing shareholders.

If PG&E Corp. determines to undertake a public Market Offering or Rights Offering, it will announce the terms of any offering at a later date through one or more disclosure documents that comply with applicable law, including the Securities Act. In the case of a Rights Offering, all PG&E Corp. shareholders as of a record date to be determined by the PG&E Corp. Board of Directors will have the opportunity to participate.

Termination of the Equity Backstop Commitment Letters could prevent the Debtors from consummating the Plan. There can be no assurance that the conditions precedent set forth in the Equity Backstop Commitment Letters will be satisfied or waived or that events or circumstances will not occur that would permit the Backstop Parties to terminate the Equity Backstop Commitment Letters. Under certain conditions in connection with the termination of the Equity Backstop Commitment Letters, as more fully described therein, the Backstop Parties may be eligible to be paid all or a portion of the Equity Commitment Premium. Further, under certain conditions, including in the event that a plan of

¹⁰ The Equity Commitment Premium is generally payable in stock; however, in the following limited circumstances each Backstop Party may elect to be paid in stock or cash: (i) PG&E Corp. exercises its fiduciary out to terminate the Equity Backstop Commitment Letters in order to enter into a transaction for the sale of the company or (ii) a plan of reorganization other than the Debtors’ Plan is confirmed. If paid in cash, the Equity Commitment Premium would be approximately \$764 million (6.364% of the full \$12 billion commitment).

reorganization for the Debtors that is not the Plan is confirmed by the Bankruptcy Court, the Backstop Parties may be eligible to be paid the Equity Commitment Premium in cash. For a detailed description of the Equity Backstop Commitment Letters and the Equity Commitment Premium thereunder, see the Exit Financing Motion.

F. Debt Financing¹¹

In addition to the equity financing, the Plan contemplates incurrence of \$4.75 billion of new PG&E Corp. debt (the “**New HoldCo Debt**”) and \$33.35 billion of Utility debt (the “**New Utility Debt**”). The \$33.35 billion of Utility debt is expected to consist of (a) \$9.575 billion of reinstated prepetition senior notes, (b) \$11.85 billion of new senior notes to be issued to holders of prepetition senior note claims, (c) \$5.925 billion of new senior notes or credit facilities to be issued in the market for cash (the “**New Senior Utility Debt**”) and (d) \$6.0 billion of new short-term debt expected to be refinanced after the Effective Date. The New Senior Utility Debt will be used to, among other things, satisfy in full prepetition high-coupon Utility bonds and other prepetition obligations, and to fund the payment in full, in cash, of the Debtors obligations under the DIP Facilities. Pursuant to the terms of the Debt Backstop Commitment Letters, in the event the New HoldCo Debt or the New Senior Utility Debt is not issued on or prior to the Effective Date, certain money-center banks will fund investment grade 364-day “bridge” loan facilities (the “**Backstop Debt Facilities**”) in aggregate amounts of up to \$5.0 billion for PG&E Corp. and \$5.825 billion for the Utility. In addition, the Debtors have executed fee letters (as amended, the “**Backstop Debt Fee Letters**”), which provide for, among other things, the payment of certain fees associated with the Backstop Debt Facilities, and engagement letters (the “**Debt Financing Engagement Letters**”), which engage the same banks to arrange (*i.e.*, market) the New Debt.

The Debtors do not currently anticipate drawing on the Backstop Debt Facilities, but instead expect to issue new long-term bonds and incur new credit facilities on market terms to fund their emergence. Nevertheless, the Backstop Debt Facilities provide assurance that sufficient funds at an acceptable price will be available if the New HoldCo Debt or the New Senior Utility Debt financings cannot be consummated, which is necessitated here by the requirement to obtain confirmation of the Plan on a specific timeline under AB 1054.

As with the Equity Backstop Commitment Letters, termination of the Debt Backstop Commitment Letters could prevent the Debtors from consummating the Plan and there can be no assurance that the conditions precedent set forth in the Debt Backstop Commitment Letters will be satisfied or waived or that events or circumstances will not occur that would permit the parties thereto to terminate the Debt Backstop Commitment Letters. Under certain conditions in connection with the termination of the Debt Backstop Commitment Letters, as more fully described therein, the parties thereto may be eligible to be paid all or a portion of the fees due under the Backstop Debt Fee Letters, in a maximum aggregate amount of approximately \$75 million. For a detailed description of the Debt Backstop Commitment Letters, the Backstop Debt Fee Letters and the commitment fees thereunder, see the Exit Financing Motion.

¹¹ The following is a summary of the debt financing contemplated by the Plan and is qualified in its entirety by reference to the terms of the applicable operative documents.

G. Injunction, Exculpation, Release, and Related Provisions

The Plan generally provides that subject to the occurrence of the Effective Date, upon confirmation of the Plan, the provisions of the Plan shall bind every holder of a Claim against or Interest in the Debtors and such holders' respective successors and assigns.

Below is a summary of important provisions in the Plan that may affect your rights as a holder of a Claim against or Interest in the Debtors. Please do not rely solely on this summary to understand how your rights may be impacted, but refer also to the specific provisions of the Plan cross-referenced below and carefully read the relevant Plan provisions in their entirety.

The United States Trustee and the Creditors Committee believe the releases and exculpations provided for in the Plan are too broad. Additionally, PERA asserts that Article 10.6 of the Plan is overly broad. The Plan Proponents disagree with these assertions.

1. Releases and Exculpation.

(a) *Releases by the Debtors of Certain Parties.* As set forth in more detail in Section 10.9(a) of the Plan, and, except for the rights that remain in effect from and after the Effective Date to enforce the Plan and the Plan Documents, and except for the Assigned Rights and Causes of Action that will be contributed to the Fire Victim Trust, the Released Parties¹² are deemed forever released and discharged by the Debtors, to the maximum extent permitted by law and unless barred by law, from any and all claims, interests, Causes of Action, and other liabilities asserted or assertable on behalf of the Debtors, the Reorganized Debtors, or the Debtors' estates based on or relating to the Debtors, the Fires, the Chapter 11 Cases (including, among other things, related settlement agreements, transactions, business or contractual arrangements), and the subject matter of, or transactions or events giving rise to, any Claim or Interest that is treated in the Plan.

(b) *Consensual Releases by Holders of Claims and Interests of the Debtors and Certain Parties.* As set forth in more detail in Sections 10.9(b) and (c) of the Plan, and except for the Assigned Rights and Causes of Action that will be contributed to the Fire Victim Trust, certain Releasing Parties,¹³ including any holder of a Claim or Interest that is solicited and voluntarily

¹² The "Released Parties" are defined in the Plan as: (i) the Debtors and Reorganized Debtors; (ii) the Tort Claimants Committee; (iii) the DIP Facility Agents; (iv) the DIP Facility Lenders; (v) the Exit Financing Agents; (vi) the Exit Financing Lenders; (vii) the Backstop Parties; (viii) the Public Entities Releasing Parties; (ix) the Consenting Creditors (solely in their capacity as holders of Subrogation Wildfire Claims); (x) the Shareholder Proponents; (xi) the Consenting Noteholders; (xii) the Funded Debt Trustees; and (xiii) with respect to each of the foregoing entities (i) through (xii), such entities' predecessors, successors, assigns, subsidiaries, affiliates, managed accounts and funds, current and former officers and directors, principals, equity holders, members, partners, managers, employees, subcontractors, agents, advisory board members, restructuring advisors, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors (and employees thereof), and other professionals, and such entities' respective heirs, executors, estates, servants, and nominees, in each case in their capacity as such.

¹³ The "Releasing Parties" are defined in the Plan as: (i) the Debtors; (ii) the Reorganized Debtors, (iii) any holder of a Claim or Interest that is solicited and voluntarily indicates on a duly completed Ballot

indicates on a Ballot that such holder opts into granting the releases set forth in Section 10.9(b) of the Plan, forever release and discharge the Debtors and other non-debtor Released Parties from any and all claims, interests, Causes of Action and other liabilities based on or related to, or in any manner arising from, in whole or in part, among other things, the Debtors, the Fires, the Chapter 11 Cases (including, among other things, related settlement agreements, transactions, business or contractual arrangements), and the subject matter of, or transactions or events giving rise to, any Claim or Interest that is treated in the Plan.

Any holder of a Claim or Interest who does not indicate on their Ballot that they opt into granting such releases shall not be a Releasing Party. Additionally, such holder's decision to opt-in or not to the releases shall not in any way affect the classification or treatment of such Claim or Interest. The holder of a Claim or Interest shall receive the same amount of consideration under the Plan whether or not such holder elects to release a party that is not a Debtor in accordance with the opt-in release procedures set forth in the applicable Ballot.

The holders of Environmental Claims, Workers' Compensation Claims and 2001 Utility Exchange Claims retain the right to assert such Claims against the Reorganized Debtors in accordance with the terms of the Plan. Furthermore, nothing in the Plan shall be deemed to impose a release by holders of Fire Victim Claims of insurance claims arising under their insurance policies against holders of Subrogation Wildfire Claims, other than any rights such holder may elect to release as part of any settlement as set forth in Section 4.25(f)(ii) of the Plan, which addresses the "Made-Whole Releases" described further below.

(c) *Made-Whole Releases.* As described in Section 4.25(f)(ii) of the Plan, except with respect to any settlement or other agreement regarding the Fire Victim Claims asserted by Adventist Health System/West and Feather River Hospital d/b/a Adventist Health Feather River, any settlement or other agreement with any holder or holders of a Fire Victim Claim that fixes the amount or terms for satisfaction of such Claim, including by the Fire Victim Trust, shall contain as a condition to such settlement or other agreement that the holder or holders of such Claim contemporaneously execute and deliver a release and waiver of any potential made-whole

submitted on or before the Voting Deadline that such holder opts into granting the releases set forth in Section 10.9(b) of the Plan to the extent permitted by applicable law, provided that for the avoidance of doubt any such a holder who does not indicate on their Ballot that they opt into granting such releases shall not be a Releasing Party, provided further that such holder's decision to opt-in or not to the releases shall not in any way affect the classification or treatment of such Claim or Interest; (iv) the DIP Facility Agents; (v) the DIP Facility Lenders; (vi) the Exit Financing Agents; (vii) the Exit Financing Lenders; (viii) the Funded Debt Trustees; (ix) the HoldCo Revolver Lenders; (x) the HoldCo Term Loan Lenders; (xi) the Utility Revolver Lenders; (xii) the Utility Term Loan Lenders; (xiii) the holders of Utility Senior Notes Claims; (xiv) the Public Entities Releasing Parties; (xv) the Statutory Committees; (xvi) the Backstop Parties; (xvii) the Consenting Creditors; (xviii) the Consenting Noteholders; and (xix) with respect to each of the foregoing entities (i) through (xviii), such entities' predecessors, successors, assigns, subsidiaries, affiliates, managed accounts and funds, current and former officers and directors, principals, equity holders, members, partners, managers, employees, subcontractors, agents, advisory board members, restructuring advisors, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors (and employees thereof), and other professionals, and such entities' respective heirs, executors, estates, servants, and nominees, in each case in their capacity as such.

claims against present and former holders of Subrogation Wildfire Claims, which release shall be substantially in the form attached to the Plan as Exhibit C thereto.

(d) *Notice to Holders of Fire Victim Claims Regarding the Release of Made-Whole Claims Against Their Insurers.* The Plan provides, and the Debtors, Shareholder Proponents and members of the Ad Hoc Subrogation Group take the position that a release of made-whole claims will be required as a condition to settling Fire Victim Claims against the Fire Victim Trust. Section 4.25(f)(ii) of the Plan provides as follows: “4.25(f) . . . the Confirmation Order shall contain the following findings and order: . . . (ii) . . . any settlement or other agreement with any holder or holders of a Fire Victim Claim that fixes the amount or terms for satisfaction of such Claim . . . **shall contain as a condition to such settlement or other agreement that the holder or holders of such Claim contemporaneously execute and deliver a release and waiver of any potential made-whole claims against present and former holders of Subrogation Wildfire Claims**, which release shall be substantially in the form attached [to the Plan] as Exhibit C.” The Mutual Made Whole Release attached to the Plan provides as follows: “Whereas, nothing in this Release is an affirmation, representation, or an acknowledgment that the Claimant has in fact been fully compensated for their damages covered by the contract of insurance between the Insurer and the Claimant. The parties agree that Court’s approval of the Plan and the Claimants’ acceptance of the Total Allocation Award does not establish that the Claimant has been fully compensated under California law for their compensable damages as a result of the fire to the extent those damages are covered by insurance.”

Accordingly, when voting on the Plan, holders of Fire Victim Claims should **not rely** on the draft of the Fire Victim Trust Agreement with respect to this issue, which was filed with the Bankruptcy Court subject to further revision on March 3, 2020 [Docket No. 6049]. The Debtors, Shareholder Proponents, Ad Hoc Subrogation Group, Tort Claimants Committee, and Consenting Fire Claimant Professional Group intend to work together to make sure the final version of the Fire Victim Trust Agreement is consistent with the Plan. If any inconsistency remains, the Ad Hoc Subrogation Group may object to confirmation of the Plan on that basis at the appropriate time.

(e) *Exculpation.* As set forth in more detail in Section 10.8 of the Plan, and except for the Assigned Rights and Causes of Action that will be contributed to the Fire Victim Trust, Exculpated Parties¹⁴ are, to the maximum extent permitted by applicable law, released and exculpated from, any Claim, Interest, obligation, suit, judgment, damage, demand, debt, right, Cause of Action, loss, remedy, or liability for any claim (including, but not limited to, any claim

¹⁴ The “Exculpated Parties” are defined in the Plan as: (i) the Debtors and Reorganized Debtors; (ii) the DIP Facility Agents; (iii) the DIP Facility Lenders; (iv) the Exit Financing Agents; (v) the Exit Financing Lenders; (vi) the Funded Debt Trustees; (vii) the HoldCo Revolver Lenders; (viii) the HoldCo Term Loan Lenders; (ix) the Utility Revolver Lenders; (x) the Utility Term Loan Lenders; (xi) the Public Entities Releasing Parties; (xii) the Statutory Committees; (xiii) the Backstop Parties; (xiv) the Consenting Creditors; (xv) the Shareholder Proponents; (xvi) the Consenting Noteholders; and (xvii) with respect to each of the foregoing entities (i) through (xvi), such entities’ predecessors, successors, assigns, subsidiaries, affiliates, managed accounts and funds, current and former officers and directors, principals, equity holders, members, partners, managers, employees, subcontractors, agents, advisory board members, restructuring advisors, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors (and employees thereof), and other professionals, and such entities’ respective heirs, executors, estates, servants, and nominees, in each case in their capacity as such.

for breach of any fiduciary duty or any similar duty) in connection with or arising out of the administration of the Chapter 11 Cases, including, but not limited to, those arising in connection with or arising out of the Public Entities Plan Support Agreements, the Backstop Commitment Letters, the Subrogation Claims RSA, the Tort Claimants RSA, the Noteholder RSA, the Exit Financing Documents, the Plan Funding, the DIP Facilities, this Disclosure Statement, the Plan, the Restructuring Transactions, the Wildfire Trusts (including the Plan Documents, the Claims Resolution Procedures and the Wildfire Trust Agreements), or any agreement, transaction, or document related to any of the foregoing, or the solicitation of votes for, or confirmation of, the Plan; the funding or administration of the Plan; and the distribution of property under the Plan, or other actions taken in furtherance of the Plan. The exculpation does not cover Claims related to any act or omission that is determined in a Final Order by a court of competent jurisdiction to have constituted actual fraud or willful misconduct.

2. Injunctions

(a) *General Injunction.* As set forth in Section 10.6 of the Plan and restated herein, except as otherwise provided in the Plan or in the Confirmation Order, as of the entry of the Confirmation Order but subject to the occurrence of the Effective Date, all Persons who have held, hold, or may hold Claims or Interests are, with respect to any such Claim or Interest, permanently enjoined after the entry of the Confirmation Order from: (i) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action, or other proceeding of any kind (including, any proceeding in a judicial, arbitral, administrative, or other forum) against or affecting, directly or indirectly, a Debtor, a Reorganized Debtor, or an estate or the property of any of the foregoing, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Persons mentioned in this subsection (i) or any property of any such transferee or successor; (ii) enforcing, levying, attaching (including any prejudgment attachment), collecting, or otherwise recovering in any manner or by any means, whether directly or indirectly, any judgment, award, decree, or order against a Debtor, a Reorganized Debtor, or an estate or its property, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Persons mentioned in this subsection (ii) or any property of any such transferee or successor; (iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against a Debtor, a Reorganized Debtor, or an estate or any of its property, or any direct or indirect transferee of any property of, or successor in interest to, any of the foregoing Persons mentioned in this subsection (iii) or any property of any such transferee or successor; (iv) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan to the full extent permitted by applicable law; and (v) commencing or continuing, in any manner or in any place, any action that does not comply with or is inconsistent with the provisions of the Plan; provided, that nothing contained herein shall preclude such Persons who have held, hold, or may hold Claims against a Debtor or an estate from exercising their rights, or obtaining benefits, pursuant to and consistent with the terms of the Plan, the Confirmation Order, or any other agreement or instrument entered into or effectuated in connection with the consummation of the Plan.

By accepting distributions pursuant to the Plan, each holder of an Allowed Claim will be deemed to have affirmatively and specifically consented to be bound by the Plan, including, the injunctions set forth in Section 10.6 of the Plan.

(b) *Channeling Injunction Applicable to Fire Victim Claims and Subrogation Wildfire Claims.* Upon the Effective Date of the Plan, all Fire Victim Claims shall be channeled to the Fire Victim Trust and all Subrogation Wildfire Claims shall be channeled to the Subrogation Wildfire Trust. The sole source of recovery for holders of Fire Victim Claims and Subrogation Wildfire Claims shall be from the Fire Victim Trust and the Subrogation Wildfire Trust, as applicable. The holders of such Claims shall have no recourse to or Claims whatsoever against the Debtors, the Reorganized Debtors or their assets and properties. Consistent with the foregoing, all Persons that have held or asserted, or that hold or assert any Subrogation Wildfire Claim or Fire Victim Claim shall be permanently and forever stayed, restrained, and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering, or receiving payments, satisfaction, or recovery from any Reorganized Debtor or its assets and properties with respect to any Fire Claims, including all of the following actions:

(i) commencing, conducting, or continuing, in any manner, whether directly or indirectly, any suit, action, or other proceeding of any kind in any forum with respect to any such Fire Claim, against or affecting any Reorganized Debtor, or any property or interests in property of any Reorganized Debtor with respect to any such Fire Claim;

(ii) enforcing, levying, attaching, collecting or otherwise recovering, by any manner or means, or in any manner, either directly or indirectly, any judgment, award, decree or other order against any Reorganized Debtor or against the property of any Reorganized Debtor with respect to any such Fire Claim;

(iii) creating, perfecting, or enforcing in any manner, whether directly or indirectly, any Lien of any kind against any Reorganized Debtor or the property of any Reorganized Debtor with respect to any such Fire Claims;

(iv) asserting or accomplishing any setoff, right of subrogation, indemnity, contribution, or recoupment of any kind, whether directly or indirectly, against any obligation due to any Reorganized Debtor or against the property of any Reorganized Debtor with respect to any such Fire Claim; and

(v) taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan Documents, with respect to any such Fire Claim.

See Section 10.7 of the Plan.

3. Release and Discharge of Debtors

Upon the Effective Date and in consideration of the distributions to be made hereunder, except as otherwise expressly provided herein, each holder (as well as any representatives, trustees, or agents on behalf of each holder) of a Claim or Interest and any affiliate of such holder shall be deemed to have forever waived, released, and discharged the Debtors, to the fullest extent permitted by section 1141 of the Bankruptcy Code, of and from any and all Claims, Interests, rights, and liabilities that arose prior to the Effective Date. The discharge, however, shall not extend to any Claims for fires occurring after the Petition Date, including the Kincade fire which shall remain a liability of the Debtors following the Effective Date. In addition, (i) from and after the Effective Date neither the automatic stay nor any other injunction entered by the Bankruptcy

Court shall restrain the enforcement or defense of any claims for fires occurring after the Petition Date, including the Kincadee fire or the Lafayette fire in any court that would otherwise have jurisdiction if the Chapter 11 Cases had not been filed and (ii) no claims for fires or motion for allowance of claims for fires occurring after the Petition Date need to be filed in the Chapter 11 Cases. Upon the Effective Date, all such Persons shall be forever precluded and enjoined, pursuant to section 524 of the Bankruptcy Code, from prosecuting or asserting any such discharged Claim against or Interest in the Debtors.

H. Certain Preference Actions

No Person or Entity (each as defined under the Bankruptcy Code) who received payments as a result of damages caused by wildfires shall be sued for receiving a “Preference” as that term is defined in the Bankruptcy Code.

V. VOTING PROCEDURES AND REQUIREMENTS

A. Holders of Claims and Interests Entitled to Vote

Under the provisions of the Bankruptcy Code, not all parties in interest are entitled to vote on a chapter 11 plan. Creditors or interest holders whose claims or interests are not impaired by a plan are deemed to accept the plan under section 1126(f) of the Bankruptcy Code and are thus not entitled to vote. Creditors or interest holders whose claims or interests are impaired by a plan, but who receive no distribution under the plan, are also not entitled to vote because they are deemed to have rejected the plan under section 1126(g) of the Bankruptcy Code. Under the Plan, there are no classes of Claims or Interests that will receive no distribution.

Pursuant to the Plan, the Debtors have, in the aggregate, thirty-four (34) separate Classes of Claims against and Interests in PG&E Corp. and the Utility. Of those Classes, eleven (11) Classes are Impaired and are entitled to vote to accept or reject the Plan (collectively, the “**Voting Classes**”). The Voting Classes are listed below:

Class 5A-I	HoldCo Public Entities Wildfire Claims	Impaired
Class 5A-II	HoldCo Subrogation Wildfire Claims	Impaired
Class 5A-III	HoldCo Fire Victim Claims	Impaired
Class 10A-I	HoldCo Common Interests	Impaired
Class 10A-II	HoldCo Rescission or Damage Claims	Impaired
Class 3B-I	Utility Impaired Senior Note Claims	Impaired
Class 3B-III	Utility Short-Term Senior Note Claims	Impaired
Class 3B-IV	Utility Funded Debt Claims	Impaired
Class 5B-I	Utility Public Entities Wildfire Claims	Impaired
Class 5B-II	Utility Subrogation Wildfire Claims	Impaired
Class 5B-III	Utility Fire Victim Claims	Impaired

The remaining twenty-three (23) Classes are Unimpaired, are presumed to accept the Plan, and are, thus, not entitled to vote to accept or reject the Plan (the “**Non-Voting Classes**”). For a complete summary of the Voting Classes and Non-Voting Classes, see Articles III and IV of the Plan.

B. Voting Deadline

All holders of Claims or Interests, as applicable, that are entitled to vote on the Plan, have been sent a Ballot together with this Disclosure Statement. Such holders should read the Ballot carefully and follow the instructions contained therein. Please use only the Ballot that accompanies this Disclosure Statement to cast your vote.

The Debtors have engaged Prime Clerk LLC as their solicitation agent (the “**Solicitation Agent**”) to assist in the transmission of voting materials and in the tabulation of votes with respect to the Plan. **FOR YOUR VOTE TO BE COUNTED, YOUR VOTE MUST BE RECEIVED BY THE SOLICITATION AGENT AT THE ADDRESS SET FORTH BELOW ON OR BEFORE THE VOTING DEADLINE OF 4:00 P.M. (PREVAILING PACIFIC TIME) ON MAY 15, 2020, UNLESS EXTENDED BY THE DEBTORS OR FURTHER ORDER OF THE BANKRUPTCY COURT.**

C. Voting Procedures

By order dated, March 17, 2020 [Docket No. 6340] (the “**Disclosure Statement and Solicitation Procedures Order**”), the Bankruptcy Court, *inter alia*, (i) approved this Disclosure Statement, (ii) approved certain Plan solicitation and voting procedures, and (iii) approved the forms of Ballots, Solicitation Packages, and related notices to be sent to the Debtors’ creditors and equity interest holders in connection with confirmation of the Plan.

1. **How to Vote**

The Debtors are providing copies of this Disclosure Statement (including all exhibits and appendices) and related materials and one or more Ballots (collectively, a “**Solicitation Package**”) to all holders of Claims or Interests, as applicable, that are entitled to vote on the Plan. All such holders should complete the enclosed Ballot and return it to the Solicitation Agent or Master Ballot Agent, as set forth in the Ballot so that it is received by the Solicitation Agent before the Voting Deadline.

2. **Withdrawal of Ballots**

Any voter that has delivered a valid Ballot may withdraw its vote, subject to Bankruptcy Rule 3018, by delivering a written notice of withdrawal to the Solicitation Agent before the Voting Deadline, which notice of withdrawal, to be valid, must be (i) signed by the party who signed the Ballot to be revoked and (ii) received by the Solicitation Agent before the Voting Deadline. The Plan Proponents may contest the validity of any withdrawals.

Any voter that has delivered a valid Ballot may not change its vote, except in accordance with the Disclosure Statement and Solicitation Procedures Order and Bankruptcy Rule 3018. In the case where more than one timely, properly completed Ballot voting the same Claim(s) or Interest(s) is received by the Solicitation Agent, only the Ballot that bears the latest date shall be counted unless the holder of the Claim or Interest receives Bankruptcy Court approval to have the Ballot that bears an earlier date counted; *provided, however*, if a holder of Claim(s) or Interest(s) submits both a paper Ballot and an electronic Ballot (an “**E-Ballot**”) on account of the same Claim(s) or Interest(s), the E-Ballot shall supersede the paper Ballot, unless the holder receives Bankruptcy Court approval otherwise.

3. Inquiries

If you have any questions about the packet of materials you have received, please contact the Solicitation Agent, at (844) 339-4217 (domestic toll-free) or +1 (929) 333-8977 (international) or via email at pgeinfo@primeclerk.com.

VI. CONDITIONS PRECEDENT TO CONFIRMATION OF THE PLAN AND EFFECTIVE DATE

There are certain conditions precedent to confirmation of the Plan and the Effective Date, which may be waived or modified, pursuant to Section 9.4 of the Plan, only by the Plan Proponents with the consent of the Backstop Parties holding a majority of the Aggregate Backstop Commitment Amount (such consent not to be unreasonably withheld, conditioned or delayed) and, in certain instances, the Requisite Consenting Creditors and the Requisite Consenting Fire Claimant Professionals (as such term is defined in the Tort Claimants RSA), without notice, leave, or order of the Bankruptcy Court or any formal action other than proceedings to confirm or consummate the Plan. For more information on the conditions precedent to confirmation of the Plan, the conditions precedent to the Effective Date, and the waiver or modification of such conditions, please see Sections 9.1, 9.2, and 9.4 of the Plan, respectively.

VII. CONFIRMATION OF THE PLAN

The Bankruptcy Court will confirm the Plan only if all of the requirements of section 1129 of the Bankruptcy Code are met. Among the requirements for confirmation are that the Plan (i) is accepted by all impaired classes of Claims and Interests entitled to vote for or against the Plan or, if rejected by an impaired class, that the Plan "does not discriminate unfairly" and is "fair and equitable" as to such class; (ii) is in the "best interests" of the holders of Claims and Interests impaired under the Plan; and (iii) is feasible.

A. Acceptance of the Plan

Under the Bankruptcy Code, acceptance of a chapter 11 plan by a class of claims occurs when holders of at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the allowed claims of that class that cast ballots for acceptance or rejection of the chapter 11 plan vote to accept the plan. Under the Bankruptcy Code, acceptance of a chapter 11 plan by a class of interests occurs when holders of at least two-thirds (2/3) in amount of allowed interests of that class that cast ballots for acceptance or rejection of the chapter 11 plan vote to accept the plan. A vote may be disregarded if the Bankruptcy Court determines, after notice and a hearing, that such acceptance or

1 rejection was not solicited or procured in good faith or in accordance with the provisions of the
2 Bankruptcy Code.

3 If any impaired Class of Claims or Interests does not accept the Plan, the Bankruptcy Court may
4 still confirm the Plan at the request of the Plan Proponents if, as to each impaired Class of Claims or
5 Interests that has not accepted the Plan (or is deemed to reject the Plan), the Plan “does not discriminate
6 unfairly” and is “fair and equitable” under the so-called “cram down” provisions set forth in section
7 1129(b) of the Bankruptcy Code.

8 The “unfair discrimination” test applies to classes of claims or interests that are of equal priority
9 and are receiving different treatment under the Plan. A chapter 11 plan does not discriminate unfairly,
10 within the meaning of the Bankruptcy Code, if the legal rights of a dissenting class are treated in a
11 manner consistent with the treatment of other classes whose legal rights are substantially similar to those
12 of the dissenting class and if no class of claims or interests receives more than it legally is entitled to
13 receive for its claims or interests. The test does not require that the treatment be the same or equivalent,
14 but that such treatment be “fair.”

15 The “fair and equitable” test applies to classes of different priority and status (*e.g.*, secured versus
16 unsecured; claims versus interests) and includes the general requirement that no class of claims receive
17 more than 100% of the allowed amount of the claims in such class and that the “absolute priority rule”
18 is satisfied (*i.e.*, unless a class of claims of a senior priority are satisfied in full, no junior class can
19 receive or retain any property under the Plan). As to any rejecting class, the test sets different standards
20 that must be satisfied in order for the Plan to be confirmed, depending on the type of Claims or Interests
21 in such Class. The following sets forth the “fair and equitable” test that must be satisfied if a Class
22 rejects the Plan:

- 23 • **Rejecting Class of Unsecured Creditors.** Either (i) each holder of an impaired unsecured
24 Claim in the Class receives or retains under the Plan, property of a value, as of the Effective
25 Date, equal to the amount of its Allowed Claim, or (ii) the holders of Claims and Interests
26 that are junior to the Claims of the rejecting Class will not receive or retain any property
27 under the Plan.
- 28 • **Rejecting Class of Interests.** Either (i) each Interest holder will receive or retain under
the Plan property of a value equal to the greater of (a) the fixed liquidation preference or
redemption price, if any, of such Interest and (b) the value of the Interest, or (ii) the holders
of Interests that are junior to the Interests of the rejecting Class will not receive or retain
any property under the Plan.

29 The Debtors believe the Plan satisfies the “fair and equitable” requirement with respect to any
30 potential rejecting Class. The agencies of the United States of America and the State of California
31 disagree.

32 **IF ALL OTHER CONFIRMATION REQUIREMENTS ARE SATISFIED AT THE
33 CONFIRMATION HEARING, THE PLAN PROPONENTS WILL ASK THE BANKRUPTCY
34 COURT TO RULE THAT THE PLAN MAY BE CONFIRMED ON THE GROUND THAT THE
35 SECTION 1129(b) REQUIREMENTS HAVE BEEN SATISFIED.**

1 **B. Best Interest Test**

2 The Bankruptcy Code requires that each holder of an impaired Claim or Interest either (i) accept
3 the Plan or (ii) receive or retain under the Plan property of a value, as of the Effective Date, that is not
4 less than the value such holder would receive if the Debtors were liquidated under chapter 7 of the
5 Bankruptcy Code. This requirement is customarily referred to as the “best interest” test.

6 The first step in determining whether the Plan satisfies the best interest test is to determine the
7 dollar amount that would be generated from a hypothetical liquidation of the Debtors’ assets and
8 properties in the context of a chapter 7 liquidation case. The gross amount of Cash that would be
9 available for satisfaction of Claims and Interests would be the sum consisting of the proceeds resulting
10 from the disposition of the assets and properties of the Debtors, augmented by the unencumbered Cash
11 held by the Debtors at the time of the commencement of the liquidation case.

12 The next step is to reduce that gross amount by the costs and expenses of liquidation, the
13 proceeds received from the disposition of encumbered assets that would be distributed to the holders of
14 the liens on such assets, and by the payment of such additional administrative expenses and priority
15 claims arising from the use of chapter 7 for the purposes of liquidation. Any remaining Cash would be
16 allocated to unsecured creditors and interest holders in strict priority in accordance with section 726 of
17 the Bankruptcy Code.

18 The Debtors’ costs of liquidation under chapter 7 would include the fees payable to a trustee in
19 bankruptcy as well as those fees that might be payable to attorneys and other professionals that the
20 trustee might engage. Other liquidation costs include the expenses incurred during the Chapter 11 Cases
21 allowed in the chapter 7 cases, such as compensation for attorneys, financial advisors, appraisers,
22 accountants, and other professionals for the Debtors and Statutory Committees appointed in the Chapter
23 11 Cases, and costs and expenses of members of such committees, as well as other compensation Claims.
24 Furthermore, additional Claims would arise by reason of the breach or rejection of obligations incurred
25 and leases and executory contracts assumed or entered into by the Debtors during the pendency of the
26 Chapter 11 Cases. The foregoing types of Claims, costs, expenses, fees, and such other Claims that may
27 arise in a liquidation case would be paid in full from the liquidation proceeds before the balance of those
28 proceeds would be made available to pay prepetition priority and unsecured Claims, or available for
distribution to the holders of Interests.

29 A chapter 7 liquidation would likely result (i) in the incurrence of increased costs and expenses
30 arising from fees payable to a trustee in bankruptcy and professional advisors to such trustee, (ii) in an
31 erosion of asset values in the context of a forced sale or takeover, and (iii) in the substantial increase in
32 Claims that would have to be satisfied on a priority basis or on parity with creditors in the Chapter 11
33 Cases. The Debtors believe the liquidation process in chapter 7 would result in a failure to meet the
34 June 30, 2020 emergence deadline associated with AB 1054, which could significantly impact potential
35 values recoverable in a liquidation. Further, the Governor’s office could intervene in a liquidation
36 scenario and develop a plan for takeover by the State of California or certain Northern California
37 Counties, which likely would depress the value realized on the Debtors’ assets.

38 The process of liquidating the Debtors’ businesses in chapter 7 would also be subject to review
39 by numerous regulatory agencies, including the CPUC, the FERC, the Nuclear Regulatory Commission
40 and the U.S. Department of Justice, which could delay the process of receiving any significant proceeds
41 for two years or more. In the event litigation were necessary to resolve Claims asserted in the chapter 7
42 case, the delay could be further prolonged and would likely involve further costs.

With these factors in mind, the Debtors believe that the value, if any, distributable to each Class under the Plan, would be equal to, or, more likely, less than, the value of distributions under the Plan, and such distributions in a chapter 7 case would not occur for a substantial period of time, thus lowering the expected value as of the potential chapter 7 conversion date.

Under the Plan, all funded debt and general unsecured creditors are to be paid in full, with postpetition interest, their Claims will be reinstated or they will receive new notes. In addition, all Fire Victim Claims will be channeled to and satisfied by the Fire Victim Trust in compliance with AB 1054. Lastly, holders of Interests will retain their shares, subject to dilution. Under these circumstances, and where it is patently obvious that a liquidation under chapter 7 could not produce greater value, without even taking into account the substantial delay involved in distributing any proceeds, the Debtors believe that the best interest test clearly is satisfied and that a formal liquidation analysis presentation is not necessary or useful.

C. Feasibility

Section 1129(a)(11) of the Bankruptcy Code provides that a chapter 11 plan may be confirmed only if the Bankruptcy Court finds that such plan is “feasible.” A feasible plan is one which will not likely lead to a need for further reorganization or liquidation of a debtor.

As set forth in the financial projections attached hereto as **Exhibit B**, the Debtors believe that the Plan meets the feasibility requirement set forth in section 1129(a)(11) of the Bankruptcy Code, as confirmation is not likely to be followed by liquidation or the need for further financial reorganization of the Reorganized Debtors or any successor under the Plan.

D. Alternatives to the Plan

The Plan has the support of the Debtors, the Shareholder Proponents, the Ad Hoc Subrogation Group, the Public Entities, and the Ad Hoc Noteholders Committee. Such parties have determined that the Plan is the best path forward for a successful and timely conclusion to the Chapter 11 Cases. There are, however, potential alternatives to the Plan, that include (i) continuation of the Chapter 11 Cases, which could lead to the filing of one or more alternative plans of reorganization, whether by the Debtors or other parties in interest, or a sale of some or all of the Debtors’ assets pursuant to section 363 of the Bankruptcy Code, and (ii) liquidation of the Debtors’ assets under chapter 7 of the Bankruptcy Code.

1. Continuation of the Chapter 11 Cases

If the Plan is not confirmed, the Debtors (or, if the Debtors’ exclusive period in which to file a plan of reorganization has expired or is terminated with regard to any other party in interest, such other party in interest) could attempt to formulate a different plan. Such a plan might involve either a reorganization and continuation of the Debtors’ business, a sale, or an orderly liquidation of their assets.

Alternatively, if the Plan is not confirmed, the Debtors could seek from the Bankruptcy Court, after notice and a hearing, authorization to sell outside of a chapter 11 plan all of their assets under section 363 of the Bankruptcy Code. Holders of any secured claims would be entitled to credit bid on any property to which their security interest attaches to the extent of the value of such security interest, and to offset their claims against the purchase price of the property. In addition, the security interests in the Debtors’ assets held by holders of secured claims would attach to the proceeds of any sale of the Debtors’ assets to the extent of their secured interests therein. Upon analysis and consideration of this

alternative, the Debtors do not believe a sale of their assets under section 363 of the Bankruptcy Code would yield a higher recovery for stakeholders than what they would receive under the Plan.

2. Liquidation under Chapter 7 of the Bankruptcy Code

If no plan can be confirmed, the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code in which a trustee would be elected or appointed to liquidate the assets of the Debtors for distribution to their creditors in accordance with the priorities established by the Bankruptcy Code. A chapter 7 trustee, who could lack the depth of knowledge of the Debtors' businesses and the complex regulatory environment in which the Debtors operate, would be required to invest substantial time and resources to become familiar with the Chapter 11 Cases and investigate the facts underlying the multitude of claims filed against the Debtors' estates.

As discussed above in Section VII.B, and as will be demonstrated in connection with confirmation of the Plan, the Debtors believe that liquidation under chapter 7 could not produce greater value to stakeholders than those provided for in the Plan because of, among other things, the limited market for the Debtors' assets as a result of the complex governmental regulations the Debtors are subject to, the delay resulting from the conversion of the Chapter 11 Cases to cases under chapter 7 and the sale of the Debtors' assets in a heavily regulated industry, the additional administrative expenses associated with the appointment of a chapter 7 trustee, including associated professionals' fees, and the loss in value attributable to a liquidation of the Debtors' assets as required by chapter 7.

E. Notices and Confirmation Hearing

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court, after appropriate notice, to hold the Confirmation Hearing. The Confirmation Hearing is scheduled for May 27, 2020 at 10:00 a.m. (Prevailing Pacific Time), or as soon thereafter as counsel may be heard, before the Honorable Dennis Montali, United States Bankruptcy Judge, in Courtroom 17 of the United States Bankruptcy Court for the Northern District of California, 16th Floor, 450 Golden Gate Avenue, San Francisco, California 94102. The Confirmation Hearing may be adjourned from time to time by the Debtors or the Bankruptcy Court without further notice except for an announcement of the adjourned date made at the Confirmation Hearing or any subsequent adjourned confirmation hearing.

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to confirmation of a plan. Any objection to confirmation of the Plan must (i) be in writing; (ii) state the name and address of the objecting party and the amount and nature of the Claim or Interest of such party; (iii) state with particularity the basis and nature of any objection or response; (iv) conform to the Bankruptcy Rules, the Bankruptcy Local Rules, the *Order Establishing Procedures for Disclosure Statement and Confirmation Hearing* (N.D. Cal. May 2017) (Montali, J.), and the *Amended Order Establishing Schedule for Disclosure Statement Approval and Plan Confirmation* [Docket No. 5732]; and (v) be served on the following parties so as to be **ACTUALLY RECEIVED** no later than **May 15, 2020, at 4:00 p.m. (Prevailing Pacific Time)**:

Objections to confirmation of the Plan are governed by Bankruptcy Rule 9014. UNLESS AN OBJECTION TO CONFIRMATION IS TIMELY SERVED AND FILED, IT WILL NOT BE CONSIDERED BY THE BANKRUPTCY COURT.

VIII. FACTORS TO CONSIDER BEFORE VOTING

Prior to voting to accept or reject the Plan, holders of Claims and Interests should read and carefully consider the risk factors set forth below, in addition to the other information set forth in this Disclosure Statement, together with any attachments, exhibits, or documents incorporated by reference. The factors below should not be regarded as the only risks associated with the Plan. Documents filed by the Debtors with the SEC contain important risk factors in addition to those discussed below which also should be reviewed and considered in voting on the Plan. Copies of any document filed with the SEC may be obtained by visiting the SEC website at <http://www.sec.gov> or by visiting <http://investor.pgecorp.com/financials/sec-filings/default.aspx>.

A. Business Risk Factors to Be Considered

PG&E Corp.'s and the Utility's financial results can be affected by many factors, including, but not limited to, estimates and assumptions used in the Debtors' financial projections, future wildfires, legislative and regulatory developments, industry changes and technological developments, and environmental factors. For a detailed description these business risk factors, please refer to the 2019 Form 10-K and other reports filed with the SEC, available at <http://www.sec.gov> or by visiting <http://investor.pgecorp.com/financials/sec-filings/default.aspx>.

B. General Risks Associated with the Bankruptcy Process

1. Non-Confirmation of the Plan

Although the Plan Proponents believe that the Plan will satisfy all requirements necessary for confirmation by the Bankruptcy Court in accordance with the Bankruptcy Code, there can be no assurance that the Bankruptcy Court will reach the same conclusion. Moreover, there can be no

1 assurance that modifications to the Plan will not be required for confirmation or that such modifications
2 will not necessitate the re-solicitation of votes.

3 If the Plan is not confirmed, the Debtors believe that such action or inaction, as the case may be,
4 will cause the Debtors to incur substantial expenses and otherwise serve only to unnecessarily prolong
5 these chapter 11 cases and negatively affect recoveries for holders of claims and interests. Any delay in
6 confirmation beyond June 30, 2020 will also impair (and may preclude) the Debtors' ability to
7 participate in the Go-Forward Wildfire Fund.

8 **2. Non-Consensual Plan Confirmation**

9 As discussed above, if any impaired class entitled to vote does not accept the Plan, the
10 Bankruptcy Court may nevertheless confirm the Plan at the request of the Plan Proponents if at least one
11 impaired class has accepted the Plan (such acceptance being determined without including the vote of
12 any "insider" in such Class) and, as to each impaired class that has not accepted the Plan, if the
13 Bankruptcy Court determines that the Plan "does not discriminate unfairly" and is "fair and equitable"
14 with respect to the dissenting impaired classes.

15 **3. Materially Different Financial Projections**

16 In connection with confirmation of the Plan, the Debtors, with the assistance of their advisors,
17 prepared financial projections for the Reorganized Debtors, attached hereto as **Exhibit B**, based on
18 certain assumptions. The projections have not been compiled, audited, or examined by independent
19 accountants, and the Debtors and their advisors do not make any representations or warranties regarding
20 the accuracy of the projections or the ability to achieve forecasted results.

21 Many of the assumptions underlying the projections are subject to significant uncertainties that
22 are beyond the control of the Debtors or Reorganized Debtors including the timing, confirmation, and
23 consummation of a plan, inflation, and other unanticipated market and economic conditions. Some
24 assumptions may not materialize, and unanticipated events and circumstances may materially affect the
25 actual financial results. Projections are inherently subject to substantial and numerous uncertainties and
26 to a wide variety of significant business, regulatory, economic, and competitive risks, and the
27 assumptions underlying the projections may be inaccurate in material respects. In addition,
28 unanticipated events and circumstances occurring after the approval of this Disclosure Statement by the
Bankruptcy Court, including any natural disasters, terrorist attacks, or health epidemics, may materially
affect the actual financial results achieved. Accordingly, the projections and actual results may
materially differ.

29 **C. General Risks Associated with the State Legislative and Regulatory Process**

30 As discussed above, the Debtors' business is subject to applicable federal, state and local law
31 and the regulatory jurisdiction of various agencies at the federal, state, and local levels. For a detailed
32 description of risk factors associated with such regulations, please refer to the Form 10-K and other
33 reports filed with the SEC, available at <http://www.sec.gov> or by visiting
34 <http://investor.pgecorp.com/financials/sec-filings/default.aspx>.

1. Impact of AB 1054 and Required CPUC Review

For the Utility to be eligible to participate in the Go-Forward Wildfire Fund established by AB 1054, the CPUC must determine that the plan of reorganization resolving the Chapter 11 Cases, including the Utility's resulting governance structure, is acceptable in light of the Utility's safety history, criminal probation, recent financial condition, and other factors deemed relevant by the CPUC. Although the CPUC's review of the Plan is underway and the CPUC has expressed its expectation to complete that review sufficiently in advance of June 30, 2020, there is risk that (i) the CPUC's review will not be completed in time to meet the June 30, 2020 plan confirmation deadline established by AB 1054, (ii) the CPUC may request revisions to the Plan that would require resolicitation of votes, or (iii) the CPUC finds that the Plan does not satisfy the requirements of AB 1054.

2. Other Legislative and Regulatory Developments

The Reorganized Debtors will be subject to extensive regulations and the risk of enforcement proceedings in connection with such regulations. The Reorganized Debtors' financial condition, results of operations, liquidity, and cash flows could be materially affected by the outcomes of the CPUC's future investigative enforcement proceedings, other known or future enforcement matters, and other ongoing state and federal investigations and requests for information. The Reorganized Debtors could incur material costs and fines in connection with compliance with penalties from closed investigations or enforcement actions or in connection with future investigations, citations, audits, or enforcement actions.

The Utility is currently, and may in the future be, the subject of state and federal investigations, including investigations in connection with wildfires. In addition, the Reorganized Utility may in the future also be the subject of a number of investigations relating to other matters. If these investigations result in enforcement action against or settlements with the Utility or the Reorganized Utility, the Utility or Reorganized Utility could incur or agree to pay additional fines or penalties the amount of which could be substantial and suffer further ongoing negative consequences. Furthermore, a negative outcome in any of these investigations, or future enforcement actions, could negatively affect the outcome of future ratemaking and regulatory proceedings to which the Utility or Reorganized Utility may be subject; for example, by enabling parties to challenge the Utility's or Reorganized Utility's request to recover costs that the parties allege are somehow related to the Utility's or Reorganized Utility's violations.

The Reorganized Debtors could be subject to additional regulatory or governmental enforcement action in the future with respect to compliance with federal, state or local laws, regulations or orders that could result in additional fines, penalties or customer refunds, including those regarding renewable energy and resource adequacy requirements; customer billing; customer service; affiliate transactions; vegetation management; design, construction, operating and maintenance practices; safety and inspection practices; compliance with CPUC general orders or other applicable CPUC decisions or regulations; federal electric reliability standards; and environmental compliance. CPUC staff could also impose penalties on the Reorganized Utility in the future in accordance with its authority under the gas and electric safety citation programs. The amount of such fines, penalties, or customer refunds could have a material effect on the Reorganized Debtors' financial condition, results of operations, liquidity, and cash flows.

1 **D. Certain Securities Laws Matters**

2 The securities described in this Disclosure Statement will be issued (i) pursuant to an effective
3 registration statement under the Securities Act or (ii) pursuant to an applicable exemption under the
4 federal securities laws and any applicable state securities laws, including section 1145 of the Bankruptcy
5 Code or Section 4(a)(2) of the Securities Act.

6 Section 1145(a) of the Bankruptcy Code generally exempts the issuance of securities from the
7 registration requirements of the Securities Act and any applicable state securities laws if the following
8 conditions are satisfied: (i) the securities must be offered and sold under a plan of reorganization and
9 must be securities of the debtor, of an affiliate participating in a joint plan with the debtor or of a
10 successor to the debtor under the plan; (ii) the recipients of the securities must hold prepetition or
11 administrative expense claims against or interests in the debtor or such affiliate; and (iii) the securities
12 must be issued entirely in exchange for the recipient's claim against or interest in the debtor or such
13 affiliate, or principally in exchange for such claim or interest and partly for cash or property. The
14 exemptions of section 1145(a) do not apply to an entity that is deemed an "underwriter" as such term is
15 defined in section 1145(b) of the Bankruptcy Code.

16 Any securities issued pursuant to section 1145 ("**1145 Securities**") may be freely transferred by
17 most recipients after issuance under the Plan, and all resales and subsequent transfers are exempt from
18 registration under the Securities Act and state securities laws, unless the holder is an "underwriter" with
19 respect to such securities. Resales of 1145 Securities by entities deemed to be "underwriters" are not
20 exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other
21 applicable law. Under certain circumstances, holders of 1145 Securities who are deemed to be
22 "underwriters" may be entitled to resell such securities pursuant to the limited safe harbor resale
23 provisions of Rule 144 of the Securities Act.

24 All securities issued pursuant to the exemption from registration set forth in section 4(a)(2) of
25 the Securities Act will be considered "restricted securities." Securities held by an affiliate of the issuer
26 are "control securities." Restricted securities and control securities may not be transferred except
27 pursuant to an effective registration statement under the Securities Act or an available exemption
28 therefrom. Rule 144 provides an exemption for the public resale of "restricted securities" if certain
conditions are met. These conditions vary depending on whether the holder of the securities is an
affiliate of the issuer.

29 **THE DEBTORS MAKE NO REPRESENTATIONS CONCERNING THE RIGHT OF**

1 compromised, settled or otherwise resolved or Allowed pursuant to a Final Order (including
2 any omnibus or procedural Final Order relating to the compromise, settlement, resolution, or
3 allowance of any Claims) or under the Plan; or (f) any Claim or Interest arising on or before
4 the Effective Date as to which no objection to allowance has been interposed within the time
5 period set forth in the Plan; *provided*, that notwithstanding the foregoing, unless expressly
6 waived by the Plan, the Allowed amount of Claims or Interests shall be subject to, and shall
7 not exceed the limitations or maximum amounts permitted by, the Bankruptcy Code, including
8 sections 502 or 503 of the Bankruptcy Code, to the extent applicable. The Reorganized
9 Debtors shall retain all Claims and defenses with respect to Allowed Claims that are Reinstated
10 or otherwise Unimpaired under the Plan.

1 their successors or assigns one year from the later of (a) the Effective Date and (b) the date that is ten
2 (10) Business Days after the date a Claim is first Allowed, and all claims of any other Entity (including
3 the holder of a Claim in the same Class) to such distribution shall be discharged and forever barred.
4 The Reorganized Debtors and the Disbursing Agent shall have no obligation to attempt to locate any
holder of an Allowed Claim other than by reviewing the Debtors' books and records and filings with
the Bankruptcy Court.

5 **5.9 Satisfaction of Claims.** Unless otherwise provided herein, any distributions
6 and deliveries to be made on account of Allowed Claims under this Plan shall be in complete and final
satisfaction, settlement, and discharge of and exchange for such Allowed Claims.

7 **5.10 Fractional Stock.** No fractional shares or Interests of New HoldCo Common
8 Stock shall be distributed. If any distributions of New HoldCo Common Stock pursuant to the Plan
9 or the Plan Documents would result in the issuance of a fractional share or Interest of New HoldCo
10 Common Stock, then the number of shares or Interests of New HoldCo Common Stock to be issued
11 in respect of such distribution shall be calculated to one decimal place and rounded up or down to the
12 closest whole share or Interest (with a half share or Interest or greater rounded up and less than a half
13 share or Interest rounded down). The total number of shares or Interests of New HoldCo Common
14 Stock, as applicable, to be distributed in connection with the Plan shall be adjusted as necessary to
15 account for the rounding provided for in this Section 5.10. No consideration shall be provided in lieu
of fractional shares or Interests that are rounded down. Neither the Reorganized Debtors nor the
Disbursing Agent shall have any obligation to make a distribution that is less than (1) share or Interest
of New HoldCo Common Stock. Any New HoldCo Common Stock that is not distributed in
accordance with this Section 5.10 shall be returned to, and ownership thereof shall vest in, Reorganized
HoldCo.

16 **5.11 Manner of Payment under Plan.** Except as specifically provided herein, at
17 the option of the Debtors or the Reorganized Debtors, as applicable, any Cash payment to be made
18 under this Plan may be made by check, ACH, wire transfer, or any other method agreed between the
Debtors or Reorganized Debtors and the holder of the Claim.

19 **5.12 No Distribution in Excess of Amount of Allowed Claim.** Notwithstanding
20 anything to the contrary in this Plan, no holder of an Allowed Claim shall receive, on account of such
21 Allowed Claim, distributions in excess of the Allowed amount of such Claim, except to the extent that
payment of postpetition interest on such Claim is specifically provided for by the Plan, the
Confirmation Order, or another order of the Bankruptcy Court or required by the Bankruptcy Code.

22 **5.13 Setoffs and Recoupments.** Each Debtor or Reorganized Debtor, as applicable,
23 or such Entity's successor or designee, may, pursuant to section 553 of the Bankruptcy Code or
24 applicable nonbankruptcy law, offset or recoup against any Allowed Claim and the distributions to be
25 made pursuant to this Plan on account of such Allowed Claim any and all Claims, rights, and Causes
26 of Action that such Debtor or Reorganized Debtor or its successors may hold against the holder of
27 such Allowed Claim; *provided*, that neither the failure to effect a setoff or recoupment nor the
28 allowance of any Claim hereunder will constitute a waiver or release by a Debtor or Reorganized
Debtor or its successor of any Claims, rights, or Causes of Action that any such entity or its successor
or designee may possess against such holder.

1 **5.14 Rights and Powers of Disbursing Agent.**

2 (a) The Disbursing Agent shall be empowered to: (i) effect all actions and execute
3 all agreements, instruments, and other documents necessary to perform its duties under this Plan;
4 (ii) make all applicable distributions or payments provided for under this Plan; (iii) employ
5 professionals to represent it with respect to its responsibilities; and (iv) exercise such other powers
6 (A) as may be vested in the Disbursing Agent by order of the Bankruptcy Court (including any order
7 issued after the Effective Date) or pursuant to this Plan or (B) as deemed by the Disbursing Agent to
8 be necessary and proper to implement the provisions of this Plan.

9 (b) To the extent the Disbursing Agent is an Entity other than a Debtor or
10 Reorganized Debtor, except as otherwise ordered by the Bankruptcy Court, the amount of any
11 reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date
12 (including taxes) and any reasonable compensation and expense reimbursement Claims (including for
13 reasonable attorneys' and other professional fees and expenses) made by the Disbursing Agent shall
14 be paid in Cash by the Reorganized Debtors.

15 **5.15 Withholding and Reporting Requirements.**

16 (a) In connection with this Plan and all distributions made hereunder, the
17 Reorganized Debtors and the Disbursing Agent shall comply with all applicable withholding and
18 reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all
19 distributions under this Plan shall be subject to any such withholding or reporting requirements. In
20 the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold
21 an appropriate portion of such distributed property and sell such withheld property to generate Cash
22 necessary to pay over the withholding tax. Any amounts withheld pursuant to the preceding sentence
23 shall be deemed to have been distributed to and received by the applicable recipient for all purposes
24 of this Plan.

25 (b) Notwithstanding the above, each holder of an Allowed Claim that is to receive
26 a distribution under this Plan shall have the sole and exclusive responsibility for the satisfaction and
27 payment of any tax obligations imposed on such holder by any federal, state, local, or foreign taxing
28 authority, including income, withholding, and other tax obligations, on account of such distribution.
The Reorganized Debtors and the Disbursing Agent have the right, but not the obligation, to not make
a distribution until such holder has made arrangements satisfactory to any issuing or disbursing party
for payment of any such tax obligations.

 (c) The Reorganized Debtors and the Disbursing Agent may require, as a condition
to receipt of a distribution, that the holder of an Allowed Claim provide any information necessary to
allow the distributing party to comply with any such withholding and reporting requirements imposed
by any federal, state, local, or foreign taxing authority. If the Reorganized Debtors or the Disbursing
Agent make such a request and the holder fails to comply before the date that is 180 days after the
request is made, the amount of such distribution shall irrevocably revert to the applicable Reorganized
Debtor and any Claim in respect of such distribution shall be discharged and forever barred from
assertion against such Reorganized Debtor or its respective property.

1 **5.16 Credit for Distributions under Wildfire Assistance Program.** If a holder of
2 an Allowed Fire Claim has received or will receive any distribution from the Wildfire Assistance
3 Program, such distribution shall be credited against any distribution to be made on account of such
4 holder's Fire Claim under this Plan and in accordance with the terms of the Wildfire Trust Agreements.

5 **ARTICLE VI.**

6 **MEANS FOR IMPLEMENTATION AND EXECUTION OF THE PLAN**

7 **6.1 General Settlement of Claims and Interests.** The Plan shall be deemed a
8 motion to approve a good-faith compromise and settlement pursuant to which the Debtors and the
9 holders of Claims against and/or Interests in the Debtors settle all Claims, Interests, and Causes of
10 Action pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in
11 consideration for the classification, distributions, releases, and other benefits provided under the Plan,
12 on the Effective Date, the provisions of the Plan shall constitute a good faith compromise and
13 settlement of all Claims and Interests and controversies resolved pursuant to the Plan. The
14 Confirmation Order shall constitute the Court's approval of the compromise, settlement, and release
15 of all such Claims, Interests, and Causes of Action, as well as a finding by the Bankruptcy Court that
16 all such compromises, settlements, and releases are mutual and bi-directional and are in the best
17 interests of the Debtors, their estates, and the holders of Claims, Interests, and Causes of Action, and
18 is fair, equitable, and reasonable. Except as otherwise provided in the Wildfire Trust Agreements and
19 the Claims Resolution Procedures, in accordance with the provisions of the Plan, pursuant to section
20 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, without any further notice to or action, order,
21 or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors, may
22 compromise and settle all Claims and Causes of Action against, and Interests in, the Debtors and their
23 estates. The compromises, settlements, and releases described herein shall be deemed nonseverable
24 from each other and from all other terms of the Plan.

25 **6.2 Restructuring Transactions; Effectuating Documents.**

26 (a) Following the Confirmation Date or as soon as reasonably practicable
27 thereafter, the Debtors or the Reorganized Debtors, as applicable, may take all actions as may be
28 necessary or appropriate to effectuate any transaction described in, approved by, contemplated by, or
necessary to effectuate the Plan or to obtain any of the Plan Funding (collectively, the "**Restructuring
Transactions**"), including (i) the execution and delivery of appropriate agreements or other
documents of merger, amalgamation, consolidation, restructuring, conversion, disposition, transfer,
arrangement, continuance, dissolution, sale, purchase, or liquidation containing terms that are
consistent with the terms of the Plan, (ii) the execution and delivery of appropriate instruments of
transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or
obligation on terms consistent with the terms of the Plan, (iii) the filing of appropriate certificates or
articles of incorporation, reincorporation, merger, consolidation, conversion, amalgamation,
arrangement, continuance, or dissolution pursuant to applicable state or federal law, (iv) the execution
and delivery of the Plan Documents, (v) the issuance of securities, all of which shall be authorized and
approved in all respects in each case without further action being required under applicable law,
regulation, order, or rule (except such filings, approvals and authorizations as may be required,

1 necessary or desirable for offerings of securities not exempt from the Securities Act pursuant to section
2 1145 of the Bankruptcy Code), (vi) such other transactions that are necessary or appropriate to
3 implement the Plan in the most tax efficient manner, (vii) the cancellation of existing securities, and
4 (viii) all other actions that the applicable Entities determine to be necessary or appropriate, including
5 making filings or recordings that may be required by applicable law.

6 (b) Each officer, or member of the board of directors, of the Debtors is (and each
7 officer, or member of the board of directors of the Reorganized Debtors shall be) authorized to issue,
8 execute, deliver, file, or record such contracts, securities, instruments, releases, indentures, and other
9 agreements or documents and take such actions as may be necessary or appropriate to effectuate,
10 implement, and further evidence the terms and conditions of the Plan and the securities issued pursuant
11 to the Plan in the name of and on behalf of the Reorganized Debtors, all of which shall be authorized
12 and approved in all respects, in each case, without the need for any approvals, authorization, consents,
13 or any further action required under applicable law, regulation, order, or rule (including any action by
14 the stockholders or directors of the Debtors or the Reorganized Debtors) except for those expressly
15 required pursuant to the Plan.

16 (c) All matters provided for herein involving the corporate structure of the Debtors
17 or Reorganized Debtors, or any corporate action required by the Debtors or Reorganized Debtors in
18 connection herewith shall be deemed to have occurred and shall be in effect, without any requirement
19 of further action by the stockholders or directors of the Debtors or Reorganized Debtors, and with like
20 effect as though such action had been taken unanimously by the stockholders of the Debtors or
21 Reorganized Debtors.

22 **6.3 Continued Corporate Existence.** Except as otherwise provided in this Plan
23 (including pursuant to the Restructuring Transactions), the Debtors shall continue to exist after the
24 Effective Date as Reorganized Debtors in accordance with the applicable laws of the respective
25 jurisdictions in which they are incorporated or organized. On and after the Effective Date, without
26 prejudice to the rights of any party to a contract or other agreement with any Debtor, each Reorganized
27 Debtor may, in its sole discretion, take such action as permitted by applicable law and such
28 Reorganized Debtor's organizational documents, as such Reorganized Debtor may determine is
reasonable and appropriate, including: (i) changing the legal name of a Reorganized Debtor; (ii)
closing the applicable Chapter 11 Case; and (iii) amending its charter so as to prevent the acquisition,
sale, or other transaction of any class or classes of stock of Reorganized HoldCo, other than pursuant
to the Plan, for the purpose of preserving the tax benefits of the Reorganized Debtors if such
acquisition, sale, or other transaction would result in an increase in the amount of stock of Reorganized
HoldCo beneficially owned (as determined for applicable tax purposes) by any person or group of
persons that owns, or as a result of such acquisition, sale, or other transaction would own, at least
4.75% of any class or classes of stock of Reorganized HoldCo.

29 **6.4 The Subrogation Wildfire Trust.**

30 (a) On or before the Effective Date, the Subrogation Wildfire Trust shall be
31 established by the Subrogation Wildfire Trustee and on the Effective Date or as soon as reasonably
32 practicable thereafter, the Debtors shall fund the Subrogation Wildfire Trust as provided in Section
33 4.25(b) hereof. In accordance with the Subrogation Wildfire Trust Agreement and the Subrogation
34

1 Wildfire Claim Allocation Agreement, each of which shall become effective as of the Effective Date,
2 the Subrogation Wildfire Trust shall administer, process, settle, resolve, liquidate, satisfy, and pay all
3 Subrogation Wildfire Claims. All Subrogation Wildfire Claims shall be channeled to the Subrogation
4 Wildfire Trust and shall be subject to the Channeling Injunction.

5 (b) Each trust comprising the Subrogation Wildfire Trust is intended to be treated,
6 and shall be reported, as a “qualified settlement fund” for U.S. federal income tax purposes and shall
7 be treated consistently for state and local tax purposes, to the extent applicable; *provided*, however,
8 that the Reorganized Debtors may elect to treat any trust comprising the Subrogation Wildfire Trust
9 as a “grantor trust” for U.S. federal income tax purposes, in which case each such trust shall be treated
10 consistently for state and local tax purposes, to the extent applicable. The Subrogation Wildfire Trustee
11 and all holders of Subrogation Wildfire Claims shall report consistently with the foregoing. The
12 Subrogation Wildfire Trustee shall be the “administrator,” within the meaning of Treasury Regulations
13 Section 1.468B-2(k)(3), of the Subrogation Wildfire Trust and, in such capacity, the Subrogation
14 Wildfire Trustee shall be responsible for filing all tax returns of the Subrogation Wildfire Trust and,
15 out of the assets of the Subrogation Wildfire Trust, the payment of any taxes due with respect to trust
16 assets or otherwise imposed on the Subrogation Wildfire Trust (including any tax liability arising in
17 connection with the distribution of trust assets), and shall be permitted to sell any assets of the
18 Subrogation Wildfire Trust to the extent necessary to satisfy such tax liability (including any tax
19 liability arising in connection with such sale).

20 (c) Except as otherwise provided in the Subrogation Wildfire Trust Agreement, or
21 the Subrogation Wildfire Claim Allocation Agreement, the Subrogation Wildfire Trustee will make
22 the applicable distribution under the Subrogation Wildfire Trust Agreement and, subject to Bankruptcy
23 Rule 2002, at: (i) the address of such holder on the books and records of the Debtors or their agents;
24 (ii) the address provided by such holder on its most recent proof of claim, or (iii) the address in any
25 written notice of address change delivered to the Debtors prior to the Effective Date, or the
26 Subrogation Wildfire Trustee after the Effective Date, including any addresses included on any
27 transfers of Claim filed pursuant to Bankruptcy Rule 3001. In the event that any distribution to any
28 holder is returned as undeliverable, no distribution or payment to such holder shall be made unless and
until the Subrogation Wildfire Trustee has been notified of the then-current address of such holder, at
which time or as soon as reasonably practicable thereafter, such distribution shall be made to such
holder without interest.

(d) The Subrogation Wildfire Trustee may request an expedited determination of
taxes under section 505(b) of the Bankruptcy Code for all tax returns filed by or on behalf of the
Subrogation Wildfire Trust through the termination of the Subrogation Wildfire Trust.

6.5 Subrogation Wildfire Trustee.

(a) Powers and Duties of Trustee. The powers and duties of the Subrogation
Wildfire Trustee shall include, but shall not be limited to, those responsibilities vested in the
Subrogation Wildfire Trustee pursuant to the terms of the Subrogation Trust Agreement, or as may be
otherwise necessary and proper to (i) make distributions to holders of Subrogation Wildfire Claims in
accordance with the terms of the Plan, Subrogation Trust Agreement, and Subrogation Wildfire Claim
Allocation Agreement and (ii) carry out the provisions of the Plan relating to the Subrogation Wildfire

1 Trust and the Subrogation Wildfire Claims. The Trustee shall maintain good and sufficient books and
2 records relating to each Subrogation Wildfire Claim, including the identity of the owner of each
3 such Subrogation Wildfire Claim.

4 (b) The Subrogation Wildfire Trustee shall cooperate fully with the Reorganized
5 Debtors in connection with the preparation and filing by the Reorganized Debtors of any tax returns,
6 claims for refunds, or other tax filings, and any tax proceedings, to the extent relating to any transfers
7 to, distributions by, or the operations of the Subrogation Wildfire Trust.

6.6 Subrogation Trust Advisory Board.

8 (a) Appointment of Subrogation Trust Advisory Board. The Subrogation Trust
9 Advisory Board shall consist of three (3) initial members selected by holders of Subrogation Wildfire
10 Claims in accordance with the Subrogation Trust Agreement and the Subrogation Wildfire Claim
11 Allocation Agreement.

12 (b) Powers and Duties of Subrogation Trust Advisory Board. The Subrogation
13 Trust Advisory Board shall, as and when requested by the Subrogation Wildfire Trustee, or as is
14 otherwise either (i) required under the Plan, the Confirmation Order, the Subrogation Trust Agreement
15 or (ii) contemplated by the Subrogation Wildfire Claim Allocation Agreement, consult with and advise
16 the Subrogation Wildfire Trustee as to the administration and management of the Subrogation Wildfire
17 Trust in accordance with the terms of this Plan, the Confirmation Order, and/or the Subrogation Trust
18 Agreement.

19 (c) The Subrogation Wildfire Trust Advisory Board shall be appointed on the
20 Effective Date. The rights and responsibilities of the Subrogation Wildfire Trust Advisory Board shall
21 be set forth in the Subrogation Wildfire Trust Agreement.

6.7 The Fire Victim Trust.

22 (a) On or before the Effective Date, the Fire Victim Trust shall be established. In
23 accordance with the Plan, the Confirmation Order, the Fire Victim Trust Agreement and the Fire
24 Victim Claims Resolution Procedures, the Fire Victim Trust shall, among other tasks described in this
25 Plan or the Fire Victim Trust Agreement, administer, process, settle, resolve, liquidate, satisfy, and
26 pay all Fire Victim Claims, and prosecute or settle all Assigned Rights and Causes of Action. All Fire
27 Victim Claims shall be channeled to the Fire Victim Trust and shall be subject to the Channeling
28 Injunction. The Fire Victim Trust shall be funded with the Aggregate Fire Victim Consideration. To
the extent, if any, a holder of a Fire Victim Claim asserts damages against the Debtors or the Fire
Victim Trust for amounts covered by a policy of insurance, the Fire Victim Trust may receive a credit
against the Fire Victim Claim of any such holder, its predecessor, successor, or assignee, for insurance
coverage amounts as provided in the Fire Victim Trust Agreement. In addition, coverage provisions
of any insurance policy for losses resulting from a Fire and any funds received by any holder of a Fire
Victim Claim, net of attorney's fees, shall satisfy, to the extent applicable, any amounts of restitution
the Debtors or Reorganized Debtors might be subject to under Cal. Penal Code § 1202.4

(b) Each trust comprising the Fire Victim Trust is intended to be treated, and shall be reported, as a “qualified settlement fund” for U.S. federal income tax purposes and shall be treated consistently for state and local tax purposes, to the extent applicable; provided, however, that the Reorganized Debtors may elect to treat any trust comprising the Fire Victim Trust as a “grantor trust” for U.S. federal income tax purposes, in which case each such trust shall be treated consistently for state and local tax purposes, to the extent applicable. The Fire Victim Trustee and all holders of Fire Victim Claims shall report consistently with the foregoing. The Fire Victim Trustee shall be the “administrator,” within the meaning of Treasury Regulations Section 1.468B-2(k)(3), of the Fire Victim Trust and, in such capacity, the Fire Victim Trustee shall be responsible for filing all tax returns of the Fire Victim Trust and, out of the assets of the Fire Victim Trust, the payment of any taxes due with respect to trust assets or otherwise imposed on the Fire Victim Trust (including any tax liability arising in connection with the distribution of trust assets), shall be permitted to sell any assets of the Fire Victim Trust to the extent necessary to satisfy such tax liability (including any tax liability arising in connection with such sale).

(c) On the Effective Date, the Fire Victim Claims Resolution Procedures shall become effective.

(d) No parties other than holders of Fire Victim Claims shall have a right, or involvement in, the Fire Victim Claims Resolution Procedures, the Fire Victim Trust Agreement, the administration of the Fire Victims Trust, the selection of a Fire Victim Trustee, settlement fund administrator, claims administrator, or the Fire Victims Trust Oversight Committee. The Fire Victim Claims shall be administered by a Fire Victim Trust and the Fire Victims Trust Oversight Committee independent of the Debtors. The Fire Victim Claims shall be administered, allocated and distributed in accordance with applicable ethical rules and subject to adequate informed consent procedures. The Fire Victim Trustee shall receive settlement allocations consistent with Rule 1.8(g) of the Model Rules of Professional Conduct. The rules and procedures governing the administration and allocation of the funds from the Fire Victim Trust shall be objectively applied and transparent. No party other than holders of Fire Victim Claims, including but not limited to the Debtors, the Reorganized Debtors, and any holders of Claims or Interests other than holders of Fire Victim Claims, shall have any rights to any of the proceeds in the Fire Victim Trust, or any clawback or reversionary interest of any of the consideration (whether Cash or otherwise) allocated to any of the holders of Fire Victim Claims generally or in the total amount funded to the Fire Victim Trust.

6.8 Fire Victim Trustee

(a) Powers and Duties of Trustee. The powers and duties of the Fire Victim Trustee shall include, but shall not be limited to, those responsibilities vested in the Fire Victim Trustee pursuant to the terms of the Fire Victim Trust Agreement, or as may be otherwise necessary and proper to (i) make distributions to holders of Fire Victim Claims in accordance with the terms of the Plan and the Fire Victim Trust Agreement and (ii) carry out the provisions of the Plan relating to the Fire Victim Trust and the Fire Victim Claims, including but not limited to prosecuting or settling all Assigned Rights and Causes of Action in his or her capacity as a trustee for the benefit of Fire Victims. On the Effective Date, pursuant to this Plan and sections 1123, 1141, and 1146(a) of the Bankruptcy Code, the Debtors, on behalf of their estates, and the Fire Victim Trustee, will be authorized and directed to,

1 and will execute the Fire Victim Trust Agreement in substantially the form that will be attached to the
2 Plan Supplement, and will be further authorized and directed to, and will, take all such actions as
3 required to transfer the Assigned Rights and Causes of Action from the Debtors to the Fire Victim
4 Trust. The Fire Victim Trustee shall maintain good and sufficient books and records relating to each
5 Fire Victim Claim, including the identity of the owner of each Fire Victim Claim and the amount and
6 date of all Distributions made on account of each such Fire Victim Claim. In addition to all powers
enumerated in the Fire Victim Trust Agreement, in this Plan, and in the Confirmation Order, from and
after the Effective Date, the Fire Victim Trust shall succeed to all of the rights and standing of the
Debtors with respect to the Assigned Rights and Causes of Action in its capacity as a trust
administering assets for the benefit of Fire Victims.

7 (b) The Fire Victim Trustee will be appointed as the representative of each of the
8 Debtors' estates pursuant to sections 1123(a)(5), (a)(7), and (b)(3)(B) of the Bankruptcy Code and as
9 such will be vested with the authority and power (subject to the Fire Victim Trust Agreement and the
10 Plan) to, among other things: (i) administer, object to or settle Fire Victim Claims; (ii) make
11 distributions to holders of Fire Victim Claims in accordance with the terms of the Plan and the Fire
12 Victim Trust Agreement, and (iii) carry out the provisions of the Plan related to the Fire Victim Trust
13 and the Fire Victim Claims, including but not limited to prosecuting or settling all Assigned Rights
14 and Causes of Action in his or her capacity as a trustee for the benefit of holders of Fire Victim Claims.
15 As the representative of the Debtors' estates, in his or her capacity as a trustee for the benefit of Fire
Victims, the Fire Victim Trustee will succeed to all of the rights and powers of the Debtors and their
estates with respect to all Assigned Rights and Causes of Action assigned and transferred to the Fire
Victim Trust, and the Fire Victim Trustee will be substituted and will replace the Debtors, their estates,
any official committee appointed in these cases if applicable, in all such Assigned Rights and Causes
of Action, whether or not such claims are pending in filed litigation.

16 (c) The Fire Victim Trustee shall cooperate fully with the Reorganized Debtors in
17 connection with the preparation and filing by the Reorganized Debtors of any tax returns, claims for
18 refunds, or other tax filings, and any tax proceedings, to the extent relating to any transfers to,
distributions by, or the operations of the Fire Victim Trust.

19 (d) Except as otherwise provided in the Fire Victim Trust Agreement, or the Fire
20 Victim Claims Resolution Procedures, the Fire Victim Trustee will make the applicable distribution
21 under the Fire Victim Trust Agreement and, subject to Bankruptcy Rule 2002, at: (i) the address of
22 such holder on the books and records of the Debtors or their agents; (ii) the address provided by such
23 holder on its most recent proof of claim, or (iii) the address in any written notice of address change
24 delivered to the Debtors prior to the Effective Date, or the Fire Victim Trustee after the Effective Date,
including any addresses included on any transfers of Claim filed pursuant to Bankruptcy Rule 3001.
In the event that any distribution to any holder is returned as undeliverable, no distribution or payment
to such holder shall be made unless and until the Fire Victim Trustee has been notified of the then-
current address of such holder, at which time or as soon as reasonably practicable thereafter, such
distribution shall be made to such holder without interest.

25 (e) The Fire Victim Trust Oversight Committee shall be appointed on the Effective
26 Date. The Fire Victim Trust Oversight Committee shall consist of members selected and appointed
27
28

1 by the Consenting Fire Claimant Professionals and the Tort Claimants Committee. The rights and
2 responsibilities of the Fire Victim Trust Oversight Committee shall be set forth in the Fire Victim
Trust Agreement.

3 (f) Unless otherwise expressly provided under this Plan, on the Effective Date, all
4 Assigned Rights and Causes of Action will vest in the Fire Victim Trust. On and after the Effective
5 Date, the transfer of the Assigned Rights and Causes of Action to the Fire Victim Trust will be deemed
6 final and irrevocable and distributions may be made from the Fire Victim Trust. The Confirmation
Order will provide the Fire Victim Trustee with express authority and standing necessary to take all
actions to prosecute or settle any and all Assigned Rights and Causes of Action.

7 (g) The Fire Victim Trustee may request an expedited determination of taxes under
8 section 505(b) of the Bankruptcy Code for all tax returns filed by or on behalf of the Fire Victim Trust
through the termination of the Fire Victim Trust.

9 **6.9 Public Entities Segregated Defense Fund.**

10 (a) On the Effective Date, the Reorganized Debtors shall fund the Public Entities
11 Segregated Defense Fund in accordance with the terms of the Public Entities Plan Support
12 Agreements.

13 (b) The Public Entities Segregated Defense Fund shall be maintained by the
14 Reorganized Debtors until the later of (i) the expiration of the applicable statute of limitations period
for any and all Public Entities Third Party Claims and (ii) the conclusion of all litigation, including
15 appeals, involving all Public Entities Third Party Claims.

16 **6.10 Go-Forward Wildfire Fund.**

17 (a) On the Effective Date, the Debtors shall contribute, in accordance with the
18 Wildfire Legislation (A.B. 1054), an initial contribution of approximately \$4.8 billion and first annual
contribution of approximately \$193 million, to the Go-Forward Wildfire Fund in order to secure the
participation of the Reorganized Debtors therein.

19 (b) The Reorganized Debtors shall also be responsible for ongoing funding
20 commitments to the Go-Forward Wildfire Fund as required by the terms thereof and the Wildfire
Legislation (A.B. 1054).

21 **6.11 Officers and Board of Directors.**

22 (a) The New Boards for HoldCo and the Utility will, among other things, satisfy
23 the requirements of the Wildfire Legislation (A.B. 1054) and other applicable law, including with
24 respect to directors having appropriate experience in safety, finance and utility operations. The
composition of the New Boards shall be disclosed in accordance with section 1129(a)(5) of the
25 Bankruptcy Code.

1 (b) Except as otherwise provided in the Plan Supplement, the officers of the
2 respective Debtors immediately before the Effective Date, as applicable, shall serve as the initial
officers of each of the respective Reorganized Debtors on and after the Effective Date.

3 (c) Except to the extent that a member of the board of directors of a Debtor
4 continues to serve as a director of the respective Reorganized Debtor on and after the Effective Date,
5 the members of the board of directors of each Debtor prior to the Effective Date, in their capacities as
6 such, shall have no continuing obligations to the Reorganized Debtors on or after the Effective Date
and each such director will be deemed to have resigned or shall otherwise cease to be a director of the
applicable Debtor on the Effective Date.

7 (d) Commencing on the Effective Date, the directors of each of the Reorganized
8 Debtors shall be elected and serve pursuant to the terms of the applicable organizational documents of
9 such Reorganized Debtor and may be replaced or removed in accordance with such organizational
documents.

11 Incentive Plan may be established and implemented at the discretion of the New Board and in
compliance with the Wildfire Legislation (A.B. 1054).

12 **6.13 Cancellation of Existing Securities and Agreements.**

13 (a) Except for the purpose of enabling holders of Allowed Claims to receive a
14 distribution under the Plan as provided herein and except as otherwise set forth in this Plan, the Plan
15 Supplement or the Confirmation Order, on the Effective Date, all agreements, instruments, and other
16 documents evidencing any prepetition Claim or any rights of any holder in respect thereof shall be
17 deemed cancelled, discharged, and of no force or effect. For the avoidance of doubt, in accordance
18 with Sections 4.13, 4.15, 4.19, 4.33, and 4.34 of the Plan, none of the HoldCo Common Interests, the
19 HoldCo Other Interests, the Utility Reinstated Senior Note Documents, the Utility Preferred Interests,

related to such instruments, Securities, or other documentation or the cancellation thereof, except the
rights provided for pursuant to this Plan.

20 (b) Except as otherwise set forth in the Plan, the Funded Debt Trustees shall be
21 released and discharged from all duties and responsibilities under the applicable Funded Debt

19 statement registering such offer, issuance and distribution under the Securities Act, the Debtors shall,
20 if they determine to implement the same, commence and consummate the Rights Offering in
21 accordance therewith. New HoldCo Common Stock shall be issued to each Eligible Offeree that
22 exercises its respective subscription rights pursuant to the Rights Offering Procedures and the Plan.
The consummation of the Rights Offering shall be conditioned on the occurrence of the Effective Date,
and any other condition specified in the Backstop Commitment Letters. Amounts held by the
subscription agent with respect to the Rights Offering prior to the Effective Date shall not be entitled
to any interest on account of such amounts and no Eligible Offeree participating in the Rights Offering
shall have any rights in New HoldCo Common Stock until the Rights Offering is consummated.

2 (a) The offer, issuance and distribution of the New HoldCo Common Stock and
3 other Securities as provided hereunder may be exempt from registration under (i) the Securities Act
4 of 1933 and all rules and regulations promulgated thereunder and (ii) any state or local law requiring
5 registration for the offer, issuance, or distribution of Securities, pursuant to section 1145 of the
6 Bankruptcy Code, without further act or action by any Entity, pursuant to another available exemption
7 from registration, such as section 4(a)(2) of the Securities Act and/or Regulation D promulgated

14 Plan that are exempt from such registration pursuant to section 1145(a) of the Bankruptcy Code will
15 be freely tradable by the recipients thereof, subject to (i) the provisions of section 1145(b)(1) of the

20 on the transferability under the terms of the New Organizational Documents, (iv) any applicable
21 procedures of DTC, and (v) applicable regulatory approval.

22 **ARTICLE VII.**

23 **PROCEDURES FOR DISPUTED CLAIMS**

24 **7.1 Objections to Claims.** Except as otherwise provided herein, in the Claims
25 Resolution Procedures, the Subrogation Claims RSA, and in the Wildfire Trust Agreements, the
26 Reorganized Debtors shall be entitled to object to Claims. The Subrogation Wildfire Trustee shall be
27 entitled to object to Subrogation Wildfire Claims. The Fire Victim Trustee shall be entitled to object
28 to Fire Victim Claims. Except as otherwise set forth in the Plan, any objections to Claims shall be
served and filed on or before the later of (i) one-hundred and eighty (180) days after the Effective Date
and (ii) such later date as may be fixed by the Bankruptcy Court (as the same may be extended by the
Bankruptcy Court for cause shown). Fire Victim Claims, other than those Claims arising out of the
2015 Butte fires that were the subject of fully executed prepetition settlement agreements with the
Debtor(s) and any other Fire Victim Claim that is settled or Allowed by order of the Bankruptcy Court
prior to the Effective Date, are treated as unliquidated Disputed Claims for purposes of the Fire Victim
Trust and shall be subject to resolution by the Fire Victim Trust in accordance with the Fire Victim
Claims Resolution Procedures.

7.2 Resolution of Disputed Administrative Expense Claims and Disputed
Claims. Except as otherwise provided for in the Plan, in the Claims Resolution Procedures, the
Subrogation Claims RSA, or in the Wildfire Trust Agreements, on and after the Effective Date, the
Reorganized Debtors shall have the authority to compromise, settle, otherwise resolve, or withdraw

1 any objections to Disputed Administrative Expense Claims or Disputed Claims and to compromise,
2 settle, or otherwise resolve any Disputed Administrative Expense Claims and Disputed Claims without
3 approval of the Bankruptcy Court, other than with respect to any Professional Fee Claims. On and
4 after the Effective Date, the Subrogation Wildfire Trustee shall have the authority to compromise,
5 settle, otherwise resolve, or withdraw any objections to Disputed Subrogation Wildfire Claims without
6 approval of the Bankruptcy Court. On and after the Effective Date, the Fire Victim Trustee shall have
7 the authority to compromise, settle, otherwise resolve, or withdraw any objections to Disputed Fire
8 Victim Claims without approval of the Bankruptcy Court. Notwithstanding the foregoing, and for the
9 avoidance of doubt, Subrogation Wildfire Claims and Fire Victim Claims may only be compromised,
10 settled, or resolved pursuant to the applicable Claims Resolution Procedures and Wildfire Trust
11 Agreement.

12 **7.3 Payments and Distributions with Respect to Disputed Claims.**

13 Notwithstanding anything herein to the contrary, if any portion of a Claim is a Disputed Claim, no
14 payment or distribution provided hereunder shall be made on account of such Claim (including on
15 account of the non-Disputed portion of such Claim) unless and until such Disputed Claim becomes an
16 Allowed Claim.

17 **7.4 Distributions After Allowance.** After such time as a Disputed Claim becomes,
18 in whole but not in part, an Allowed Claim, the holder thereof shall be entitled to distributions, if any,
19 to which such holder is then entitled as provided in this Plan. Such distributions shall be made as soon
20 as practicable after the date that the order or judgment of the Bankruptcy Court allowing such Disputed
21 Claim (or portion thereof) becomes a Final Order.

22 **7.5 Disallowance of Claims.** Any Claims held by an Entity from which property
23 is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a
24 transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy
25 Code, as determined by a Final Order, shall be deemed disallowed pursuant to section 502(d) of the
26 Bankruptcy Code, and holders of such Claims may not receive any distributions on account of such
27 Claims until such time as such Causes of Action against that Entity have been settled or a Final Order
28 with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been
turned over or paid to the Debtors or the Reorganized Debtors. Except as otherwise provided herein
or by an order of the Bankruptcy Court, all proofs of Claim filed after the Effective Date shall be
disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable
against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or
any further notice to or action, order, or approval of the Bankruptcy Court, other than a claim for
damages arising from the rejection of an executory contract or unexpired lease.

7.6 Estimation. Except as otherwise provided in the Plan, the Claims Resolution
Procedures, the Subrogation Claims RSA, and the Wildfire Trust Agreements, the Debtors or the
Reorganized Debtors (or the Subrogation Wildfire Trustee solely with respect to Disputed Subrogation
Wildfire Claims and the Fire Victim Trustee solely with respect to Disputed Fire Victim Claims) may
determine, resolve and otherwise adjudicate all contingent Claims or unliquidated Claims in the
Bankruptcy Court or such other court of the Debtors', Reorganized Debtors', the Subrogation Wildfire
Trustee's or the Fire Victim Trustee's choice having jurisdiction over the validity, nature or amount

thereof. The Debtors or the Reorganized Debtors (or the Subrogation Wildfire Trustee solely with respect to Disputed Subrogation Wildfire Claims and the Fire Victim Trustee solely with respect to Disputed Fire Victim Claims) may at any time request that the Bankruptcy Court estimate any contingent Claims or unliquidated Claims pursuant to section 502(c) of the Bankruptcy Code for any reason or purpose, regardless of whether any of the Debtors or the Reorganized Debtors (or the Subrogation Wildfire Trustee solely with respect to Disputed Subrogation Wildfire Claims and the Fire Victim Trustee solely with respect to Disputed Fire Victim Claims) have previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates any contingent Claim or unliquidated Claim, that estimated amount shall constitute the maximum limitation on such Claim, and the Debtors or the Reorganized Debtors (or the Subrogation Wildfire Trustee solely with respect to Disputed Subrogation Wildfire Claims and the Fire Victim Trustee solely with respect to Disputed Fire Victim Claims) may pursue supplementary proceedings to object to the ultimate allowance of such Claim; *provided*, that such limitation shall not apply to Claims requested by the Debtors to be estimated for voting purposes only. All of the aforementioned objection, estimation and resolution procedures are cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such Claim unless the holder of such Claim has filed a motion requesting the right to seek such reconsideration on or before twenty (20) calendar days after the date such Claim is estimated by the Bankruptcy Court. Notwithstanding the foregoing, and for the avoidance of doubt, Subrogation Wildfire Claims and Fire Victim Claims may only be compromised, settled, or resolved pursuant to terms of the applicable Wildfire Trust Agreement.

ARTICLE VIII.

EXECUTORY CONTRACTS AND UNEXPIRED LEASES

8.1 General Treatment.

(a) As of, and subject to, the occurrence of the Effective Date and the payment of any applicable Cure Amount, all executory contracts and unexpired leases of the Reorganized Debtors shall be deemed assumed, unless such executory contract or unexpired lease (i) was previously assumed or rejected by the Debtors, pursuant to a Final Order, (ii) previously expired or terminated pursuant to its own terms or by agreement of the parties thereto, (iii) is the subject of a motion to assume, assume and assign, or reject filed by the Debtors on or before the Confirmation Date, or (iv) is specifically designated as an executory contract or unexpired lease to be rejected on the Schedule of Rejected Contracts.

(b) Notwithstanding the foregoing, as of and subject to the occurrence of the Effective Date and the payment of any applicable Cure Amount, all power purchase agreements,

1 renewable energy power purchase agreements, and Community Choice Aggregation servicing
2 agreements of the Debtors shall be deemed assumed.

3 (c) Subject to the occurrence of the Effective Date, entry of the Confirmation Order
4 by the Bankruptcy Court shall constitute approval of the assumptions, assumptions and assignments,
5 or rejections provided for in this Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code.
6 Each executory contract and unexpired lease assumed pursuant to this Plan shall vest in, and be fully
enforceable by, the applicable Reorganized Debtor in accordance with its terms, except as modified
by the provisions of this Plan, any order of the Bankruptcy Court authorizing and providing for its
assumption or assumption and assignment, or applicable law.

7 **8.2 Determination of Cure Disputes and Deemed Consent.**

8 (a) Any monetary defaults under an assumed or assumed and assigned executory
9 contract or unexpired lease, shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code,
10 by payment of the default amount, as reflected in the applicable cure notice, in Cash on the Effective
Date, subject to the limitations described below, or on such other terms as the parties to such executory
11 contracts or unexpired leases and the Debtors may otherwise agree.

12 (b) At least fourteen (14) days before the deadline set to file objections to
confirmation of the Plan, the Debtors shall distribute, or cause to be distributed, assumption and cure
13 notices to the applicable third parties. **Any objection by a counterparty to an executory contract
14 or unexpired lease to the proposed assumption, assumption and assignment, or related Cure
Amount must be filed, served, and actually received by the Debtors before the deadline set to
15 file objections to confirmation of the Plan.** Any counterparty to an executory contract or unexpired
16 lease that fails to object timely to the proposed assumption, assumption and assignment, or Cure
Amount will be deemed to have assented to such assumption, assumption and assignment, or Cure
17 Amount. Notwithstanding anything herein to the contrary, in the event that any executory contract or
unexpired lease is removed from the Schedule of Rejected Contracts after such fourteen (14)-day
18 deadline, a cure notice with respect to such executory contract or unexpired lease will be sent promptly
to the counterparty thereof and a noticed hearing set to consider whether such executory contract or
unexpired lease can be assumed or assumed and assigned, as applicable.

19 (c) In the event of an unresolved dispute regarding (i) any Cure Amount, (ii) the
20 ability of the Reorganized Debtors or any assignee to provide “adequate assurance of future
21 performance” (within the meaning of section 365 of the Bankruptcy Code) under the executory
contract or unexpired lease to be assumed, or (iii) any other matter pertaining to assumption,
22 assumption and assignment, or the Cure Amounts required by section 365(b)(1) of the Bankruptcy
Code, such dispute shall be resolved by a Final Order (which order may be the Confirmation Order).

23 (d) If the Bankruptcy Court makes a determination regarding any of the matters set
24 forth in Section 8.2(c) above with respect to any executory contract or unexpired lease is greater than
the amount set forth in the applicable cure notice, as set forth in Section 8.8(a) below, the Debtors or
25 Reorganized Debtors, as applicable, shall have the right to alter the treatment of such executory
26 contract or unexpired lease, including, without limitation, to add such executory contract or unexpired

1 lease to the Schedule of Rejected Contracts, in which case such executory contract or unexpired lease
2 shall be deemed rejected as of the Effective Date.

3 (e) Assumption or assumption and assignment of any executory contract or
4 unexpired lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any
5 Claims and Causes of Action against any Debtor or defaults by any Debtor arising under any assumed
6 executory contract or unexpired lease at any time before the date that the Debtors assume or assume
7 and assign such executory contract or unexpired lease, whether monetary or nonmonetary, including
8 all Claims arising under sections 503(b)(9) or 546(c) of the Bankruptcy Code, any defaults of
provisions restricting the change in control or ownership interest composition, or any other
bankruptcy-related defaults. Any proofs of Claim filed with respect to an executory contract or
unexpired lease that has been assumed or assumed and assigned shall be deemed disallowed and
expunged, without further notice to or action, order, or approval of the Bankruptcy Court.

9 **8.3 Rejection Damages Claims.** In the event that the rejection of an executory
10 contract or unexpired lease hereunder results in damages to the other party or parties to such contract
11 or lease, any Claim for such damages, if not heretofore evidenced by a timely filed proof of Claim,
12 shall be forever barred and shall not be enforceable against the Debtors or the Reorganized Debtors,
13 or their respective estates, properties or interests in property, unless a proof of Claim is filed with the
14 Bankruptcy Court and served upon the Debtors or the Reorganized Debtors, as applicable, no later
than thirty (30) days after the later of (i) the Confirmation Date or (ii) the effective date of the rejection
of such executory contract or unexpired lease, as set forth on the Schedule of Rejected Contracts or
order of the Bankruptcy Court. The Confirmation Order shall constitute the Bankruptcy Court's
approval of the rejection of all the leases and contracts identified in the Schedule of Rejected Contracts.

15 **8.4 Survival of the Debtors' Indemnification Obligations.** Any and all
16 obligations of the Debtors pursuant to their corporate charters, agreements, bylaws, limited liability
17 company agreements, memorandum and articles of association, or other organizational documents
18 (including all Indemnification Obligations) to indemnify current and former officers, directors, agents,
19 or employees with respect to all present and future actions, suits, and proceedings against the Debtors
20 or such officers, directors, agents, or employees based upon any act or omission for or on behalf of
21 the Debtors shall remain in full force and effect to the maximum extent permitted by applicable law
22 and shall not be discharged, impaired, or otherwise affected by this Plan. All such obligations shall
be deemed and treated as executory contracts that are assumed by the Debtors under this Plan and shall
continue as obligations of the Reorganized Debtors. Any Claim based on the Debtors' obligations in
this Section 8.4 herein shall not be a Disputed Claim or subject to any objection, in either case, by
reason of section 502(e)(1)(B) of the Bankruptcy Code or otherwise.

23 **8.5 Assumption of Employee Benefit Plans.**

24 (a) On the Effective Date, all Employee Benefit Plans are deemed to be, and shall
25 be treated as, executory contracts under this Plan and, on the Effective Date, shall be assumed pursuant
26 to sections 365 and 1123 of the Bankruptcy Code. All outstanding payments which are accrued and
unpaid as of the Effective Date pursuant to the Employee Benefit Plans shall be made by the
Reorganized Debtors on the Effective Date or as soon as practicable thereafter.

1 (b) The deemed assumption of the Employee Benefit Plans pursuant to this Section
2 8.5 shall result in the full release and satisfaction of any Claims and Causes of Action against any
3 Debtor or defaults by any Debtor arising under any Employee Benefit Plan at any time before the
4 Effective Date. Any proofs of Claim filed with respect to an Employee Benefit Plan shall be deemed
disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy
Court.

5 (c) Notwithstanding anything to the contrary in the Plan, the Reorganized Debtors
6 shall continue and assume the Pacific Gas and Electric Company Retirement Plan (“**Defined Benefit**
7 **Plan**”) subject to the Employee Retirement Income Securities Act, the Internal Revenue Code, and
8 any other applicable law, including (i) the minimum funding standards in 26 U.S.C. §§ 412, 430, and
29 U.S.C. §§ 1082, 1083 and (ii) premiums under 29 U.S.C. §§ 1306 and 1307. All proofs of claim
filed by the Pension Benefit Guaranty Corporation with respect to the Defined Benefit Plan are deemed
withdrawn on the Effective Date.

9 **8.6 Collective Bargaining Agreements.**

10 (a) On or prior to the Effective Date, and subject to the occurrence of the Effective
11 Date, the Reorganized Debtors shall assume the Collective Bargaining Agreements.

12 **8.7 Insurance Policies.**

13 (a) All Insurance Policies (including all D&O Liability Insurance Policies and tail
14 coverage liability insurance), surety bonds, and indemnity agreements entered into in connection with
15 surety bonds to which any Debtor is a party as of the Effective Date shall be deemed to be and treated
16 as executory contracts and shall be assumed by the applicable Debtors or Reorganized Debtor and
shall continue in full force and effect thereafter in accordance with their respective terms.

17 **8.8 Reservation of Rights.**

18 (a) The Debtors may amend the Schedule of Rejected Contracts and any cure notice
19 until the later of (i) 4:00 p.m. (Pacific Time) on the Business Day immediately prior to the
20 commencement of the Confirmation Hearing or (ii) if Section 8.2(d) is applicable, the Business Day
21 that is seven (7) Business Days following the determination by the Bankruptcy Court, in order to add,
22 delete, or reclassify any executory contract or unexpired lease; *provided*, that if the Confirmation
Hearing is adjourned for a period of more than two (2) consecutive calendar days, the Debtors’ right
to amend such schedules and notices shall be extended to 4:00 p.m. (Pacific Time) on the Business
Day immediately prior to the adjourned date of the Confirmation Hearing, with such extension
applying in the case of any and all subsequent adjournments of the Confirmation Hearing.

23 (b) Neither the exclusion nor the inclusion by the Debtors of any contract or lease
24 on any exhibit, schedule, or other annex to this Plan or in the Plan Supplement, nor anything contained
25 in this Plan or in the Plan Documents, will constitute an admission by the Debtors that any such
26 contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the
Reorganized Debtors or their respective affiliates has any liability thereunder.

(c) Except as explicitly provided in this Plan, nothing herein shall waive, excuse, limit, diminish, or otherwise alter any of the defenses, claims, Causes of Action, or other rights of the Debtors or the Reorganized Debtors under any executory or non-executory contract or unexpired or expired lease.

(d) Nothing in this Plan will increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtors or the Reorganized Debtors, as applicable, under any executory or non-executory contract or unexpired or expired lease.

8.9 Modifications, Amendments, Supplements, Restatements, or Other Agreements. Unless otherwise provided in the Plan, each executory contract or unexpired lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such executory contract or unexpired lease, and executory contracts and unexpired leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan.

12 precluded and enjoined, pursuant to section 524 of the Bankruptcy Code, from prosecuting or asserting
13 any such discharged Claim against or Interest in the Debtors.

9 **10.4 Term of Injunctions or Stays.** Unless otherwise provided herein or in a Final
10 Order, all injunctions or stays arising under or entered during the Chapter 11 Cases under section 105
11 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain
12 in full force and effect until the later of the Effective Date and the date indicated in the order providing
13 for such injunction or stay. The Trading Order shall remain enforceable as to transfers through the
14 Effective Date with respect to those persons having “beneficial ownership” of “PG&E Stock” (as such
15 terms are defined in Trading Order). Accordingly, the Trading Order has no applicability or effect
16 with respect to the trading of stock of Reorganized HoldCo after the Effective Date.

14 **10.5 Injunction Against Interference with Plan.** Upon entry of the Confirmation
15 Order, all holders of Claims against and Interests in the Debtors and other parties in interest, along
16 with their respective present or former employees, agents, officers, directors, principals, and affiliates,
17 shall be enjoined from taking any actions to interfere with the implementation or consummation of the
18 Plan; *provided, that* nothing herein or in the Confirmation Order shall preclude, limit, restrict or
19 prohibit any party in interest from seeking to enforce the terms of the Plan, the Confirmation Order,
20 or any other agreement or instrument entered into or effectuated in connection with the consummation
21 of the Plan.

19 **10.6 Injunction.**

20 (a) Except as otherwise provided in this Plan or in the Confirmation Order, as of
21 the entry of the Confirmation Order but subject to the occurrence of the Effective Date, all Persons
22 who have held, hold, or may hold Claims or Interests are, with respect to any such Claim or Interest,
23 permanently enjoined after the entry of the Confirmation Order from: (i) commencing, conducting, or
24 continuing in any manner, directly or indirectly, any suit, action, or other proceeding of any kind
25 (including, any proceeding in a judicial, arbitral, administrative, or other forum) against or affecting,
26 directly or indirectly, a Debtor, a Reorganized Debtor, or an estate or the property of any of the
27 foregoing, or any direct or indirect transferee of any property of, or direct or indirect successor in
28 interest to, any of the foregoing Persons mentioned in this subsection (i) or any property of any such
transferee or successor; (ii) enforcing, levying, attaching (including any prejudgment attachment),
collecting, or otherwise recovering in any manner or by any means, whether directly or indirectly, any

judgment, award, decree, or order against a Debtor, a Reorganized Debtor, or an estate or its property, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Persons mentioned in this subsection (ii) or any property of any such transferee or successor; (iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against a Debtor, a Reorganized Debtor, or an estate or any of its property, or any direct or indirect transferee of any property of, or successor in interest to, any of the foregoing Persons mentioned in this subsection (iii) or any property of any such transferee or successor; (iv) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of this Plan to the full extent permitted by applicable law; and (v) commencing or continuing, in any manner or in any place, any action that does not comply with or is inconsistent with the provisions of this Plan; *provided*, that nothing contained herein shall preclude such Persons who have held, hold, or may hold Claims against a Debtor or an estate from exercising their rights, or obtaining benefits, pursuant to and consistent with the terms of this Plan, the Confirmation Order, or any other agreement or instrument entered into or effectuated in connection with the consummation of the Plan.

(b) By accepting distributions pursuant to this Plan, each holder of an Allowed Claim will be deemed to have affirmatively and specifically consented to be bound by this Plan, including, the injunctions set forth in this Section.

10.7 Channeling Injunction.

(a) **The sole source of recovery for holders of Subrogation Wildfire Claims and Fire Victim Claims shall be from the Subrogation Wildfire Trust and the Fire Victim Trust, as applicable. The holders of such Claims shall have no recourse to or Claims whatsoever against the Reorganized Debtors or their assets and properties. Consistent with the foregoing, all Persons that have held or asserted, or that hold or assert any Subrogation Wildfire Claim or Fire Victim Claim shall be permanently and forever stayed, restrained, and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering, or receiving payments, satisfaction, or recovery from any Reorganized Debtor or its assets and properties with respect to any Fire Claims, including all of the following actions:**

(i) **commencing, conducting, or continuing, in any manner, whether directly or indirectly, any suit, action, or other proceeding of any kind in any forum with respect to any such Fire Claim, against or affecting any Reorganized Debtor, or any property or interests in property of any Reorganized Debtor with respect to any such Fire Claim;**

(ii) **enforcing, levying, attaching, collecting or otherwise recovering, by any manner or means, or in any manner, either directly or indirectly, any judgment, award, decree or other order against any Reorganized Debtor or against the property of any Reorganized Debtor with respect to any such Fire Claim;**

(iii) **creating, perfecting, or enforcing in any manner, whether directly or indirectly, any Lien of any kind against any Reorganized Debtor or the property of any Reorganized Debtor with respect to any such Fire Claims;**

(iv) asserting or accomplishing any setoff, right of subrogation, indemnity, contribution, or recoupment of any kind, whether directly or indirectly, against any obligation due to any Reorganized Debtor or against the property of any Reorganized Debtor with respect to any such Fire Claim; and

(v) taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan Documents, with respect to any such Fire Claim.

(b) **Reservations.** Notwithstanding anything to the contrary in this Section 10.7 of the Plan, this Channeling Injunction shall not enjoin:

(i) the rights of holders of Subrogation Fire Claims and Fire Victim Claims to the treatment afforded them under the Plan, including the right to assert such Claims in accordance with the applicable Wildfire Trust Agreements solely against the applicable Wildfire Trust whether or not there are funds to pay such Fire Claims; and

(ii) the Wildfire Trusts from enforcing their rights under the Wildfire Trust Agreements.

(c) **Modifications.** There can be no modification, dissolution, or termination of the Channeling Injunction, which shall be a permanent injunction.

(d) **No Limitation on Channeling Injunction.** Nothing in the Plan, the Confirmation Order, or the Wildfire Trust Agreements shall be construed in any way to limit the scope, enforceability, or effectiveness of the Channeling Injunction provided for herein and in the Confirmation Order.

(e) **Bankruptcy Rule 3016 Compliance.** The Debtors' compliance with the requirements of Bankruptcy Rule 3016 shall not constitute an admission that the Plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code.

10.8 Exculpation. Notwithstanding anything herein to the contrary, and to the maximum extent permitted by applicable law, and except for the Assigned Rights and Causes of Action solely to the extent preserved by Section 10.9(g), no Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from, any Claim, Interest, obligation, suit, judgment, damage, demand, debt, right, Cause of Action, loss, remedy, or liability for any claim (including, but not limited to, any claim for breach of any fiduciary duty or any similar duty) in connection with or arising out of the administration of the Chapter 11 Cases; the negotiation and pursuit of the Public Entities Plan Support Agreements, the Backstop Commitment Letters, the Subrogation Claims RSA, the Tort Claimants RSA, the Noteholder RSA, the Exit Financing Documents, the Plan Funding, the DIP Facilities, the Disclosure Statement, the Plan, the Restructuring Transactions, the Wildfire Trusts (including the Plan Documents, the Claims Resolution Procedures and the Wildfire Trust Agreements), or any agreement, transaction, or document related to any of the foregoing, or the solicitation of votes for, or confirmation of, this Plan; the funding of this Plan; the occurrence of the Effective Date;

1 the administration of this Plan or the property to be distributed under this Plan; any
2 membership in (including, but not limited to, on an *ex officio* basis), participation in, or
3 involvement with the Statutory Committees; the issuance of Securities under or in connection
4 with this Plan; or the transactions in furtherance of any of the foregoing; except for Claims
5 related to any act or omission that is determined in a Final Order by a court of competent
6 jurisdiction to have constituted actual fraud or willful misconduct, but in all respects such
7 Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties
8 and responsibilities pursuant to this Plan. The Exculpated Parties and each of their respective
9 affiliates, agents, directors, officers, employees, advisors, and attorneys have acted in compliance
10 with the applicable provisions of the Bankruptcy Code with regard to the solicitation and
11 distributions pursuant to this Plan and, therefore, are not, and on account of such distributions
12 shall not be, liable at any time for the violation of any applicable law, rule, or regulation
13 governing the solicitation of acceptances or rejections of this Plan or such distributions made
14 pursuant to this Plan, including the issuance of Securities thereunder. This exculpation shall be
15 in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any
16 other applicable law or rules protecting such Exculpated Parties from liability.

10.9 Releases.

(a) *Releases by the Debtors.* As of and subject to the occurrence of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce this Plan and the Plan Documents, and except for the Assigned Rights and Causes of Action solely to the extent preserved by Section 10.9(g), for good and valuable consideration, the adequacy of which is hereby confirmed, including, the service of the Released Parties to facilitate the reorganization of the Debtors, the implementation of the Restructuring, and except as otherwise provided in this Plan or in the Confirmation Order, the Released Parties are deemed forever released and discharged, to the maximum extent permitted by law and unless barred by law, by the Debtors, the Reorganized Debtors, and the Debtors' estates, in each case on behalf of themselves and their respective successors, assigns, and representatives and any and all other Entities who may purport to assert any Cause of Action derivatively, by or through the foregoing Entities, from any and all claims, interests, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, losses, remedies, or liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, or the Debtors' estates, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that the Debtors, the Reorganized Debtors, or the Debtors' estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Chapter 11 Cases, the Fires, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements between any Debtor and any Released Party, the DIP Facilities, the Plan Funding, the Restructuring, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the Restructuring Transactions, the Public Entities Plan Support Agreements, the Backstop Commitment Letters, the Subrogation Claims RSA, the Tort Claimants RSA, the

1 Noteholder RSA, the Exit Financing Documents, the negotiation, formulation, or preparation of
2 the Disclosure Statement and this Plan and related agreements, instruments, and other
3 documents (including the Plan Documents, the Claims Resolution Procedures, the Wildfire
4 Trust Agreements, Public Entities Plan Support Agreements, the Backstop Commitment
5 Letters, the Subrogation Claims RSA, the Tort Claimants RSA, the Noteholder RSA, and the
6 Exit Financing Documents), the solicitation of votes with respect to this Plan, any membership
(including, but not limited to, on an *ex officio* basis), participation in, or involvement with the
Statutory Committees, or any other act or omission, transaction, agreement, event, or other
occurrence, and in all respects such Entities shall be entitled to reasonably rely upon the advice
of counsel with respect to their duties and responsibilities pursuant to this Plan.

7 (b) *Releases by Holders of Claims and Interests.* As of and subject to the
8 occurrence of the Effective Date, except for the rights that remain in effect from and after the
9 Effective Date to enforce the Plan and the Plan Documents, and except for the Assigned Rights
10 and Causes of Action solely to the extent preserved by Section 10.9(g), for good and valuable
11 consideration, the adequacy of which is hereby confirmed, including, the service of the Released
12 Parties to facilitate the reorganization of the Debtors and the implementation of the
13 Restructuring, and except as otherwise provided in the Plan or in the Confirmation Order, the
14 Released Parties, are deemed forever released and discharged, to the maximum extent permitted
15 by law and unless barred by law, by the Releasing Parties from any and all claims, interests,
16 obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, losses,
17 remedies, and liabilities whatsoever, including any derivative claims, asserted or assertable on
18 behalf of the Debtors, and any claims for breach of any fiduciary duty (or any similar duty),
19 whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law,
20 equity, or otherwise, that such holders or their affiliates (to the extent such affiliates can be
21 bound) would have been legally entitled to assert in their own right (whether individually or
22 collectively) or on behalf of the holder of any Claim or Interest or other Entity, based on or
23 relating to, or in any manner arising from, in whole or in part, the Debtors, the Fires, the
24 Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any Security of the
25 Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving
26 rise to, any Claim or Interest that is treated in the Plan, the business or contractual
27 arrangements between any Debtor and any Released Party, the DIP Facilities, the Plan Funding,
28 the Restructuring, the restructuring of any Claim or Interest before or during the Chapter 11
Cases, the Restructuring Transactions, the Public Entities Plan Support Agreement, the
Backstop Commitment Letters, the Subrogation Claims RSA, the Tort Claimants RSA, the
Noteholder RSA, the Exit Financing Documents, the negotiation, formulation, or preparation of
the Disclosure Statement, the Plan and related agreements, instruments, and other documents
(including the Plan Documents, the Claims Resolution Procedures, the Wildfire Trust
Agreements, Public Entities Plan Support Agreements, the Backstop Commitment Letters, the
Subrogation Claims RSA, the Tort Claimants RSA, the Noteholder RSA, and the Exit Financing
Documents), the solicitation of votes with respect to the Plan, any membership in (including, but
not limited to, on an *ex officio* basis), participation in, or involvement with the Statutory
Committees, or any other act or omission, transaction, agreement, event, or other occurrence,
and in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel
with respect to their duties and responsibilities pursuant to the Plan. Notwithstanding the above,

1 the holders of Environmental Claims, Workers' Compensation Claims and 2001 Utility
2 Exchange Claims retain the right to assert such Claims against the Reorganized Debtors in
3 accordance with the terms of the Plan; and nothing herein shall be deemed to impose a release
4 by holders of Fire Victim Claims of insurance claims arising under their insurance policies
against holders of Subrogation Wildfire Claims, other than any rights such holder may elect to
release as part of any settlement as set forth in Section 4.25(f)(ii) hereof.

5 (c) *Only Consensual Non-Debtor Releases.* Except as set forth under Section
6 4.25(f)(ii) hereof, for the avoidance of doubt, and notwithstanding any other provision of this
7 Plan, nothing in the Plan is intended to, nor shall the Plan be interpreted to, effect a
8 nonconsensual release by a holder of a Claim in favor of a party that is not a Debtor, it being
9 acknowledged that such holder shall be deemed to release a party that is not a Debtor under the
10 Plan solely to the extent that such holder consensually elects to provide such Plan release in
accordance with the opt-in release procedures set forth herein or in any applicable Ballot. The
holder of a Claim shall receive the same amount of consideration under the Plan whether or not
such holder elects to release a party that is not a Debtor in accordance with the opt-in release
procedures set forth herein or in any applicable Ballot.

11 (d) *Release of Liens.* Except as otherwise specifically provided in the Plan or
12 in any contract, instrument, release, or other agreement or document created pursuant to the
13 Plan, including the Exit Financing Documents, on the Effective Date and concurrently with the
14 applicable distributions made pursuant to the Plan and, in the case of a Secured Claim,
15 satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date,
16 all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of
17 the estates shall be fully released and discharged, and all of the right, title, and interest of any
holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert
to the Reorganized Debtors and their successors and assigns, in each case, without any further
approval or order of the Bankruptcy Court and without any action or filing being required to
be made by the Debtors.

18 (e) *Waiver of Statutory Limitations on Releases.* Each releasing party in any
19 general release contained in the Plan expressly acknowledges that although ordinarily a general
20 release may not extend to claims which the releasing party does not know or suspect to exist in
21 his favor, which if known by it may have materially affected its settlement with the party
22 released, each releasing party has carefully considered and taken into account in determining to
23 enter into the above releases the possible existence of such unknown losses or claims. Without
24 limiting the generality of the foregoing, and solely with respect to any general release under this
25 Plan, each releasing party expressly waives any and all rights conferred upon it by any statute
26 or rule of law which provides that a release does not extend to claims which the claimant does
27 not know or suspect to exist in its favor at the time of executing the release, which if known by
28 it may have materially affected its settlement with the released party, including the provisions
of California Civil Code section 1542. The releases contained in this Article X of the Plan are
effective regardless of whether those released matters are presently known, unknown, suspected
or unsuspected, foreseen or unforeseen.

1 (f) **Injunction Related to Releases and Exculpation.** The Confirmation Order
2 shall permanently enjoin the commencement or prosecution by any Person or Entity, whether directly,
3 derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts,
4 rights, Causes of Action, losses, or liabilities released pursuant to this Plan, including, the claims,
5 obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, and liabilities
6 released or exculpated in this Plan. For the avoidance of doubt, this injunction shall not apply to the
rights of the Fire Victims Trust to prosecute and settle any Assigned Rights and Causes of Action
solely to the extent provided for in the Plan. Notwithstanding the above, the holders of Environmental
Claims, Workers' Compensation Claims and 2001 Utility Exchange Claims retain the right to assert
such Claims against the Reorganized Debtors in accordance with the terms of the Plan.

7 (g) **No Release or Exculpation of Assigned Rights and Causes of Action.**
8 Notwithstanding any other provision of the Plan, including anything in Section 10.8 and/or 10.9, the
9 releases, discharges, and exculpations contained in this Plan shall not release, discharge, or exculpate
any Person from the Assigned Rights and Causes of Action.

10 **10.10 Subordination.** The allowance, classification, and treatment of all Allowed
11 Claims and Interests and the respective distributions and treatments thereof under this Plan take into
12 account and conform to the relative priority and rights of the Claims and Interests in each Class in
13 connection with any contractual, legal, and equitable subordination rights relating thereto, whether
14 arising under general principles of equitable subordination, sections 510(a), 510(b), or 510(c) of the
Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtors reserve
the right to reclassify any Allowed Claim (other than any DIP Facility Claims) or Interest in
accordance with any contractual, legal, or equitable subordination relating thereto.

15 **10.11 Retention of Causes of Action/Reservation of Rights.**

16 (a) Except as otherwise provided in Section 10.9 hereof, nothing herein or in the
17 Confirmation Order shall be deemed to be a waiver or the relinquishment of any rights or Causes of
18 Action that the Debtors or the Reorganized Debtors may have or which the Reorganized Debtors may
19 choose to assert on behalf of their respective estates under any provision of the Bankruptcy Code or
20 any applicable nonbankruptcy law, including (i) any and all Claims against any Person or Entity, to
the extent such Person or Entity asserts a crossclaim, counterclaim, and/or Claim for setoff which
seeks affirmative relief against the Debtors, the Reorganized Debtors, or their officers, directors, or
representatives and (ii) for the turnover of any property of the Debtors' estates.

21 (b) Nothing herein or in the Confirmation Order shall be deemed to be a waiver or
22 relinquishment of any rights or Causes of Action, right of setoff, or other legal or equitable defense
23 that the Debtors had immediately prior to the Petition Date, against or with respect to any Claim left
24 unimpaired by the Plan. The Reorganized Debtors shall have, retain, reserve, and be entitled to assert
25 all such claims, Causes of Action, rights of setoff, and other legal or equitable defenses that they had
26 immediately prior to the Petition Date fully as if the Chapter 11 Cases had not been commenced, and
all of the Reorganized Debtors' legal and equitable rights with respect to any Claim left unimpaired
by the Plan may be asserted after the Confirmation Date to the same extent as if the Chapter 11 Cases
had not been commenced.

1 (c) The Reorganized Debtors reserve and shall retain the applicable Causes of
2 Action notwithstanding the rejection of any executory contract or unexpired lease during the Chapter
3 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any
4 Causes of Action that a Debtor may hold against any Entity shall vest in the Reorganized Debtors in
5 accordance with the terms hereof. The Reorganized Debtors shall have the exclusive right, authority,
6 and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise,
7 release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the
8 foregoing without the consent or approval of any third party or further notice to or action, order, or
9 approval of the Bankruptcy Court.

10 (d) Notwithstanding anything to the contrary in the Plan, no claims shall be brought
11 under Section 547 of the Bankruptcy Code to recover any payments made to any Person or Entity as
12 a result of damages caused by wildfires.

13 **10.12 Preservation of Causes of Action.** No Entity may rely on the absence of a
14 specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action
15 against them as any indication that the Debtors or the Reorganized Debtors will not pursue any and all
16 available Causes of Action against them. The Debtors and the Reorganized Debtors expressly reserve
17 all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly
18 provided herein.

19 **10.13 Special Provisions for Governmental Units.** Solely with respect to
20 Governmental Units, nothing herein shall limit or expand the scope of discharge, release, or injunction
21 to which the Debtors or the Reorganized Debtors are entitled under the Bankruptcy Code. Further,
22 nothing herein, including Sections 10.8 and 10.9 hereof, shall discharge, release, enjoin, or otherwise
23 bar (a) any liability of the Debtors or the Reorganized Debtors to a Governmental Unit arising on or
24 after the Confirmation Date with respect to events occurring on or after the Confirmation Date, (b) any
25 liability to a Governmental Unit that is not a Claim, (c) any valid right of setoff or recoupment of a
26 Governmental Unit, (d) any police or regulatory action by a Governmental Unit, (e) any environmental
27 liability to a Governmental Unit that the Debtors, the Reorganized Debtors, any successors thereto, or
28 any other Person or Entity may have as an owner or operator of real property after the Effective Date,
or (f) any liability to a Governmental Unit on the part of any Persons or Entities other than the Debtors
or the Reorganized Debtors, *provided*, that nothing in this Section 10.13 shall affect the Debtors'
releases in Section 10.9 hereof, nor shall anything herein enjoin or otherwise bar any Governmental
Unit from asserting or enforcing, outside the Bankruptcy Court, any of the matters described in clauses
(a) through (f) above.

10.14 Document Retention and Cooperation with the Fire Victim Trust. On and
after the Effective Date, the Reorganized Debtors may maintain documents in accordance with the
Debtors' standard document retention policy, as may be altered, amended, modified, or supplemented
by the Reorganized Debtors. The Debtors and the Reorganized Debtors shall respond to reasonable
requests of the Fire Victim Trust for any non-privileged information and documents related to the
Assigned Claims and Causes of Action and the Fire Victim Claims or as reasonably necessary for the
administration of the Fire Victim Trust.

RETENTION OF JURISDICTION

11.1 Jurisdiction of Bankruptcy Court. On and after the Effective Date, the Bankruptcy Court shall retain exclusive jurisdiction of all matters arising under, arising out of, or related to the Chapter 11 Cases and the Plan pursuant to, and for the purposes of, sections 105(a) and 1142 of the Bankruptcy Code and for, among other things, the following purposes:

(a) To hear and determine motions for and any disputes involving the assumption, assumption and assignment, or rejection of executory contracts or unexpired leases and the allowance of Claims resulting therefrom, including the determination of any Cure Amount;

(b) To determine any motion, adversary proceeding, application, contested matter, and other litigated matter pending on or commenced before or after the Confirmation Date, including, any proceeding with respect to a Cause of Action or Avoidance Action;

(c) To ensure that distributions to holders of Allowed Claims are accomplished as provided herein;

(d) To consider Claims or the allowance, classification, priority, compromise, estimation, or payment of any Claim, including any Administrative Expense Claims;

(e) To enter, implement, or enforce such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, reversed, revoked, modified, or vacated;

(f) To issue injunctions, enter and implement other orders, and take such other actions as may be necessary or appropriate to restrain interference by any Person with the consummation, implementation, or enforcement of the Plan, the Confirmation Order, or any other order, judgment or ruling of the Bankruptcy Court, including enforcement of the releases, exculpations, and the Channeling Injunction;

1 (g) To hear and determine any application to modify the Plan in accordance with
2 section 1127 of the Bankruptcy Code and to remedy any defect or omission or reconcile any
3 inconsistency in the Plan, the Disclosure Statement, or any order of the Bankruptcy Court, including
4 the Confirmation Order, in such a manner as may be necessary to carry out the purposes and effects
5 thereof;

6 (h) To hear and determine all applications under sections 330, 331, and 503(b) of
7 the Bankruptcy Code for awards of compensation for services rendered and reimbursement of
8 expenses incurred prior to the Effective Date;

9 (i) To hear and determine disputes arising in connection with or related to the
10 interpretation, implementation, or enforcement of the Plan, the Confirmation Order, any transactions
11 or payments contemplated herein, or any agreement, instrument, or other document governing or
12 relating to any of the foregoing;

13 (j) To hear and determine disputes arising in connection with Disputed Claims;

14 (k) To take any action and issue such orders as may be necessary to construe,
15 enforce, implement, execute, and consummate the Plan or to maintain the integrity of the Plan
16 following consummation;

17 (l) To recover all assets of the Debtors and property of the Debtors' estates,
18 wherever located;

19 (m) To determine such other matters and for such other purposes as may be provided
20 in the Confirmation Order;

21 (n) To hear and determine matters concerning state, local, and federal taxes in
22 accordance with sections 346, 505, and 1146 of the Bankruptcy Code (including the expedited
23 determination of taxes under section 505(b) of the Bankruptcy Code);

24 (o) To enforce all orders previously entered by the Bankruptcy Court;

25 (p) To hear and determine any other matters related hereto and not inconsistent with
26 the Bankruptcy Code and title 28 of the United States Code;

27 (q) To resolve any disputes concerning whether a Person or entity had sufficient
28 notice of the Chapter 11 Cases, the Disclosure Statement, any solicitation conducted in connection
with the Chapter 11 Cases, any bar date established in the Chapter 11 Cases, or any deadline for
responding or objecting to a Cure Amount, in each case, for the purpose for determining whether a
Claim or Interest is discharged hereunder or for any other purpose;

(r) To determine any other matters or adjudicate any disputes that may arise in
connection with or are related to the Plan, the Disclosure Statement, the Confirmation Order, the Plan
Supplement, or any document related to the foregoing; *provided*, that the Bankruptcy Court shall not

1 retain jurisdiction over disputes concerning documents contained in the Plan Supplement that have a
2 jurisdictional, forum selection or dispute resolution clause that refers disputes to a different court;

3 (s) To hear and determine all disputes involving the existence, nature, or scope of
4 the Debtors' discharge;

5 (t) To hear and determine any rights, claims, or Causes of Action held by or
6 accruing to the Debtors, the Reorganized Debtors, or the Fire Victim Trust pursuant to the Bankruptcy
7 Code or any federal or state statute or legal theory;

8 (u) To hear and determine any dispute involving the Wildfire Trusts, including but
9 not limited to the interpretation of the Wildfire Trust Agreements;

10 (v) To hear any other matter not inconsistent with the Bankruptcy Code; and

11 (w) To enter a final decree closing the Chapter 11 Cases.

12 To the extent that the Bankruptcy Court is not permitted under applicable law to preside over
13 any of the forgoing matters, the reference to the "Bankruptcy Court" in this Article XI shall be deemed
14 to be replaced by the "District Court." Nothing in this Article XI shall expand the exclusive
15 jurisdiction of the Bankruptcy Court beyond that provided by applicable law.

16 ARTICLE XII.

17 MISCELLANEOUS PROVISIONS

18 **12.1 Dissolution of Statutory Committees.** On the Effective Date, the Statutory
19 Committees shall dissolve, the current and former members of the Statutory Committees, including
20 any *ex officio* members, and their respective officers, employees, counsel, advisors and agents, shall
21 be released and discharged of and from all further authority, duties, responsibilities and obligations
22 related to and arising from and in connection with the Chapter 11 Cases, except for the limited purpose
23 of (i) prosecuting requests for allowances of compensation and reimbursement of expenses incurred
24 prior to the Effective Date and objecting to any such requests filed by other Professionals, including
25 any appeals in connection therewith, (ii) having standing and a right to be heard in connection with
26 any pending litigation, including appeals, to which such committee is a party, or (iii) prosecuting any
27 appeals of the Confirmation Order.

28 **12.2 Substantial Consummation.** On the Effective Date, the Plan shall be deemed
to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

12.3 Exemption from Transfer Taxes. Pursuant to section 1146(a) of the
Bankruptcy Code, the issuance, transfer, or exchange of any Security or property hereunder or in
connection with the transactions contemplated hereby, the creation, filing, or recording of any
mortgage, deed of trust, or other security interest, the making, assignment, filing, or recording of any
lease or sublease, or the making or delivery of any deed, bill of sale, or other instrument of transfer
under, in furtherance of, or in connection with the Plan, or any agreements of consolidation, deeds,

1 bills of sale, or assignments executed in connection with any of the transactions contemplated herein,
2 shall constitute a “transfer under a plan” within the purview of section 1146 of the Bankruptcy Code
3 and shall not be subject to or taxed under any law imposing a stamp tax or similar tax, to the maximum
4 extent provided by section 1146(a) of the Bankruptcy Code. To the maximum extent provided by
section 1146(a) of the Bankruptcy Code and applicable nonbankruptcy law, the Restructuring
Transactions shall not be taxed under any law imposing a stamp tax or similar tax.

5 **12.4 Expedited Tax Determination.** The Reorganized Debtors may request an
6 expedited determination of taxes under section 505(b) of the Bankruptcy Code for all returns filed for
7 or on behalf of the Debtors or the Reorganized Debtors for all taxable periods of the Debtors through
the Effective Date.

8 **12.5 Payment of Statutory Fees.** On the Effective Date, and thereafter as may be
9 required, each of the Debtors shall pay all the respective fees payable pursuant to section 1930 of
chapter 123 of title 28 of the United States Code, together with interest, if any, pursuant to section
10 3717 of title 31 of the United States Code, until the earliest to occur of the entry of (i) a final decree
closing such Debtor’s Chapter 11 Case, (ii) a Final Order converting such Debtor’s Chapter 11 Case
11 to a case under chapter 7 of the Bankruptcy Code, or (iii) a Final Order dismissing such Debtor’s
Chapter 11 Case.

12 **12.6 Plan Modifications and Amendments.** Subject to the Certain Consent Rights
13 set forth in Article I of this Plan, the Plan may be amended, modified, or supplemented by the Plan
Proponents, in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise
14 permitted by law without additional disclosure pursuant to section 1125 of the Bankruptcy Code,
except as the Bankruptcy Court may otherwise direct, so long as such action does not materially and
15 adversely affect the treatment of holders of Claims or Interests hereunder. The Plan Proponents may
institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any
16 inconsistencies in the Plan or the Confirmation Order with respect to such matters as may be necessary
to carry out the purposes and effects of the Plan and any holder of a Claim or Interest that has accepted
17 the Plan shall be deemed to have accepted the Plan as so amended, modified, or supplemented. Prior
to the Effective Date, the Plan Proponents may make appropriate technical adjustments and
18 modifications to the Plan without further order or approval of the Bankruptcy Court; *provided*, that
19 such technical adjustments and modifications do not materially and adversely affect the treatment of
holders of Claims or Interests.

20 **12.7 Revocation or Withdrawal of Plan.** The Plan Proponents may revoke,
21 withdraw, or delay consideration of the Plan prior to the Confirmation Date, either entirely or with
22 respect to one or more of the Debtors, and to file subsequent amended plans of reorganization. If the
Plan is revoked, withdrawn, or delayed with respect to fewer than all of the Debtors, such revocation,
23 withdrawal, or delay shall not affect the enforceability of the Plan as it relates to the Debtors for which
the Plan is not revoked, withdrawn, or delayed. If the Plan Proponents revoke the Plan in its entirety,
24 the Plan shall be deemed null and void. In such event, nothing herein shall be deemed to constitute a
waiver or release of any Claim by or against the Debtors or any other Person or to prejudice in any
25 manner the rights of the Debtors or any other Person in any further proceedings involving the Debtors.
26
27

1 **12.8 Courts of Competent Jurisdiction.** If the Bankruptcy Court abstains from
2 exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter
3 arising out of the Plan, such abstention, refusal, or failure of jurisdiction shall have no effect upon and
4 shall not control, prohibit, or limit the exercise of jurisdiction by any other court having competent
5 jurisdiction with respect to such matter.

6 **12.9 Severability.** If, prior to entry of the Confirmation Order, any term or provision
7 of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy
8 Court, in each case at the election and request of the Debtors may alter and interpret such term or
9 provision to make it valid or enforceable to the maximum extent practicable, consistent with the
10 original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or
11 provision shall then be applicable as altered or interpreted. Notwithstanding any such holding,
12 alteration, or interpretation, the remainder of the terms and provisions of the Plan shall remain in full
13 force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration,
14 or interpretation. The Confirmation Order shall constitute a judicial determination and provide that
15 each term and provision hereof, as it may have been altered or interpreted in accordance with the
16 foregoing, is (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and may not be
17 deleted or modified except in accordance with the terms of the Plan; and (c) nonseverable and mutually
18 dependent.

19 **12.10 Governing Law.** Except to the extent the Bankruptcy Code or other U.S.
20 federal law is applicable, or to the extent a schedule hereto, or a schedule in the Plan Supplement
21 expressly provides otherwise, the rights, duties, and obligations arising hereunder shall be governed
22 by, and construed and enforced in accordance with, the laws of the State of California, without giving
23 effect to the principles of conflicts of law thereof to the extent they would result in the application of
24 the laws of any other jurisdiction.

25 **12.11 Schedules and Exhibits.** The schedules and exhibits to the Plan and the Plan
26 Supplement are incorporated into, and are part of, the Plan as if set forth herein.

27 **12.12 Successors and Assigns.** All the rights, benefits, and obligations of any Person
28 named or referred to herein shall be binding on, and inure to the benefit of, the heirs, executors,
administrators, successors, and/or assigns of such Person.

12.13 Time. In computing any period of time prescribed or allowed herein, unless
otherwise set forth herein or determined by the Bankruptcy Court, the provisions of Bankruptcy Rule
9006 shall apply.

12.14 Notices. To be effective, all notices, requests, and demands to or upon the
Debtors shall be in writing (including by facsimile or electronic transmission) and, unless otherwise
expressly provided herein, shall be deemed to have been duly given or made when actually delivered,

Exhibit C

MUTUAL MADE WHOLE RELEASE

The terms “Claimant” and “Insurer,” are defined in Paragraph G. below.

_____, Trustee of the Fire Victim Trust, the undersigned party or personal representative (referred to herein as “Claimant”), individually and on behalf of the estate of the Claimant, and the Insurer (collectively, the “Parties” or “Releasees”) agree as follows:

- A. Whereas, the Debtors’ and Shareholder Proponents’ Joint Chapter 11 Plan of Reorganization dated _____ (the “Plan”), was confirmed by an order of the United States Bankruptcy Court for the Northern District of California entered on _____, 2020, and the Plan became effective on _____, 2020.
- B. Whereas the Plan provides for the treatment of all allowed Fire Victim Claims (as defined in the Plan) against the Debtors through the Fire Victim Trust (as defined in the Plan) and for the discharge of the Debtors from any further or other liability on account of all Fire Victim Claims.
- C. Whereas the Plan provides for the treatment of all allowed Subrogation Wildfire Claims (as defined in the Plan) against the Debtors through the Subrogation Wildfire Trust (as defined in the Plan) and for the discharge of the Debtors from any further or other liability on account of all Subrogation Wildfire Claims.
- D. Whereas, the Plan provides that the Fire Victim Claims are administered by a Fire Victim Trust and a Fire Victim Trustee who operates independent from the Debtors, holders of the Fire Subrogation Claims, and the Insurer. Neither the Debtors, holders of the Fire Subrogation Claims, nor the Insurer shall have any right to participate in the administration of the Fire Victim Trust, review any allocation or distribution decision of the Trustee or Trust Oversight Committee, including that of the Claimant, or make any claim for money against the Trust or the Trustee in any way or at any time.
- E. Whereas, the Trustee and Fire Victim Trust Oversight Committee have reviewed and advised the Claimant of (a) the total amount paid into the Fire Victim Trust available for compensation to the Fire Victims, (b) the total number of claims made against the Fire Victim Trust, (c) the process by which trust funds will be allocated and distributed, and (d) the total allocated amount from the Fire Victim Trust to the Claimant (“Total Allocation Award”).

- F. Whereas, the Claimant has reviewed the Total Allocation Award.
- G. Whereas, the Plan provides the Claimant and the Insurer execute a mutual limited release after the Claimant has reviewed the Total Allocation Award wherein the Claimant agrees to release only their claim against the Insurer under the Made Whole Doctrine (see Paragraph 1) and no other claim, cause of action, defense or remedy against the Insurer, and the Insurer agrees to release the Claimant as described herein in Paragraph 3. For the purpose of this Release, "Claimant" includes the Claimant's heirs, legal representatives, successor or assigns and "Insurer" includes the Claimants' insurance carriers, their past and present holders of insurance subrogation claims against the Debtors (and their direct and indirect assignors or assignees), and each of their directors, officers, agents, consultants, financial advisers, employees, attorneys, predecessors, successors and assigns.
- H. Whereas, nothing in this Release is an affirmation, representation, or an acknowledgment that the Claimant has in fact been fully compensated for their damages covered by the contract of insurance between the Insurer and the Claimant. The parties agree that Court's approval of the Plan and the Claimants' acceptance of the Total Allocation Award does not establish that the Claimant has been fully compensated under California law for their compensable damages as a result of the fire to the extent those damages are covered by insurance.
- I. Whereas, the Insurer has agreed to the terms, provisions, and agreements of this Mutual Release in a separate agreement dated _____, 20__, affirming, adopting, and attaching a copy of this Mutual Release ("Insurer Adoption Agreement"). This Mutual Release is conditioned upon the Insurer, or the Insurer's successor on behalf of the Insurer, filing in the Chapter 11 case the Insurer Adoption Agreement, which states the Insurer releases, as to the Made Whole Doctrine only, each Claimant who signs and agrees to the terms of this Mutual Release. The terms, provisions, and agreements of the Insurer Adoption Agreement are incorporated herein by reference. Insurer's consent and agreement to the terms, provisions, and agreements of this Mutual Release shall be effective upon the signature of the Claimant.
- J. Whereas, this release is not required for the Trustee to allocate and distribute preliminary awards to individuals on a case by case basis for humanitarian or urgent needs.

NOW, THEREFORE, in consideration for the agreements described in this Release and other good and valuable consideration, the Claimant and the Insurer agree as follows:

1. By accepting the Total Allocation Award, the Claimant hereby waives and releases their rights, known or unknown, to assert the Made Whole Doctrine against the Insurer. Claimant is not waiving or releasing any other claim, cause of action, defense, or remedy against Insurer. Also, by signing this agreement, the Claimant is not agreeing as a factual matter that the Claimant has been fully compensated for each and every category of their damages under California law.

2. The Claimant is not releasing any claims the Claimant may have against the Insurer other than the Claimant's foregoing waiver set forth in Paragraph 1. The Parties to this Release further agree and acknowledge that the Claimant is not releasing any claims, except and only to the extent set forth above, they might have against the Insurer, including but not limited to those claims or causes of action related to: (1) the policy of insurance and what is still owed or to be paid under the policy terms and conditions; (2) the right to pursue claims already made or to make new or continued claims under the policy; (3) claims handling issues; (4) delay in paying claims under the policy; (5) inadequate or untimely communication relating to the claim; (6) unreasonable positions taken relating to coverage, payment of the claim, acknowledging coverage, or day-to-day claims decisions; (7) actions or inactions of insurance agents or brokers in underwriting, securing, adjusting, calculating or recommending coverage; (8) coverage issues over policy language; (9) any action for bad faith or breach of the covenant of good faith and fair dealing; (10) any claims to reform or modify the terms of any policy; (12) any rights to recover damages for breach of contract or tort (including punitive damages), penalties or equitable relief; (13) any claims of violations of statutory or regulatory obligations; or (14) any claim for unfair business acts or practices.

3. The Insurer agrees to release and waive any right to make claim for any amount paid to the Claimant pursuant to the Fire Victim Trust or to assert as a defense, offset or reduction, the money paid to the Claimant from the Fire Victim Trust, which belongs solely to the Claimant. The Claimant agrees to make no claim on the money paid to the Insurer from the Subrogation Wildfire Trust. In agreeing to this limited release, Insurer is not releasing any claim, cause of action, defense, or remedy it may have against the Claimant other than Claimant's foregoing release of any Made Whole Doctrine claim.

4. The Insurer is not releasing any claims the Insurer may have against Claimant other than the Insurer's foregoing waiver set forth in Paragraph 3. The Parties to this Release further agree and acknowledge that the Insurer is not releasing any claims, except and only to the extent set forth above, it might have against the Claimant, including but not limited to those claims related to: (1) the policy of insurance and what is still owed or to be paid under the policy terms and conditions; (2) defenses to garden variety claims handling issues unrelated to the Made Whole Doctrine; (3) defenses related to delay in paying claims under the policy; (4) defenses to alleged inadequate or untimely communication relating to the claim; (5) defenses to alleged unreasonable positions taken relating to coverage, payment of the claim, acknowledging coverage, or day-to-day claims decisions; (6) defenses to actions or inactions of insurance agents or brokers in securing coverage; (7) coverage issues over policy language unrelated to Made Whole Doctrine; or (8) defenses to any common law action for bad faith unrelated to Made Whole Doctrine.

5. The Insurer further agrees that the Total Allocation Award shall not be the subject of discovery or mentioned in any pleadings in any state or federal court action or admissible in evidence in any state or federal court action for any of the causes of action or claims for relief identified in Paragraphs 2 or 4. Claimant agrees that the amount paid to Insurer from the Subrogation Wildfire Trust shall not be the subject of discovery or mentioned in any pleadings in any state or federal court action or admissible in evidence in any state or federal court action.

6. To the extent that the Claimant brings a claim for breach of contract, wrongful denial of coverage and/or bad faith against the Insurer, the Insurer shall not assert in any way or at any time that the Claimant should have or could have pursued that claim against the Debtors, the Fire Victim Trust, or any other party. The Insurer agrees that it will not assert in any action or proceeding covered under Paragraph 2 or 4 that the Claimant has been compensated as a result of the Claimant's settlement with the Debtors.

7. Both the Claimant and the Insurer agree that this Release gives the parties released the status of third-party beneficiary of the Release, and such Releasees may enforce this Release and any rights or remedies set forth herein.

8. This Release contains the entire agreement between the parties as to the subject matter hereof and is effective immediately upon signing. Likewise the release in Paragraph 1 is effective immediately upon signing. If there is a conflict between this Release and any other prior or contemporaneous agreement between the parties concerning the subject matter of the Release, the Release controls.

9. The law of the State of California shall govern the interpretation of this Release. The Bankruptcy Court has jurisdiction to resolve any disputes under this agreement.

10. Each Releasor states that he, she, or it is of legal age, with no mental disability of any kind, is fully and completely competent, and is duly authorized to execute this Release on Releasor's own behalf. Releasor further states that this Release has been explained to Releasor and that Releasor knows the contents as well as the effect thereof. Releasor further acknowledges that Releasor executed this Release after consulting with Releasor's attorney or the opportunity to consult with an attorney.

11. For avoidance of doubt, the Made Whole Doctrine is described herein. Subrogation is a doctrine that permits an insurance company, or its assignees, to assert the rights and remedies of an insured against a third party tortfeasor. The Made Whole Doctrine is a common law exception to insurer's right of subrogation. The Made Whole Doctrine, under certain circumstances, could preclude an insurer from recovering any third-party funds unless and until the insured has been made whole for the loss. Both the Claimant and Insurer agree that this Release does not modify, abrogate or affect any prior release or waiver between the Parties arising from the Fire.

12. Consistent with the foregoing, it is expressly understood and agreed by claimant that claimant is waiving and releasing all known or unknown claims under the Made Whole Doctrine. It is expressly understood and agreed by insurer that insurer is waiving and releasing all known or unknown claims under the Made Whole Doctrine as to claimant.

Financial Projections

Introduction¹

The following income and cash flow statements for the annual periods from January 1, 2020 through December 31, 2024 (the “**Projection Period**”) and the balance sheet as of the end of the year for each of the years 2020 through 2024 for the Debtors (“**Consolidated Financial Projections**”) are based on forecasts of operating results during the five-year period ending December 31, 2024. Included below is a summary of key assumptions to the Consolidated Financial Projections (in each case, the “**Assumptions**”). The Consolidated Financial Projections and the Assumptions should be read in conjunction with the Plan and the Disclosure Statement.

The Debtors, with the assistance of their advisors, have prepared these Consolidated Financial Projections to assist the Bankruptcy Court in determining whether the Plan meets the feasibility test of section 1129(a)(11) of the Bankruptcy Code.

Other than limited information related to rate base and capital expenditures, the Debtors generally do not publish their projections or their anticipated financial position or results of operations. Accordingly, the Debtors do not anticipate that they will, and disclaim any obligation to, furnish updated projections to holders of Claims or Interests, or to include such information in documents required to be filed with the U.S. Securities and Exchange Commission (the “**SEC**”) or otherwise make public such information.

The Consolidated Financial Projections have been prepared by the management of the Debtors, in consultation with the Debtors’ financial and restructuring advisors, Lazard Freres & Co. LLC and AP Services, LLC. The Consolidated Financial Projections were not prepared to comply with the guidelines for prospective financial statements published by the American Institute of Certified Public Accountants or the rules and regulations of the SEC, and by their nature are not financial statements prepared in accordance with accounting principles generally accepted in the United States of America.

The Debtors independent accountants have neither examined nor compiled the accompanying Consolidated Financial Projections and accordingly do not express an opinion or any other form of assurance with respect to the Consolidated Financial Projections, assume no responsibility for the Consolidated Financial Projections and disclaim any association with the Consolidated Financial Projections.

The Consolidated Financial Projections do not reflect the impact of fresh start reporting in accordance with American Institute of Certified Public Accountants statement of position 90-7, financial reporting by entities in reorganization under the Bankruptcy Code. The Debtors do not expect to be subject to fresh start reporting at or following the Effective Date.

The Consolidated Financial Projections contain forward-looking statements that are not historical facts, including statements about the beliefs, expectations, estimates, future plans and strategies of the Debtors, as well as forecasts based on our Plan which reflects settlements reached with various parties, regarding settlement of liabilities in connection with the 2018 Camp fire, 2017 Northern California wildfires and the 2015 Butte fire, the confirmation of the Plan on the Effective Date, the continuing availability of sufficient borrowing capacity or other financing to fund operations, the Utility’s participation in the

statewide wildfire fund created by AB 1054, the Debtors' anticipated sources and uses upon emergence from Chapter 11, the outcome of regulatory cases and the effect on earnings of such cases, projections of wildfire-related expenditures, anticipated regulatory and legislative policy, anticipated capital expenditures of the Debtors, anticipated costs of operations of the Debtors, efficiency initiatives, dividend payments (both Utility preferred stock and PG&E Corporation common stock), credit ratings and the various assumptions described in detail below. These statements are based on current expectations and assumptions, which management believes are reasonable, and on information currently available to management, but are necessarily subject to various risks and uncertainties. In addition to the risk that these assumptions prove to be inaccurate, factors that could cause actual results to differ materially from those contemplated by the forward-looking statements include factors disclosed in PG&E Corporation's and the Utility's annual report on Form 10-K for the year ended December 31, 2019 and other reports filed with the SEC, which are available on PG&E Corporation's website at www.pgecorp.com and on the SEC website at www.sec.gov. Additional factors include, but are not limited to, those associated with the Chapter 11 cases of PG&E Corporation and the Utility that commenced on January 29, 2019. PG&E Corporation and the Utility undertake no obligation to publicly update or revise any forward-looking statements, whether due to new information, future events or otherwise, except to the extent required by law.

The Consolidated Financial Projections, while presented with numerical specificity, are necessarily based on a variety of estimates and assumptions which, though considered reasonable by the Debtors, may not be realized and are inherently subject to significant business, economic, competitive, industry, regulatory, market and financial uncertainties and contingencies, many of which are beyond the control of the Debtors. The Debtors caution that no representations can be made or are made as to the accuracy of the Consolidated Financial Projections or to the Debtors' ability to achieve the projected results. Some assumptions inevitably will be incorrect. Moreover, events and circumstances occurring subsequent to the date on which these Consolidated Financial Projections were prepared may be different from those assumed, or, alternatively, may have been unanticipated, and thus the occurrence of these events may affect financial results in a materially adverse or materially beneficial manner. The Debtors do not intend and do not undertake any obligation to update or otherwise revise the Consolidated Financial Projections to reflect events or circumstances existing or arising after the date of these Consolidated Financial Projections. Therefore, the Consolidated Financial Projections may not be relied upon as a guarantee or other assurance of the actual results that will occur. In deciding whether to vote to accept or reject the Plan, holders of Claims and Interests must make their own determinations as to the reasonableness of such assumptions and the reliability of the Consolidated Financial Projections.

These Consolidated Financial Projections were developed for purposes of the formulation and negotiation of the Plan and to enable the holders of Claims and Interests entitled to vote under the Plan to make an informed judgment about the Plan and should not be used or relied upon for any other purpose, including the purchase or sale of securities of, or Claims or Interests in, the Debtors or any of their affiliates.

Use of Non-GAAP Financial Measures

The Consolidated Financial Projections contain financial information based on "non-GAAP core earnings" in order to provide a measure that allows investors to compare the underlying financial performance of the business from one period to another, exclusive of non-core items.

"Non-GAAP core earnings" is a non-GAAP financial measure and is calculated as income available for common shareholders less non-core items. "Non-core items" includes items that management does not consider representative of ongoing earnings and affect comparability of financial results between periods. The Debtors use non-GAAP core earnings to understand and compare operating results across reporting periods for various purposes including internal budgeting and forecasting, short- and long-term operating

planning, and employee incentive compensation. The Debtors believe that non-GAAP core earnings provides additional insight into the underlying trends of the business, allowing for a better comparison against historical results and expectations for future performance.

Non-GAAP core earnings is not a substitute or alternative for GAAP measures such as consolidated income available for common shareholders and may not be comparable to similarly titled measures used by other companies.

Select Assumptions for PG&E's Financial Forecast 2020-2024

The Consolidated Financial Projections contained herein are based on, but not limited to, factors such as general business, economic, competitive, regulatory, market, financial and environmental conditions, as well as the assumptions detailed below. Many of these factors and assumptions are beyond the control of the Debtors and do not take into account the uncertainty and disruptions of business that may accompany an in-court restructuring. Accordingly, the assumptions should be reviewed in conjunction with a review of the risk factors set forth in the Disclosure Statement and in the Debtors' public filings.

General Assumptions

- In light of the forms of distribution contemplated by the Plan (which include cash as well as new PG&E Corporation common stock and the new debt securities of the Utility), the Consolidated Financial Projections were developed on a consolidated basis rather than on a separate legal entity basis. The Consolidated Financial Projections were developed by management with the assistance of the Debtors' advisors and are presented solely for purposes of the formulation and negotiation of the Plan in order to present the anticipated impact of the Plan. No representation or warranty, express or implied, is provided in relation to the fairness, accuracy, correctness, completeness, or reliability of the information, opinions, or conclusions expressed herein.
- The Consolidated Financial Projections assume that the Plan will be consummated in accordance with its terms and that all transactions contemplated by the Plan will be consummated on June 30, 2020.
- The Consolidated Financial Projections assume that the Utility secures an investment grade rating from at least one rating agency on the secured debt of the Utility.
- The Consolidated Financial Projections assume the achievement of various efficiency initiatives, including, among other things, resource planning, contract management, monetization of excess renewable energy, and real estate optimizations. These efficiency initiatives reduce operating and capital expenditures by approximately \$1 billion on average through 2024.
- The Consolidated Financial Projections also assume that: (1) there will be no material change in legislation or regulations, or the administration thereof, that would have an unexpected effect on the operations of the Debtors; and (2) there will be no change in generally accepted accounting principles in the United States that would have a material effect on the reported financial results of the Debtors.

Assumptions Underlying Revenue Projections and Cost Recovery

Base Revenue

The Consolidated Financial Projections assume:

- Base revenues for electric distribution, natural gas distribution and electric generation operations are consistent with the Utility's proposed settlement agreement (the "2020 GRC Settlement") filed on December 20, 2019 with the California Public Utility Commission ("CPUC") in its 2020 General Rate Case ("GRC") for 2020-2022. Spending for wildfire-related programs included in the 2020 GRC Settlement associated with system hardening, vegetation management, public

safety power shutoffs and excess liability insurance, is anticipated to be well above amounts specified, and this incremental spending is recoverable through balancing accounts up to a two-year lag. Base revenue for the years 2023 and 2024 assumes an increase in authorized annual revenue requirement sufficient to cover the forecasted GRC costs and authorized rate of return.

- Formula rates for the recovery of costs for electric transmission facilities are determined by the Transmission Owner (“TO”) rate cases with the Federal Energy Regulatory Commission (“FERC”). Under the formula rate mechanism, transmission revenues are updated to the actual cost of service annually. All prudently incurred transmission wildfire-related costs are assumed to be fully recoverable consistent with the formula rate mechanism.
- Base revenues for the Utility’s natural gas transmission and storage services are consistent with the final decision issued in the Utility’s 2019 gas transmission and storage (“GT&S”) case, as approved by the CPUC on September 12, 2019 for 2019-2022. Base revenue for the years 2023 and 2024 assumes an increase in the authorized GT&S annual revenue requirement sufficient to cover forecasted expenses, except for amounts not recoverable. Aggregate GT&S capital expenditures of \$576 million over the years 2011 through 2014 (the “GT&S Expenditures”) that are currently subject to audit by the CPUC are assumed to be approved by the CPUC and restored to the Utility’s rate base in 2020. Restoration of the GT&S Expenditures is subject to a subsequent CPUC proceeding following the audit. The CPUC has advised the Utility that litigation in respect of such proceeding will likely commence in the second half of 2020 with resolution occurring in 2021. The impact of this delay may result in a shift of the associated earnings available for common stock from 2020 to 2021 and a potential delay in associated cost recovery.
- Base operating and maintenance expenses excluding wildfire-related costs are forecast to be generally in line with the Utility’s settlements and final decisions in its rate cases, including those described above.

Incremental Wildfire-Related and Other Costs

The Consolidated Financial Projections assume full recovery of wildfire-related costs currently deferred as regulatory assets on the balance sheet and additional future spending beyond the programs included in the 2020 GRC Settlement:

- Full recovery over the Projection Period of approximately \$2.5 billion of costs related to restoration, prevention, and insurance that are on the Utility’s balance sheet as deferred costs as of December 31, 2019. Interim rate relief and accelerated will be granted by the CPUC allowing approximately \$1.4 billion of these costs to be recovered in 2020 and 2021 on an accelerated basis.
- Consistent with the Utility’s settlement agreement in the Order Instituting Investigation into the 2017 Northern California Wildfires and the 2018 Camp Fire (the “Wildfire OII”) submitted to the CPUC on December 17, 2019, the Utility will receive no recovery of costs totaling approximately \$1.675 billion contemplated by the Wildfires OII settlement relating to certain wildfire-related costs and shareholder-funded system enhancement initiatives. On February 27, 2020, a Presiding Officer’s Decision (POD) was issued in the Wildfire OII proceeding which proposes modifications to the settlement agreement (as so modified, the “Revised Settlement”) that would add \$462 million of disallowances for wildfire mitigation (\$198 million) and system enhancement initiatives (\$64 million), and a payment to the state general fund (\$200 million). The Revised Settlement, if accepted, is subject to Bankruptcy Court approval. Parties have 30 days to appeal the POD. PG&E is still evaluating its options, including appeal. The impact of the modifications to the settlement proposed by the POD is not reflected in the Consolidated Financial Projections. The impact of the modifications to the settlement proposed by the POD on the Consolidated

Financial Projections, if implemented, would be a decrease in earnings available for common stock and cashflow in 2020 as it relates to the payment to the general fund. Additionally, the proposed disallowed wildfire mitigation and system enhancement costs would impact earnings available for common stock primarily in 2020 and 2021, and cash flow impacts from the loss of anticipated revenue would be expected to impact future years. The modifications to the settlement proposed by the POD, if implemented, would also require any tax savings associated with the shareholder payments under the settlement agreement to be applied to wildfire mitigation expenses that would otherwise have been recovered from ratepayers when realized. The initial settlement of \$1.675 billion and the additional \$262 million established by the POD are assumed to be tax deductible and the resulting tax savings could be as much as \$542 million based on the company's 28% effective net tax rate. The realization of these tax savings depend on many other variables and the timing of the savings is expected after 2024.

- For wildfire-related programs, including wildfire-related inspections and maintenance costs, that are in addition to programs requested in the 2020 GRC Settlement, recovery of costs will be allowed by the CPUC through memorandum accounts and collected on a three-year lag.
- Recovery of incremental capital expenditures in 2020 and 2021 related to implementing microgrid-enabling distributed generation, consistent with its proposal for cost recovery authorization submitted to the CPUC in connection with the CPUC's Order Instituting Rulemaking regarding microgrids.
- Pursuant to the requirements of Assembly Bill ("AB") 1054, approximately \$3.2 billion of fire risk mitigation capital expenditures will be excluded from the Utility's equity rate base and will therefore not earn a return on equity. Such expenditures are assumed to be substantially incurred over the period from August 2019 through December 31, 2022 and are assumed to be funded with debt until securitization bond proceeds are received.

Assumptions Underlying Regulatory and Policy Projections

The Consolidated Financial Projections assume:

- The Utility's authorized Return on Equity will be 10.25% (as authorized through 2023 by the CPUC in its final decision issued December 19, 2019) throughout the Projection Period. The Consolidated Financial Projections also reflect a capital structure that is consistent with the terms of the Restructuring Support Agreement (the "**Noteholder RSA**") dated January 22, 2020, resulting in a weighted-average cost of debt of approximately 4.3%² upon PG&E Corporation's and the Utility's emergence from Chapter 11.
- Consistent with the terms of AB 1054, an initial contribution by the Utility to the Go-Forward Wildfire Fund established thereunder of \$4.8 billion upon emergence, to be amortized over ten years and ongoing contributions by the Utility to the Go-Forward Wildfire Fund of \$193 million per year over the Projection Period.
- The payment of various penalties by the Utility, including general fund payments, shareholder-paid initiatives, and agreements not to seek rate recovery for specified expenses pursuant to the following Orders Instituting Investigation ("**OIIs**"):
 - Locate & Mark OII: In February 2020, the presiding officer in this OII issued a decision modifying the settlement agreement between the Utility and the CPUC submitted on October 3, 2019. Consistent with the terms of the settlement agreement, as modified, the Consolidated Financial Projections assume payments and unrecovered expenses by the Utility in the amount of \$110 million during 2020-2022.

² Inclusive of amortization of fees.

- Phase II Ex-Parte OII: On December 5th, 2019, the CPUC approved a settlement agreement between certain public entities and the Utility pursuant to which the Utility agreed to pay an incremental penalty of \$10 million. The Consolidated Financial Projections assume that this penalty is paid in 2020.
- Wildfires OII: As described above, on December 17, 2019, the Utility submitted a settlement agreement to the CPUC in connection with the Wildfires OII in which it agreed not to seek cost recovery for \$1.675 billion of wildfire-related expenditures. The Consolidated Financial Projections assume that these costs will not be recovered (See above for information related to the February 27, 2020 POD).

Financing Considerations

- The financing assumptions underlying the Consolidated Financial Projections are consistent with the Utility's testimony filed with the CPUC on January 31, 2020 in connection with the CPUC's Plan of Reorganization OII. The Consolidated Financial Projections assume total sources of funding and corresponding uses of approximately \$59 billion (\$57.65 billion upon emergence), as summarized in the following tables:

Expected Sources (in millions)

Equity issuance for cash	\$9,000
Equity issued into Fire Victim Trust (as defined below)	6,750
New PG&E Corporation Debt	4,750
Reinstated Utility Debt	9,575
New Utility Notes	23,775
Insurance Proceeds	2,200
Cash immediately prior to Emergence	1,600
Deferred Wildfire Claims Settlement	1,350
Total Sources	\$59,000

Expected Uses (in millions)

Payment to holders of wildfire-related claims	\$24,150
2017/2018 Wildfire Claims Settlement (Deferred Payment)	1,350
Contributions to Go-Forward Wildfire Fund pursuant to AB 1054	5,000
Repayment of Debtor-In-Possession Financing	2,000
Pre-petition Debt to be repaid or reinstated	22,180
Trade Claims and Other Costs	2,300
Accrued Interest	1,270
Cash immediately following Emergence	750
Total Uses	\$59,000

- The Consolidated Financial Projections assume, in connection with PG&E Corporation and the Utility's exit financing, that the CPUC will authorize the exclusion of \$6 billion of temporary New Utility Notes from the Utility's capital structure. The Consolidated Financial Projections further assume that the CPUC will authorize the securitization of \$7 billion of wildfire-related claims costs by March 31, 2021 that will be rate-neutral on a net present value basis to customers,

the proceeds of which will be used to retire the \$6 billion of temporary New Utility Notes and to make payments as part of the \$1.35 billion deferred settlement to the trust to be established under the Plan for the benefit of holders of wildfire-related claims (“**Fire Victim Trust**”). The authorization to securitize \$7 billion of wildfire claims on an NPV neutral basis results in a \$2.1 billion charge at inception as a result of an undiscounted regulatory liability associated with revenue credits funded by the NOL monetization. Securitization revenues, revenue credits, and interest expense on the \$7 billion of securitized debt are fully offset by net amortization of the securitization regulatory asset and undiscounted regulatory liability.

- The securitization proposal reflected in the forecast includes revenue credits of \$1.15 billion in 2021 and \$397 million in 2022 that are not funded by NOL monetization. The timing and amounts of customer credits are still to be determined and are subject to material change and regulatory approval.
- The Consolidated Financial Projections assume that the equity commitment premium due under the equity backstop letters will equal 119 million shares of PG&E Corporation common stock, payable on the Effective Date. Assuming that the Debtors implement the capital structure described above by drawing on the equity backstop commitments and based on the Debtors’ forecasted Normalized Estimated Net Income (as defined in the equity backstop commitment letters), the value of the equity commitment premium would be approximately \$1.2 billion at the currently estimated Backstop Price (as defined in the equity backstop commitment letters). The value of the equity commitment premium could exceed this amount in the event that PG&E Corporation successfully consummates a marketed equity offering or rights offering in lieu of drawing on the equity backstop commitments or if the Debtors implement an alternative capital structure, under certain conditions.
- The Consolidated Financial Projections assume that the Debtors will face no incremental wildfire liabilities related to pre-petition wildfires beyond the \$25.5 billion of wildfire-related claims that the Debtors have committed as of the date hereof to pay under the Plan pursuant to various settlement agreements with the holders of wildfire-related claims. The Consolidated Financial Projections further assume the Debtors will not face any liabilities related to postpetition wildfires that are not covered by insurance.
- Common dividends are assumed to be restored once Utility equity ratio achieves 52% on a regulatory basis and are moderated to allow PG&E Corporation debt reduction throughout the forecast period. This assumption does not reflect a commitment on the Board or management's part to a specific future dividend policy.
- The Consolidated Financial Projections assume that additional equity is raised in 2021. This financing need may either be met through equity issuance or maintaining Holding Company debt levels.
